Navigating The Marital Journey Map A Corporate Support Program For Couples:

Navigating the Marital Journey Gary L. Bowen, 1991-10-16 This volume presents a field tested enrichment program MAP to help married couples maximize their relationship potential MAP is a metaphor for a planned and systematic change effort for helping spouses chart and navigate toward desired individual and collective goals A key component of the program which is tailored to the corporate sector is assistance to couples in forging a more productive and supportive work and family partnership that will help them achieve their marital ambitions The program is built upon an explicit consideration of family related values and is undergirded by a theoretically and empirically based conceptual model the Value Behavior Congruency Model Although the enrichment program provides the organizing theme the core of the book is directed toward providing theoretical and empirical support for the Congruency Model and linking the development and implementation of the program with trends in corporate America today Two data sets are used to test the critical assumptions that form the basis of the model The first involves 48 married couples from two posts in the U S Army where one or both spouses were members of the Army the second involves a sample of 34 couples from a Fortune 500 corporation in the northeastern United States in which MAP was first field tested Taken together the contents of this book represent an attempt to integrate theory research and practice in the development and grounding of the enrichment program Although such attempts are recognized as important tasks in the behavioral and social sciences segregation rather than integration of these three domains has been the rule rather than the exception in the literature This volume should be especially relevant to the growing number of marital enrichment specialists who are looking for more theoretically and empirically grounded support programs especially those that have been field tested in the expanding market of workplace programs for employees and their families It should be a valuable resource for senior managers and human resource professionals in both the private and public sectors who want to strengthen the organizational support for employees and their families

Handbook of Marriage and the Family Marvin B. Sussman, Suzanne K. Steinmetz, Gary W. Peterson, 2013-06-29 To know where we are going as scholars educators and practitioners in the field of marriage and family life we first need to know where we have been A perusal of early texts on marriage and family life provides some thought provoking insights into the accuracy of the saying what goes around comes around It is interesting to note who has been considered to be in a position to provide information on marriage and family life Included in the eclectic collection of texts we reviewed were ministers whose focus was on spirituality doctors who emphasized medical aspects of child and adult health and public health professionals and home economists concerned with fighting disease who emphasized cleanliness order fighting germs and eliminating rodents and insects There are also philosophers who drew from ancient texts when discussing family life and a count who assembled a group of German intellectual elites to address various topics An insightful essay of this type is by Marta Karlweis 1926 in which she notes There is no other fetish that society holds to so firmly as the conception woman with all its usual associations of infantilism and dependence The child requires protection is a minor and consequently a serf but above all it possesses no spiritual existence Neither doctorates or other distinctions nor the right to vote have as yet been able to dispel this sweet idea of the childishness of woman which man cherishes p
