Old Los Angeles and Pasadena in Vintage Postcards C. Milton Hinshilwood, Elena Irish Zimmerman, 2001-02-15

Covering the history and geography of Los Angeles and Pasadena between 1900 and 1950 the collection of over 200 vintage postcards compiled in this new volume offers a unique glimpse into turn of the century southern California As communication by postcards became popular in the late 19th century those who received them were offered a rare view of the right here right now aspect that only postcard photography could offer From the earliest images of the Angels Flight in Los Angeles to the Tournament of Roses parades gliding down Colorado Street the authors celebrate the history of these two beautiful cities through the personal medium of vintage postcards *Pasadena in Vintage Postcards* Marlin Heckman, 2001-02-15 The

postcard has been a popular part of American communication for over a century documenting both the interest of a place and its history Captured here in nearly 200 vintage postcards is the unique history of this California town translated in Chippewa as Crown of the Valley The City of Pasadena just north of Los Angeles sits against the majesty of the Sierra Madre mountain range Incorporated in 1885 the city was originally known as a resort city filled with tourists from all over the world

Showcased here through the use of the author s personal postcard collection are vintage images of Millionaires Row the Tournament of the Roses Parade the Mt Lowe Railway and the Alpine Tavern **Imperial** William T. Vollmann, 2009-07-30

From the author of Europe Central winner of the National Book Award a journalistic tour de force along the Mexican American border a finalist for the National Book Critics Circle Award For generations of migrant workers Imperial Country has held the promise of paradise and the reality of hell It sprawls across a stirring accidental sea across the deserts date groves and labor camps of Southeastern California right across the border into Mexico In this eye opening book William T Vollmann takes us deep into the heart of this haunted region exploring polluted rivers and guarded factories and talking with everyone from Mexican migrant workers to border patrolmen Teeming with patterns facts stories people and hope this is an epic study of an emblematic region *Santa Barbara in Vintage Postcards* Marlin L. Heckman, 2000-04-03 From the 1890s

through the 1920s the postcard was an extraordinarily popular means of communication and many of the postcards produced during this golden age can today be considered works of art Postcard photographers traveled the length and breadth of the nation snapping photographs of busy street scenes documenting local landmarks and assembling crowds of local children only too happy to pose for a picture These images printed as postcards and sold in general stores across the country survive as telling reminders of an important era in Americas history This fascinating history of Santa Barbara California showcases more than 200 of the best vintage postcards available [Real Photo Postcard Guide](#) Robert Bogdan, Todd

Weseloh, 2006-09-21 The Real Photo Postcard Guide is an informative comprehensive and practical treatment of this wildly popular American phenomenon that dominated the United States photographic market during the first third of the twentieth century Robert Bogdan and Todd Weseloh draw on extensive research and observation to address all aspects of the photo
