Adam Plunkett,2025-02-18 Braiding together biography and criticism Adam Plunkett challenges our understanding of Robert
Frost s life and poetic legacy in a pathbreaking new work By the middle of the twentieth century Robert Frost was the best
loved poet in America He was our nation s bard simple and sincere accompanying us on wooded roads and articulating our
hopes and fears After Frost s death these cliches gave way to equally broad though opposed portraits sketched by his
biographers chief among them Lawrance Thompson When the critic Helen Vendler reviewed Thompson s biography she
asked whether anyone could avoid the conclusion that Frost was a monster In *Love and Need The Life of Robert Frost s*
Poetry Adam Plunkett blends biography and criticism to find the truth of Frost s life one that lies between the two poles of
perception Plunkett reveals a new Frost through a careful look at the poems and people he knew best showing how the
stories of his most important relationships heretofore partly told mirror dominant themes of Frost s enduring poetry

withholding and disclosure privacy and intimacy Not least of these relationships is the fraught intense friendship between Frost and Thompson the major biographer whose record of Frost Plunkett seeks to set straight Moving through Frost s most important work and closest relationships with the attention to detail necessary to see familiar things anew Plunkett offers an original interpretation of Frost s poetry tracing Frost s distinctive achievement to an engagement with poetic tradition far deeper and more extensive than he ever let on Frost invited his readers into a conversation like the one he sustained with his literary forebears intimate and profound yet Frost kept his private self at a remove Here Plunkett brings the two together the poet and the poetry and draws us back into conversation with America s poet **Sale Catalogues** American Art Association, Anderson Galleries (Firm),inc American art association Aderson galleries,1920 *Catalogue of the Library of Association, and the Autograph Collection of E.C.
