Thinking Theologically about Language Teaching Cheri L. Pierson, Will Bankston, 2017-08-31 Christians can often overlook the need to bring their daily vocations in accord with the reality created

sustained and purposed through Christ This is no less true for language teachers who find themselves at a difficult interdisciplinary crossroads where the paths of linguistics culture and education merge This challenge should not discourage these educators but instead aid them in their journey to form a pedagogy rooted in theological truths from Scripture one that provides a nuanced approach that glorifies God in a manner specific to the language classroom The contributors of this book outline why and how theology must inform teaching methods so that Christian language educators might better serve their students with both faith and excellence thereby pointing them to the communicative God whose image they bear

Reading the Word of God in the Presence of God Vern S. Poythress, 2016-03-16 Biblical interpretation is typically viewed as concerned with understanding the human author's intended meaning However for Christians the Bible is first and foremost God's Word and must be understood in that light Helping Christians approach the Bible with God in mind this book sets forth a more nuanced approach to biblical interpretation that pays attention to both the human and divine origins of these sacred texts Whether it's reviewing the three basic steps of interpretation or emphasizing the importance of paying attention to the Christ centered character of both the Old and New Testaments this book is a much needed resource for the church as it wrestles to defend the authority of Scripture in our increasingly relativistic world

Maranatha! Our Lord Is Coming! David Brackemyre, 2018-11-05 The promise of Christ's return should have a controlling effect on the life of every Christian A close New Testament study reveals the Messianic promise to be the

foundation and focus of the first century church Like them we should always be prepared to give an answer for the hope we have It is a subject of every book except Philemon and 3 John Maranatha Our Lord Is Coming moves from Matthew to Revelation citing a multitude of verses more than we realize adding insight and commentary and calling us to a life reflecting our sole dependence on God s faithfulness The inspiration for this book is the faithful witness and perseverance of the persecuted church They may undergo significant suffering yet they know one day Christ will return with his rewards We should exhibit that same faithfulness and perseverance based on the same promise After reading Maranatha Our Lord Is Coming a believer will have an increased awareness and knowledge of Christ s promised return understand more than before the foundation of our faith and the hope on which it is built be convicted to express his or her faith based on this blessed truth Maranatha Our Lord Is Coming has a study guide for each chapter The study will require introspection It will ask us to examine our own life and come to a conclusion regarding the applicability of truth Once we internalize the singular hope that is found only in God s faithfulness to one day send his son we will rise above the trappings of this world and live according to the hope of the world to come May God richly bless you in your pursuit of this marvelous promise
