Navajo Brothers And The Stolen Herd:

The Navajo Brothers and the Stolen Herd Maurine Grammer, 1992 Chee and Pahee teenage Navajo brothers in New Mexico lose their family's herd of sheep to thieves and attempt to get it back **Native Americans in Fiction** Vicki Anderson, 1994 Students interested in the social life and customs of Native Americans clamor for works of fiction to further understand these multifaceted cultures The over 750 titles representing more than 125 tribes found here emphasize the daily lives of Native Americans the hardships they endured and their contributions to society Arranged by tribe entries provide author publisher date grade designation and a brief annotation of the book The works are primarily from 1965 through 1993 though many earlier classics are included *Report of the Navajo-Hopi Relocation Commission* United States. Congress. Senate. Select Committee on Indian Affairs, 1984 **Mystery at Echo Cliffs** Kate Abbott, 1994 TWO YOUNG ORPHANED NAVAJO S THRUST INTO THE TRADITIONAL LIFESTYLE OF THEIR GRANDPARENTS SEARCH FOR POTHUNTERS WHO HAVE BEEN DIGGING IN ANASAZI BURIAL SITES *Who Was Who in America; With Notables 1942-2006* Marquis Who's Who, 2006 **Reference Encyclopedia of the American Indian** Barry T. Klein, 2000 **Forthcoming Books** Rose Army, 1993 **Dine Bibliography to the 1990s** Howard M. Bahr, 1999-06 The Navajo are the largest tribe of Indians in the United States and due in part to a fascination with their relative isolation have been analyzed in numerous documentaries In this timely supplement to the Navajo Bibliography Howard M Bahr engages in a unique postmodern approach to his bibliography of the Navajo culture by combining health related artistic economic religious social scientific and other literature on the Navajo into one study The bibliography skillfully downplays disciplinary boundaries by unifying literature that has previously only offered separate classification and access The more than 6 300 entries are selectively annotated and cover Navajo literature from 1970 to 1990 as well as newly discovered literature including Franciscans literature that was not included in the original Navajo Bibliography This bibliography is not only the most comprehensive bibliography to date in its coverage of more than two decades of new material but the only source that supplements the professional literature with local and cultural works An exhaustive resource that effectively doubles the expanse of Navajo literature surveyed and indexed Din Bibliography to the 1990s is an invaluable tool that both highlights the literature already available and expands such data to include coverage of genres that have been previously underrepresented *Small Press Record of Books in Print* Len Fulton, 1993 Navajo Wars Frank McNitt, 1990 Originally published in 1972 and out of print since 1979 this book remains the best and most complete synthesis of three centuries of wars between the Navajo and three successive imperial administrations This edition has a new introduction by Indian and western historian Robert M Utley Annotation copyrighted by Book News Inc Portland OR
