

Here my handprints are done
For everyone to view
I had so much fun
Doing this for you
So look upon this handprint plaque
Hanging on your wall
And memories will come back
Of me when I was small

Devyn

Near At Hand Poems

James Whitehead

Near At Hand Poems:

Near at Hand James Whitehead, 1993 James Whitehead's third volume of poetry *Hear at Hand* is a compelling collection of meditative and narrative poems. A master at weaving colloquial language into polished lines, Whitehead always evokes a sense of place in his poems. They are peopled by vivid authentic characters: a district attorney, a judge, a country music star, a college traveler, the poet himself among others. Herein are love poems, elegies, satires, and poems that reckon with the question of God. There is obsession and humor and dread, and there is also joy.

History of Provencal Poetry. Tr. with Notes Specimens of Verses in the Original and an Introd. on the Literature of the History of Provencal Poetry

Poems of My Life Laura Corso, 2019-08-30 A book of poetry written by a young woman who was diagnosed with bipolar disorder at 18 and then with Multiple Sclerosis at 30. This compilation of her poetry reflects both the battles she fought mentally and the pain and suffering she endured for 11 years from MS. She was the niece of the late Beat Generation poet Gregory Corso and thereby comes by her love of poetry naturally. Laura passed away at age 41 from MS, but her memory and love of writing will go on. She loved life, family, and her strong Faith kept her spirits alive while her body was failing. She will be missed by all whose hearts she touched through her poetry and her love for them.

Elizabethan Poetry Bob Blaisdell, 2005-01-17 The relative peace and prosperity of the Elizabethan age, 1558-1603, fostered the growth of one of the most fruitful eras in literary history. Lyric poetry, prose, and drama flourished in sixteenth-century England in works that blended medieval traditions with Renaissance optimism. This anthology celebrates the wit and imaginative creativity of the Elizabethan poets with a generous selection of their graceful and sophisticated verse. Highlights include sonnets from *Astrophel and Stella* written by Sir Philip Sidney, a scholar, poet, critic, courtier, diplomat, soldier, and ideal English Renaissance man; poems by Edmund Spenser whose works combined romance with allegory, adventure, and morality; and sonnets by William Shakespeare whose towering poetic genius transcends the ages. Other celebrated contributors include John Donne, *Go and catch a fallen star*; Ben Jonson, *Drink to me only with thine eyes*; and Christopher Marlowe, *The Passionate Shepherd to His Love*. The poetry of lesser-known figures such as Michael Drayton, Samuel Daniel, and Fulke Greville appears here along

with verses by individuals better known in other fields Francis Bacon Queen Elizabeth I and Walter Raleigh whose poems offer valuable insights into the spirit of the age

Fuel your quest for knowledge with is thought-provoking masterpiece, Explore **Near At Hand Poems** .
