**The Complete History of the Vietnam Conflict (Le Comédie Vietnamien)** V. I. Brown,2011-03-18 SUMMATION OF A POPULAR WAR Author V I Brown wrote this memoir from authority He grew up with the war participated as a member of the military and then observed its aftermath He provides a penetrating chronological examination of the wars policies politics judicial decisions public opinion and reflection in the popular culture As he examines such complex topics as anti war sentiment dissent within the military and the galvanizing of the clergy against the war Brown offers an in depth glimpse into the turmoil and emotions spawned by the war that gripped the nation for over a decade Herein one will find a more complete chronological examination of the Vietnam Conflict than has previously been available All of the factors which compelled the U S to intervene in a foreign civil war are spelled out in vivid detail from the wars inception to its termination Also examined is the climate within the national and international communities which led up to the conflict This book details how the war was an exercise in deception in futility in the power of ego and also a lesson in how the U S contradicted its own ideals Further the author affirms what others including CBS News and The New York Times contended during and after the conflict that the government almost continually promulgated deceptive information in order to justify continued pursuit of the war In the end

the reader will comprehend that it was all for nothing and indeed that the former enemy earned what a U S President wanted for Vietnam Herein one will further observe the wars impact on the lives of the many players in the comdie both major and minor who were elevated to the stage of one of the great events of history The degree to which the war reverberates in U S society is also examined in detail As of this writing the war is still in the national consciousness      **Navy Seals** Kevin Dockery,2005-01 Dockery has compiled the most in depth revealing history of the Navy SEALs a contraction of Sea Air Land from their roughshod haphazard origins in such groups as the daring Underwater Demolition Teams Scouts Raiders in World War II to the formation of the modern fighting force known as the Navy SEALs Contains in depth exclusive interviews with veteran UDT divers retired SEAL personnel who have witnessed life both under the waves under fire this book chronicles the formation of an elite fighting force unsurpassed in combat on land air sea reveals the nature of those rare men who make up the finest fighting force in the world SEALs Illustrated with archival photos throughout      **A Visual History of Soldiers and Armies Around the World** Alberto Moreno de la Fuente,2016-12-15 This intriguing book brings young readers into some of the greatest battles in history They can walk alongside some of the mightiest armies ones that shaped the world they know today They will walk in the shoes of the Roman legionnaire and the Mongol rider the Christian knight and the Sioux warrior the Japanese samurai and the Navy SEAL They will learn about the origin of armies in ancient times and the army of the future Captivating illustrations bring readers further into this world and offer a unique perspective on history      **The War on Terror Encyclopedia** Jan Goldman Ph.D.,2014-10-07 This fascinating reference chronicles the individuals operations and events of the War on Terror around the world exploring its causes and consequences through the lens of policy doctrine and tactics of combat The War on Terror is more than a political movement to identify and prosecute terrorists it has become a cornerstone of economic and military importance This campaign has shaped policy in the Middle East prompted uprisings of Islamic fundamentalists against the West and redefined the ideology of warfare This single volume encyclopedia provides readers with more than 200 engaging entries on the myriad events key individuals and organizations that have played a major role in the War on Terror The A Z entries define the policies and doctrines describe the armies battlefields and weapons employed and profile the figures whose actions and decisions set the course of history The expert contributors decode military jargon for non specialist readers and explain the unconventional tactics used in the War on Terror shedding light on the reason behind the attacks the political maneuvering of the leaders involved and the internal conflicts and external clashes that drove terrorists to settle all over the world The book also includes detailed essays on the impact of the September 11 attacks on U S foreign policy presidential powers and public opinion      **The Teams** Kevin Dockery,Bill Fawcett,1998-02-18 In Hunters and Shooters fifteen Navy SEALs told their harrowing stories of fighting guerilla style warfare in the jungles of Vietnam Legendary in battle the SEALs trained to fight on Sea Air and Land were founded in 1962 to fight terrorism specializing in unconventional combat techniques like diving demolition and parachuting Now in The

Teams six SEALs recount how the program got started including their excruciating training sessions first missions and amazing stories for Vietnam showing how they became one of the most effective special military forces in the world Richard Brozak takes readers through the rigorous courses the SEALs took where he lived off the land in the frozen Canadian Wilderness Jack Rowell describes covering for his platoon chief in the midst of fierce cross fire during a mission to capture a VC commandant and James Tipton recipient of three Purple Hearts recalls barely escaping in an assault boat while under heavy fire in Vietnam The secret to the SEAL mystique is perhaps best summed up by Brozak who characterized the SEALs as men who knew how to keep going through almost anything without giving a thought to quitting U.S. Naval Special Warfare Forces Sandra Donovan,2004-10-01 The most well known Navy Special Forces Unit is the Navy SEALs This stands for Sea Air and Land and means that they are highly trained to fight in any terrain They go through very intense training and perform specialized missions that involve spying rescuing other soldiers or civilians or taking out a specific target Some of these missions are so secret that the soldiers themselves don't even know what part of the world they are going to Learn more about these elite soldiers in this informative book **Navy SEALs in Action: Training, Tactics, and Techniques** Pasquale De Marco,2025-07-25 The United States Navy SEALs are the elite special operations force of the United States Navy They are trained to conduct a variety of missions including direct action special reconnaissance counter terrorism and foreign internal defense SEALs are known for their physical and mental toughness as well as their ability to operate in a variety of environments In this book we will take a close look at the history training equipment and tactics of the Navy SEALs We will also explore the role that SEALs have played in some of the most important conflicts in recent history What You Will Learn The history of the Navy SEALs The training that SEALs undergo The equipment that SEALs use The tactics that SEALs employ The role that SEALs have played in recent conflicts Why You Need This Book If you are interested in the Navy SEALs then this book is for you This book is packed with information about the training equipment and tactics of the SEALs You will also learn about the role that SEALs have played in some of the most important conflicts in recent history Bonus Content In addition to the main content of the book you will also get access to bonus content including Interviews with current and former SEALs Videos of SEALs in action A gallery of SEAL weapons and equipment Order Your Copy Today Don't wait any longer to learn more about the Navy SEALs Order your copy of Navy SEALs in Action Training Tactics and Techniques today About the Author Pasquale De Marco is a former Navy SEAL who served in a variety of roles including as a sniper and a combat medic He is the author of several books on military history and tactics If you like this book write a review
