A Life's Lesson Catherine Grace Frances Gore, 1857 **Truth Lessons** Witness Lee, 1996-05 **The Lessons of Nature in Mythology** Rachel S. McCoppin, 2015-10-30 This examination of myths from around the world focuses on the role nature plays within mythology Creation myths from myriad cultures recognized that life arose from natural elements inextricably connecting human life to the natural world Nature as portrayed in myth is unpredictable and destructive but also redemptive providing solace and wisdom Mythology relates the human life cycle to the seasons with spring summer fall and winter as metaphors for birth adulthood old age and death The author identifies divinities who were direct representations of natural phenomena The transition of mythic representations from the Paleolithic to Neolithic period is discussed

Collected Works of Witness Lee, 1959, volume 1 Witness Lee, During the first few months of 1959 Brother Witness Lee's first wife was in the final stage of her terminal illness and he spent most of his time accompanying her. No conferences were held and no messages were recorded during this period of time. His wife died on April 24. On May 26 through 30 Brother Lee began to have a series of meetings with the co workers on a new direction of the work in Taiwan. His speaking during this period is included in the first part of volume 1 of this set. After this on June 4 he traveled to Hong Kong and stayed for two days during which time he had a brief meeting with some of the co workers. He then traveled to the Philippines. There he released some messages on Christ and the church and conducted a Bible study on the Gospel of John. His speaking in the Philippines is included in volume 1 of this set. After his visit to the Philippines he returned to Hong Kong at the end of July and conducted a two week young people's conference on July 25 through August 9. At the end of this conference he held six question and answer sessions with co workers and district serving ones. Brother Lee's speaking during his two visits to Hong Kong are included in volumes 1 and 2 of this set. On August 16 he returned to Taiwan and began planning for the new stage of the work in Taiwan. Beginning on September 20 he conducted six days of gospel meetings in the largest stadium in Taipei with more than ten thousand in attendance. This was preceded by three preparation meetings and four follow up gospel truth meetings. On October 5 he began a training on how to perfect new ones which extended until January 22, 1960. His speaking in Taipei during the second half of 1959 is included at the end of volume 2 and in volumes 3 through 5 of this set. The Collected Works of Witness Lee 1959 volume 1 contains messages, personal letters and reports given or written by Brother Witness Lee in January through November 1959. Historical information concerning Brother Lee's travels and the content of his ministry in 1959 can be found in the general preface that appears at the beginning of this volume. The contents of this volume are divided into six sections as follows:

- 1 Personal letters and reports that were published in Church News Issue Nos 19 through 23 and 26 through 33 in January through November. These letters and reports are included in this volume under the same title.
- 2 Two messages given in Taipei, Taiwan on May 26. These messages are included in this volume under the title The New Direction of the Work.
- 3 Four messages given in Manila, Philippines and Taipei, Taiwan in 1959. The first three chapters were previously published in a book entitled Our Vision: Christ and the Church. Later a fourth chapter was added based on notes taken by Brother K. H. Weigh. The four messages are included in this volume under the same title as the previously published book.
- 4 Twenty eight messages given in Manila, Philippines in the summer of 1959. These messages are included in this volume under the title Revelations in John: Seeing the Essential Significance of Life and Building.
- 5 Four talks given in Hong Kong in June through August. These talks are included in this volume under the title A Record of Several Talks in Hong Kong.
- 6 Six messages given in Hong Kong on July 25 through August 9. These messages plus an appendix are included in this volume under the title Experiencing God as Life to Live the Church Life.
