man's ways and wants all men to come to know the truth Christ himself A man can be a Messianic Jew a Hindu Sadhu as was Sadhu Sundar Singh or a Messianic Muslim So often our faith is culture bound we have often interpreted the Bible from a cultural perspective and not seen the God who relates to all men He does not want a Western form of Christianity to be imposed upon others In Genesis 2 v 18 20 we have the cultural mandate that man was to rule over the earth and create his own society Most Muslim converts go back into Islam not because of a failure to be enamored by Christ but because of a loss of their identity and unacceptance by the Christian community Few understand the forces that are at play within all of us Ron George has been involved in missions in the Islamic world for over 44 years He has written widely on the subject traveled to over 30 lands and met with Muslim leaders to try to understand their points of view His views come out of a serious study of the Islamic peoples and the Qur'an a love for those peoples and an appreciation of their roots He takes what well known missiologists present and brings them to their logical conclusion in evaluating Muslim Christian understandings He feels that only the eyes of love can fully appreciate the task of communicating Christ to Islamic peoples building upon what they have and not destroying what God has already started He sees that in trying to understand others leads to better understanding our own faith This is a book about new beginnings in understanding Muslims and adds to that process **The Path of Life**
