Navigating The Badlands Thriving In The Decade Of Radical Transformation:

Navigating the Badlands Mary O'Hara-Devereaux, 2004-08-12 In this groundbreaking book Mary O'Hara-Devereaux an internationally renowned business forecaster shows how organizations can hone their competitive edge during these uncertain times Using the metaphor of traveling through the badlands of the American West *Navigating the Badlands* offers the principles tools transformative strategies and essential understanding executives and business leaders need if they are to weather the rugged global business landscape of the future Throughout the book O'Hara-Devereaux reveals how business leaders can seize the opportunity to create new value from successful alliances reach global markets and find top talent

Engaging the Gadfly Casey T. Sigmon, 2025-06-09 In 2020 most preachers and congregations were forced into online and hybrid preaching We had to react quickly For some this adventure opened creative forms of preaching stitches duets reels and VR For others it was a season of just getting by cell phones propped up on books laptops on dining room tables We did what we could to proclaim the good news in turbulent times Five years later Sigmon invites preachers and congregations to reflect on those experiences as they consider the future of preaching She helps the reader engage the Gadfly whose buzzing signals a shift in how we understand relationships truth presence and place in this digital age Sociologists and historians argue that we are now on the brink of a shift in communication as transformative as the invention of the printing press No wonder ministry is so challenging right now Ultimately this digital age like previous ages of technological change presents problems and possibilities to the practice of preaching and so ecclesiologically the shape of the church What shapes will emerge Sigmon will empower preachers and congregations to answer that question for themselves through a new media homilecclesiology
