Okumenische Existenz Heute 1:

Ökumenische Hermeneutik Martin Hailer, Elisabeth Maikranz, Friederike Nüssel, 2023-06-23 ökumenische Hermeneutik wurde und wird sowohl durch programmatische Konzepte wie etwa Einheit in Verschiedenheit ökumene der Profile oder geistliche ökumene als auch durch das Ziel der sichtbaren Einheit oder Versöhnung orientiert Braucht es solche Konzepte oder sind sie eher hinderlich Die in diesem Band versammelten Beiträge vermessen und reflektieren den Stand der interkonfessionellen und interreligiösen ökumene Dabei werden zum einen die Chancen und Grenzen der Lehre und Konsens ökumene und das hermeneutische Potenzial des Postkolonialismus bedacht zum anderen theologische Perspektiven im jüdisch christlichen und im muslimisch christlichen Dialog eröffnet Der Band dokumentiert die akademische Feier und das Symposium zum Gedenken an Dietrich Ritschl 1929 2018 der von 1983 bis 1996 das ökumenische Institut der Universität Heidelberg geleitet hat Mit Beiträgen von Arne Bachmann Fernando Enns Uwe Grube Martin Hailer Stephen J Hamilton Elisabeth Hartlieb Achim Hofmann Gesine von Kloeden Ulrike Link Wieczorek Elisabeth Maikranz Barbara Meyer Friederike Nüssel Rudolf von Sinner Thomas Wabel Jonathan Wieder und Wolfram Weidmann Ecumenical Hermeneutics Latest Developments Shortcomings and Perspectives In memoriam Dietrich Ritschl 1929 2018 Ecumenical hermeneutics has been oriented both by programmatic concepts such as unity in reconciled diversity ecumenism of profiles or spiritual ecumenism as well as by the goal of visible unity or reconciliation The question remains as to whether these concepts continue to be helpful ecumenically or whether they are ultimately a hindrance to ecumenical progress The contributions gathered in this volume survey and reflect on the current state of ecumenical and interreligious dialogue On the one hand they consider opportunities and limitations of ecumenical conversations on divisive doctrinal issues as well as the hermeneutical potential of post colonial studies on the other hand the essays treat various theological perspectives in Jewish Christian and Muslim Christian dialogue This volume documents the academic celebration and symposium in memory of Dietrich Ritschl 1929 2018 who served as director of the Ecumenical Institute at Heidelberg University from 1983 to 1996 **Essays on the Real Church** Dirk J. Smit, 2024-08-15 The spirit of the Reformation is often expressed in the well known slogan that Reformed churches are always being reformed according to God's Word *ecclesia reformata semper reformanda secundum verbum Dei* Over the last century the spirit of this slogan motivated someone like Dietrich Bonhoeffer to argue that the visible form and life of the church should reflect the truth and message of the church Already in his doctoral dissertation called *Sanctorum Communio* the communion of the saints the young Bonhoeffer combined theological claims and traditions with social theory and analysis in this spirit in an innovative way to study the nature and integrity and witness of the church At the time this was a radical claim with major consequences and challenges for Protestant churches Their life which meant their order structure actions statements convictions public presence and role was to be measured by their gospel which meant their message proclamation convictions claims They could no longer proclaim one truth yet live a different life It was this spirit which led to

the well known Theological Declaration of Barmen in 1934 and to the formation of the Confessing Church in Nazi Germany. Many called this a moment of truth a status confessionis. It was this same spirit which later inspired the struggle in South Africa for the integrity and faithfulness of the church and for the credibility of its message proclamation and witness. The contributions in this volume 52 papers essays sermons studies were all produced in this spirit. Most of them have not been published before. They were all occasional pieces written over several decades in different contexts and for different purposes and audiences yet they all breathe this self critical spirit of the Reformation considering whether the real church the concrete every day actual living church that people know and experience and perhaps belong to truly strives to embody the gospel itself the message which it claims and proclaims. They all inquire under different circumstances and in diverse ways about different social forms of the real church from worship to congregation from denomination to ecumenical church from individual believers to movements and organisations whether and how they embody the truth of the church or not. Together these contributions tell a story the story of this spirit in South African circles over several decades but also in the ecumenical church in our globalizing world. They offer one small glimpse into different concrete moments in the story of this spirit in the life of this tradition and community of faith. Hopefully some of these accounts may resonate with others who also shared the same spirit and still share it today in new and ongoing ways.

Ambassadors of Reconciliation Geoff Hartt, Michael A. Ortiz, Manuel Böhm, 2023-08-15. Reconciling Practice and Theology. What does reconciliation have to do with the work of missions. In today's conflict ridden world the concept of reconciliation has gained traction and Christian missions is being rethought. The whole world cries out for holistic transformation with eternal value and God's people are called to be his ambassadors. Ambassadors of Reconciliation lays the groundwork for exploring a new paradigm for missions. Divided into three parts the book first establishes the theological foundations of reconciliation. The second part then shows how theory and practice go hand in hand. Finally the third part uses case studies to highlight the importance of understanding brokenness conflict and culture for effective ministry in reconciliation. The contributors challenge readers to consider the church's role in God's mission and how every Christian can become an envoy of his restoration work. They emphasize the spiritual dimension of reconciliation and offer practical guidance for effectively engaging in ministry. Whether you are a missionary pastor or someone interested in promoting restoration in the world this book provides valuable insights and tools for your journey.

Beyond "Holy Wars" Christoffer H. Grundmann, 2014-04-23. The 9/11 al Qaeda attacks on the U.S. in 2001 shocked the world not only because of their viciousness but also because of the disillusionment that holy wars are a phenomenon of the past. Holy wars rather are a reality in today's world too threatening

global peace like never before In this volume Christoffer Grundmann pleads for the cultivation of religious literacy and interreligious dialogue First he attempts to regain an adequate understanding of religion by showing the incompatibility of abstract concepts of religion with religions actually lived So Grundmann suggests perceiving religion as the lived relationship toward an Ultimate Given that interreligious dialogue is communication about diverse ways of relating to the Ultimate the religiously embedded primarily Jewish philosophy of encounter and dialogical thinking with its personalistic nature comes into focus here as uniquely suited for such communication Even though interreligious encounter implies risk Christians cannot but engage in it fearlessly says Grundmann because they trust that the risen Christ will reveal himself anew as the one he really is wherever and whenever Christians take part in dialogue with people of other faiths **Family in Mission**

Johannes Reimer,2020-06-30 Innumerable books have been written about successful outreach and evangelism yet almost none address the centrality of the family as God s intended vehicle for experiencing life community and growth In this timely and powerful book Johannes Reimer urges us to rediscover the family as a primary agent for mission in the world Offering both a theological and practical foundation for understanding the role and significance of families in the vocation of the church this book also provides creative ideas for implementing a family centered praxis that offers preparation and support to families living out their calling to make Christ known To ignore the family Reimer warns is to ignore the church s greatest resource for transmitting truth communicating love and embodying the gospel If we are to be effective in making disciples of all nations we must start in our own homes **The Encyclopedia of Christianity, Volume 1 (A-D)** Erwin Fahlbusch,Jan

The Present and Future of Evangelical Mission

Narry F. Santos, Xenia Ling-Yee Chan, 2022-07-15 Crisis is an invitation to both prophetic evaluation and new imagination In this volume Canadian missiologists and practitioners consider the past and how the past might enable the church to move forward in Christian mission in the academy agency assembly and the agora How can the Canadian church welcome different voices from the periphery What must be done to empower the next generation How can we respond in light of the injustices done to our Indigenous brothers and sisters Where does reconciliation fit into the picture How might we navigate between secularization and fundamentalisms How ought we move together in mission and in unity across denominational difference How can we equip laypeople to live their callings faithfully in the agora How can work in the marketplace be ministry And lastly how is the Spirit at work in our contexts in this day and age These questions among others onboard us into the ongoing conversation about the state of evangelical mission in Canada and each of these essays adeptly lead us into the beginnings of answers to these questions These essays address how the past informs our future and how we might answer the prophetic call with both hope and renewed vigor to participate in the mission of God

Diakonie und Verkündigung Frieder Schaefer, 2014-05-06 Wie kann das Verhältnis von Diakonie und Verkündigung so bestimmt werden dass sich beide Bereiche sinnvoll ergänzen Eine Trennung der Arbeitsfelder wie sie in der Praxis oftmals anzutreffen ist erscheint nicht länger als tragfähig Der Verfasser bringt als These in die Diskussion ein Gemeinschaftsbildungsermöglichendes bergreifendes Bezugsrahmen eine neue Zuordnung beider Arbeitsfelder

Diese werden in historischer und theologischer Perspektive untersucht, ebenso werden Folgerungen für die Praxis der Entwicklungszusammenarbeit gezogen. Besonders im Blick auf die Verbindung von diakonischer Arbeit mit Verkündigung bietet das Buch viele weiterführende Impulse für Kirche, Verbände, Diakonie und Entwicklungszusammenarbeit.

Missio Politica Johannes Reimer, 2017-11-14. Evangelical Christians in many countries shy away from politics. And yet, especially with the rise of the Pentecostal and charismatic movements, the interest and involvement in political activity is becoming a daily reality in evangelical circles. At the same time, evangelical politicians are not exempt from scandals of corruption and complaints of ineffectiveness. Are Christians unable to do better politics than others? Are they less prepared? Is even the whole political involvement of Christians under question? In this book, Dr. Johannes Reimer explores the answers to these questions by articulating a theology of the church's political mission. The church is not a political party, but as God's ecclesia, it has a prophetic voice and is called out of the world to take responsibility for the world.

Evangelisation Michael Herbst, Andreas C. Jansson, David Reißmann, Patrick Todjeras, 2024-02-23. Dieses Grundlagenwerk zum Thema Evangelisation wird im deutschsprachigen Raum maßgebend setzen. Es will Grundlagen der Evangelisation benennen und zum konstruktiv-kritischen Diskurs einladen. In drei Teilen nähern sich die Autoren dem spannungsreichen Thema. Zum Ersten werden zur Orientierung grundlegende Klärungen geboten. Begriffsgeschichtliche, exegetische, praktisch-theologische und missionstheologische Perspektiven werden eingenommen. Zum Zweiten geht es um Vertiefungen. Neben systematisch-theologischen und missionswissenschaftlichen Zusammenhängen wird eine praktische Theologie der Evangelisation vorgestellt. Und zum Dritten wird eine Rekontextualisierung des Evangelisationsbegriffs als Frohbotschaften unternommen. Dabei wird der Begriff Evangelisation unter verschiedenen Gesichtspunkten, darunter genealogische, poststrukturalistische und onomatologische, betrachtet. Ebenso wird explorativ Evangelisation im digitalen Raum erkundet.

Evangelism: Theological Foundations, Approaches and Perspectives. This publication on evangelism will set standards in the German-speaking world. It aims to identify the essentials of evangelism and wants to invite constructive and critical discourse. The authors approach this exciting topic in three parts. First, they offer basic clarifications for orientation. Conceptual, historical, exegetical, practical, theological and missiological perspectives are taken. Secondly, it is a matter of deepening. In addition to systematic theological and missiological contexts, a practical theology of evangelism is presented. And thirdly, a re-contextualization of the concept of evangelization as good news is undertaken. In doing so, the term evangelism is considered from various points of view, including genealogical, poststructuralist and onomatological. Likewise, evangelism in digital space is explored.
