Bibliotheca Vinaria André Louis Simon, 1913 **Tourism, Performance, and Place** Jillian M. Rickly-Boyd, Daniel C. Knudsen, Lisa C. Braverman, 2016-02-24 Drawing upon theories of landscape and performance this work weaves together existing tourism literature with new scholarship to forge a geographically informed theory of tourism Such a theory integrates the ways in which places are co-produced, circulated, interpreted, experienced and performed for and by tourists, tourism boards and even as everyday spaces Bringing together theories of ritual, Peircean semiotics, ideology and performance the authors blend the often separate literatures of tourism sites and touristic practices Whereas most tourism texts focus on a part of the tourism equation the tourism site or the tourist experience a geographic theory of tourism brings these constituent parts together in thinking about notions of place Place processes are central to geography as well as tourism studies because tourism facilitates encounters with distinct locations As this book argues considering tourism as performative draws disparate areas of tourism theory together to better understand the ways tourism happens in and across places Who Owns Whom, 2002 **The Rough Guide to Dorset, Hampshire & the Isle of Wight** Amanda Tomlin, Matthew Hancock, 2013-01-17 The Rough Guide to Dorset Hampshire the Isle of Wight is the ultimate travel guide to these beautiful and diverse regions of southern England With detailed coverage of all the top attractions you'll discover the hidden gems of the New Forest and South Downs National Parks and find the best beaches on the Isle of Wight and along the stunning south coast which includes the famous Jurassic Coast The guide features practical advice on what to see and do with up to date reviews of the best hotels, bars, clubs, shops and restaurants for all budgets The Rough Guide to Dorset
