De Fina, 1992 In this book author Allan A De Fina invites teachers students and parents into the portfolio process which offers many opportunities to assess a student s performance and growth over time You ll read a brief background and a working definition of the process as well as learn how portfolios can be effectively used in any and every classroom You ll find practical suggestions for getting started pointers on how to manage the process and a look at the benefits of portfolio assessment **Portfolio Assessment** Angelo Collins, 1997 Grade level 1 2 3 4 5 6 7 8 9 10 k p e i s t **Assessing Student Portfolios for College Credit** CAEL., Council For Adult Experiential Learning, 2017-01-30 Portfolio assessment is an important strategy that supports retention persistence and adult student success Assessing Student Portfolios for College Credit Everything you Need to Know to Ensure Academic Integrity in Portfolio Assessment unlike many books on higher education that are written with an emphasis on theoretical constructs without concrete examples includes actual student portfolios and discusses how to effectively assess students portfolios The author Dr Leader Kelley also addresses the myths that have grown up around prior learning assessment allaying the fears of faculty and administrators through concrete evidence of the value of using portfolio assessments to help adult students succeed Translating deciphering bridging and or equating what a learner knows and can do in order to receive college credit can be tricky daunting and even overwhelming

Without integrity the process can undermine the value of the credentials it seeks to make accessible At its best the process can provide an academically responsible motivating and meaningful bridge to postsecondary education If taken to scale this process can unleash unrealized talent and light a pathway toward more meaningful personal and professional lives for millions of individuals especially adults with some college and no degree This book provides a valuable resource for a wide range of individuals Administrators and practitioners will benefit from the pragmatic and accessible information embedded in the multiple portfolio examples Faculty members can view examples of portfolios that mirror their own syllabi providing evidence of learning through a written narrative and supportive documentation The portfolio examples demonstrate how students meet and exceed the learning outcomes for real college courses Scott Campbell Vice President for Higher Education CAEL **Portfolio Assessment** Richard Krawiec,1997 **Portfolio Assessment Uses, Cases, Scoring, and Impact**
