Mary Louise Briscoe, 1982 This bibliography provides access to over 5 000 American autobiographies published in book form by private and commercial presses from 1945 through 1980 intro      Native American Autobiography Arnold Krupat, 1994  
Publisher description Native American Autobiography is the first collection to bring together the major autobiographical narratives by Native American people from the earliest documents that exist to the present \_ The thirty narratives included here cover a range of tribes and cultural areas over a span of more than 200 years From the earliest known written memoir a 1768 narrative by the Reverend Samson Occom a Mohegan reproduced as a chapter here to recent reminiscences by such prominent writers as N Scott Momaday and Gerald Vizenor the book covers a broad range of Native American experience Editor Arnold Krupat provides a general introduction a historical introduction to each of the seven sections extensive headnotes for each selection and suggestions for further reading making this an ideal resource for courses in American literature history anthropology and Native American studies General readers too will find a wealth of fascinating material in the life stories of these Native American men and women      American Indian Autobiography , 2008-05-01 American Indian Autobiography is a kind of cultural kaleidoscope whose narratives come to us from a wide range of American Indians warriors farmers Christian converts rebels and assimilationists peyotists shamans hunters Sun Dancers artists and Hollywood Indians spiritualists visionaries mothers fathers and English professors Many of these narratives are as told to autobiographies and those who labored to set them down in writing are nearly as diverse as their subjects Black Elk had a poet for his amanuensis Maxidiwiac a Hidatsa farmer who worked her fields with a bone blade hoe had an anthropologist Two Leggings the man who led the last Crow war party speaks to us through a merchant from Bismarck North Dakota White Horse Eagle an aged Osage told his story to a Nazi historian By discussing these remarkable narratives from a historical perspective H David Brumble III reveals how the various editors assumptions and methods influenced the autobiographies as well as the autobiographers Brumble also and perhaps most importantly describes the various oral autobiographical traditions of the Indians themselves including those of N Scott Momaday and Leslie Marmon Silko American Indian Autobiography includes an extensive bibliography this Bison Books edition features a new introduction by the author  
*Native American Life-history Narratives* Susan Berry Brill de Ramírez, 2007 The author provides methods for the study of American Indian ethnographic texts and disputes some previous assumptions about the sources of the stories in Son of Old Man Hat      **Medicine Ways** Clifford E. Trafzer, Diane E. Weiner, 2001 In Native cultures health is often expressed as a balance between body mind and spirit or soul At a philosophical level physical wellness is related to cultural political and economic well being This is a philosophy that is frequently ignored however in theoretical perspectives and applied programs that attempt to address Native American health problems This collection of essays examines the ways people from many

indigenous communities think about and practice health care within historical and sociocultural contexts Chapters explore solutions to the prevalence of medically identified diseases such as cancer and diabetes as well as Native identified problems such as forced evacuation assimilation and poverty Annotation copyrighted by Book News Inc Portland OR

Auto/biography Studies ,1992      *A bibliography of the Athapaskan languages* Richard T. Parr,1974-01-01 This bibliography brings together the relevant materials in linguistics anthropology archaeology folklore and ethnomusicology for the Athapaskan languages It consists of approximately 5 000 entries of which one fourth have been annotated as well as maps and census illustrations Published in English      **From the Boarding Schools** Arnold Krupat,2023-04 Arnold Krupat s From the Boarding Schools makes available previously unheard Apache voices from the Indian boarding schools It includes selections from two unpublished autobiographies by Sam Kenoi and Dan Nicholas produced in the 1930s with the anthropologist Morris Opler as well as material by and about Vincent Natalish a contemporary of Kenoi and Nicholas Natalish was one of more than one hundred Apaches taken from Fort Marion to the Carlisle Indian School by its superintendent Captain Richard Henry Pratt in 1887 A considerable number of these students died at the school and many who were sent home for illness or poor health did not recover Natalish however remained at Carlisle and graduated in 1899 He married had a son and lived and worked in New York He also actively sought the release of his relatives and other Apaches held prisoner at Fort Sill Oklahoma Apache people have been telling and circulating stories among themselves for generations But in contrast to their neighbors the Hopis and the Navajos Apaches have produced relatively few written autobiographical narratives and even fewer about their boarding school experiences Supplementing the narratives with detailed cultural and historical commentary From the Boarding Schools brings these lived experiences from the archives into current discourse      *The Manner Born* Lauren Dundes,2004-09-01 This essential collection on maternal and child health focuses on the rites of giving birth from a cross cultural perspective The distinguished list of contributors describe the many customs surrounding birth through infancy highlighting a wide range of variation in practices across cultures They discuss attitudes and techniques in childbirth the interaction between human evolutionary form and birthing procedures the influence of societal factors that differentiate Western from non Western maternal birthing positions and the art of midwifery Also treated are less well known areas of birthing such as the imagery of birthing placenta rituals and popular beliefs about the amniotic membrane called a caul In addition the authors explore the humoral medical tradition used in birthing the possible influence of cultural practices on Sudden Infant Death Syndrome SIDS customs and beliefs regarding breastfeeding weaning swaddling and finally a sociobiological perspective on early infant behavior This book will be valuable for courses in medical sociology and anthropology public health or behavioral sciences psychology and psychiatry and for pre med students      **Navajo Land, Navajo Culture** Robert S. McPherson,2003-01-01 In Navajo Land Navajo Culture Robert S McPherson presents an intimate history of the Din or Navajo people of southeastern Utah Moving beyond standard history by

incorporating Native voices the author shows how the Dine s culture and economy have both persisted and changed during the twentieth century As the dominant white culture increasingly affected their worldview these Navajos adjusted to change took what they perceived as beneficial and shaped or filtered outside influences to preserve traditional values With guidance from Navajo elders McPherson describes varied experiences ranging from traditional deer hunting to livestock reduction from bartering at a trading post to acting in John Ford movies and from the coming of the automobile to the burgeoning of the tourist industry Clearly written and richly detailed this book offers new perspectives on a people who have adapted to new conditions while shaping their own destiny *Bulletin - Smithsonian Institution. Bureau of American Ethnology* ,1907

White Man's Club Jacqueline Fear-Segal,2007-01-01 Asking the reader to consider the legacy of nineteenth century acculturation policies White Man s Club incorporates the life stories and voices of Native students and traces the schools powerful impact into the twenty first century BOOK JACKET **A Diné History of Navajoland** Klara Kelley,Harris Francis,2019-10-22 For the first time a sweeping history of the Din that is foregrounded in oral tradition Authors Klara Kelley and Harris Francis share Din history from pre Columbian time to the present using ethnographic interviews in which Navajo people reveal their oral histories on key events such as Athabaskan migrations trading and trails Din clans the Long Walk of 1864 and the struggle to keep their culture alive under colonizers who brought the railroad coal mining trading posts and finally climate change The early chapters based on ceremonial origin stories tell about Din forebears Next come the histories of Din clans from late pre Columbian to early post Columbian times and the coming together of the Din as a sovereign people Later chapters are based on histories of families individuals and communities and tell how the Din have struggled to keep their bond with the land under settler encroachment relocation loss of land based self sufficiency through the trading post system energy resource extraction and climate change Archaeological and documentary information supplements the oral histories providing a comprehensive investigation of Navajo history and offering new insights into their twentieth century relationships with Hispanic and Anglo settlers For Din readers the book offers empowering histories and stories of Din cultural sovereignty In short the authors say it may help you to know how you came to be where and who you are

**Bibliography of American Folklore, 1915-1928** ,1928 **Society and Personality** Tamotsu Shibutani,2017-09-29 Being an interactionist approach to social psychology Society and Personality deals with people not as isolated individuals but as participants in groups The aim of the book is to help the reader develop an orderly perspective a consistent point of view from which to see his or her own conduct and that of his or her fellows Propositions about behavior seen from the viewpoint are presented and relevant evidence both descriptive and experimental is examined and evaluated The author draws upon the two great intellectual traditions of pragmatism and psychoanalysis and attempts to integrate them into a single consistent approach All concepts are reduced to behavioristic terms defined always in terms of what people do In this way it is possible to draw freely on these two schools and at the same time avoid much of the jargon of both Other

approaches to the study of human behavior are frequently mentioned and sometimes discussed but the objective is to give the reader one perspective rather than confuse him with many. Of course this standpoint is presented as only one of many possible ways of looking at people. Although the book's basic ideas are drawn from two main schools of psychological thought, relevant material has been gathered from other sources as well: sociology, ethnography, linguistics, experimental psychology, and clinical data from psychiatry. One very important extra feature is the List of Personal Documents compiled by the author to guide interested readers to first person accounts, biographies, diaries, clinical records, each of which provides a valuable record of human experience.

**Tall Woman** Rose Mitchell, 2001. Portrays Navajo weaver and midwife Tall Woman who held onto traditional Navajo ways, raised twelve children, and cared for the farm throughout her marriage to political leader and Blessingway singer Frank Mitchell.

The Navajo Hunter Tradition Karl W. Luckert, 2019-05-28. New approach to the study of myths relating to the origin of the Navajos. Based on extensive fieldwork and research including Navajo hunter informants and unpublished manuscripts of Father Berard Haile. Part I: The Navajo Tradition: Perspectives and History. Part II: Navajo Hunter Mythology. Part III: The Navajo Hunter Tradition: An Interpretation.

*American Nations* Frederick Hoxie, Peter Mancall, James Merrell, 2020-11-25. This volume brings together an impressive collection of important works covering nearly every aspect of early Native American history from contact and exchange to diplomacy, religion, warfare, and disease.

**The Routledge Dictionary of Anthropologists** Gérald Gaillard, 2004. This detailed and comprehensive guide provides biographical information on the most influential and significant figures in world anthropology from the birth of the discipline in the nineteenth century to the present day. Each of the fifteen chapters focuses on a national tradition or school of thought, outlining its central features and placing the anthropologists within their intellectual contexts. Fully indexed and cross-referenced. The Routledge Dictionary of Anthropologists will prove indispensable for students of anthropology.
