Shifters of the Night: Everyone has secrets, but not ones like this. Torn between two men with secrets that could kill, who will she choose? When the dark, mysterious man in the corner of the bar that Scarlett frequents buys her a drink for no reason, she doesn't think there's anything strange about him. Hunter is handsome and charming, and it's enough to make Scarlett go back to see him again. When he asks her on a date, she's excited, and it all goes smoothly. But suddenly, before they've even finished eating, he leaves abruptly, stating a family emergency that Scarlett doesn't believe is real. Enter Titus, Scarlett's upstairs neighbor, she only knows from the constant loud sex she hears him having. He takes her out on a date of his own, but not before she hears back from Hunter, full of apologies for running out on her. She gives him another chance and then wonders which of the two men she should pick. The advice of a colleague at work fuels her thoughts. Why should she try to choose between him and Titus when she could have both? But both men hold secrets, and when they come out, Scarlett might be left with no one, once more. Can Scarlett possibly make it work and find happiness? *Dragon's Revenge*. She wants his help, and he wants her heart. Janice: When I received a phone call from my younger sister, I dropped everything to move to a new city and help her run her bar. Family means everything to me, and I am not about to let her go under because of her deadbeat ex-husband. I expect this to be hard work, but I don't expect to meet Ajax. Stubborn, strong-willed, and dangerous, he is everything I have been warned to stay away from. I have a business to keep afloat. So why do I want to pull him closer? Ajax: I'm in the middle of a turf war, and I don't have time to focus on anything else. I need the help of a local bar to turn the tables on our rival club, and that means enlisting the help of Janice. She's feisty, and she doesn't take no for an answer. She's frustrating, and I can't seem to get anything done when she's around. But there's something about her that makes me want to keep her around. I need to focus on the job, but all I want to focus on is her.
