Exodus 18

Noppawat Kumpeeroskul, 2024-07-05 This work argues that Exod 18:1-27 functions literarily and theologically as the key transitional midpoint in the Exodus narrative As such the chapter's function is both retrospective recalling key features of chapters 1-17 and prospective anticipating key features of chapters 19-40 at the midpoint of the book In the Exodus narrative the character of Jethro is rhetorically employed by the narrator as a model to contrast with all the nations and as a model to

contrast with all the faithless Israelites Exodus 18 draws to a close a first narrative movement in the first half of the book in which Yahweh is seen and known through his mighty acts of deliverance Through Moses Yahweh delivers Exodus 18 also signals a shift in the second half of the book to a self revelation of Yahweh which will feature Israel s need to heed the word and will of Yahweh as mediated through Moses Through Moses Yahweh will govern *Methods for Exodus* Thomas B. Haynes,Steven L. McKenzie,1999-01-01 This volume introduces the reader to the most important methods of biblical criticism It serves as an indispensable handbook for the work of

students approaching biblical studies for the first time and for the professional interpreter of scripture who wants to understand the latest currents in biblical scholarship **Inconsistency in the Torah** Joshua A. Berman, 2017-06-12 Rather than viewing inconsistencies in the Torah as signs of revision this book identifies precursors for these phenomena in ancient Near Eastern writings It claims that Enlightenment and German historicist influences corrupted critical study of the Bible and calls for a return to the more modest agenda set out by Spinoza **Re-thinking the Day of YHWH and Restoration of Fortunes in the Prophet Zephaniah** Michael Ufok Udoekpo, 2010 The prophecy of Zephaniah is a compendium of prophetic thoughts on the nature of YHWH's relationship with His people This research critically builds on past scholarships and exegetically demonstrates the thematic literary and theological relationships of Zeph 1 14 18 and 3 14 20 with the rest of the Twelve Minor Prophets Deuteronomistic History and with Psalm 126 and insists on Zephaniah's creative and unique understanding of God His judgment and saving roles Taking the judgment and wrath narrative in Zeph 1 14 18 as its pericope of exegetical departure the author diachronically and synchronically studies in detail the contents meaning relevance and the theological values of Zephaniah's Day of YHWH to all cultures and religious communities In particular he emphasizes the fuller and salvific notion of a God who not only judges intervenes in human history punishes sinners but loves shows mercy rewards saves inspires hope and restores the fortunes of the remnant who repents Zeph 3 14 20 **Dictionary of the Old Testament: Pentateuch** T DESMOND ALEXANDER, DAVID W BAKER, 2020-05-21 The Dictionary of the Old Testament Pentateuch is the first in a four volume series covering the text of the Old Testament Following in the tradition of the four award winning IVP dictionaries focused on the New Testament and its background this encyclopedic work is characterized by close attention to the text of the Old Testament and the ongoing conversation of contemporary scholarship In exploring the major themes and issues of the Pentateuch it informs and challenges its readers with authoritative overviews detailed examinations and new insights from the world of the ancient Near East The Dictionary of the Old Testament Pentateuch is designed to be your first stop in the study and research of the Pentateuch on which the rest of the Bible is built **Ezekiel's Message of Hope and Restoration** Hei Yin Yip, 2021-04-19 The first twenty four chapters of the book of Ezekiel are characterised by vehement declarations of judgement This observation leaves the impression that Ezekiel 1 7 is devoid of references to hope and restoration However there is a redactional stratum in this section that supplemented the texts with material that conveys restoration and hope for the future In Ezekiel 1 7 many of these additions focus on priestly topics The motif of restoration in the redactional material of Ezekiel 3 5 is expressed by the reinstatement of Ezekiel in his priestly role This editorial emphasis on Ezekiel as priest in the redactional material suggests that the redaction was influenced by Zechariah 3 a text that depicts the reinstitution of the exiled Zadokite priesthood Moreover the redactional material of Ezekiel 6 7 drew inspiration from the Law of the Temple in Ezekiel 43 46 as the redactors sought to enhance Ezekiel's priestly role The study provides new insights into how redactors who may have been associated with the Zadokite

priesthood inserted the message of hope and restoration into the literary unit Ezekiel 1-7 during the post exilic period
