Paths To Victory A History Tour Guide Of:

Paths to Victory Jim Miles, 1991 The fourth volume in The Civil War Campaign Series covers every aspect of the campaigns in central and southeastern Tennessee and northwestern Georgia Includes a tour guide Illustrated and indexed A History Book Club selection **Air University Library Index to Military Periodicals** , 1996 Confederate Combat Commander Lawrence K. Peterson, 2013-11-01 Known as one of the most aggressive Confederate officers in the Western Theater Brigadier General Alfred Jefferson Vaughan Jr is legendary for having had eight horses shot out from under him in battle more than any other infantry commander Union or Confederate Yet despite the exceptional bravery demonstrated by his dubious feat Vaughan remains a largely overlooked Civil War leader In Confederate Combat Commander Lawrence K Peterson explores the life of this unheralded yet important rebel officer before during and after his military service A graduate of Virginia Military Institute Vaughan initially commanded the Thirteenth Tennessee Infantry Regiment and later Vaughan s Brigade He served in the hard fought battles of the western area of operations in such key confrontations as Shiloh Perryville Stones River Chickamauga Chattanooga and the Atlanta Campaign Tracing Vaughan s progress through the war and describing his promotion to general after his commanding officer was mortally wounded Peterson describes the rise and development of an exemplary military career and a devoted fighting leader Although Vaughan was beloved by his troops and roundly praised at the time in fact negative criticism of his orders battlefield decisions or personality cannot be found in official records newspaper articles or the diaries of his men Vaughan nevertheless served in the much maligned Army of Tennessee This book thus assesses what responsibility if any Vaughan bore for Confederate failures in the West While biographies of top ranking Civil War generals are common the stories of lower level senior officers such as Vaughan are seldom told This volume provides rare insight into the regimental and brigade level activities of Civil War commanders and their units drawing on a rich array of privately held family histories including two written by the general himself Lawrence K Peterson a retired airline pilot worked as a National Park Service ranger and USAF officer He is the great great grandson of Brigadier General Alfred Jefferson Vaughan Jr Forging a New South Maury Nicely, 2023-05-19 On the morning of August 21 1861 John T Wilder a brash young colonel of a Union mounted infantry unit nicknamed the Lightning Brigade ordered his men to open fire on the city of Chattanooga Tennessee damaging buildings sinking steamboats along the riverfront and injuring men women and children In the midst of Reconstruction and an emerging new South a mere eight years later Wilder was elected mayor of Chattanooga While Wilder is most closely associated with the Lightning Brigade which helped to pioneer the use of both mounted infantry and repeating firearms during the American Civil War his military accomplishments occupied only five years of his eighty seven year life His immense postwar success however left a permanent mark on the industrial development of the war torn South in the second half of the nineteenth century It is the comprehensive picture of Wilder s nearly nine decades that Maury Nicely seeks to capture in Forging a New South The Life of General John T Wilder

For many war heroes there was not much beyond the war worth telling Nicely writes Such was not the case with Wilder A successful entrepreneur and industrialist after the war Wilder relocated to East Tennessee where he created dozens of businesses factories mines hotels and towns was elected mayor of the city he had shelled during the war and cultivated close personal and business relationships with Federal and Confederate veterans alike helping to create a new South in the wake of a devastating conflict Presented in two parts and accompanied by more than sixty detailed photographs and maps Nicely's balanced study fills a significant void the first complete biography of General John T Wilder **Tennessee in the Civil War**, 2014-01-10 The only state designated by Congress as a Civil War National Heritage Area Tennessee witnessed more than its share of Civil War strife This collection taken from primary documents including newspaper accounts official reports journal and diary entries gunboat deck logs and letters offers rare glimpses of the Civil War as it unfolded in the Volunteer State Arranged chronologically from April 1861 to April 1865 the accounts chronicle some of the numerous smaller skirmishes of the war and address a variety of topics critical to the civilian population including health issues politics anti-Semitism inflation welfare commodities speculation refugees African Americans Native Americans and the war's effect on women These informative accounts go beyond the customary emphasis on famous generals and big battles to illustrate how the Civil War impacted the lives of those everyday soldiers and Tennessee citizens whose history has become marginalized **Clear the Track** Phillip J. Reyburn, 2012-08-23 With the air filled with the missiles of death the bluecoats sought the shelter of mother earth and lay flat hugging the wet ground The men were caught in an exposed position and here occurred an incident that would haunt William R Hartpence of the Fifty first Indiana as long as he lived He observed First Lieutenant Peter G Tait of the Eighty ninth Illinois standing a little in advance of his regiment which had intermingled with the Fifty first during the assault With his eyes fixed on the young officer Hartpence watched as Tait was struck by a cannon ball near the center of his body tearing a great hole in the left side As he fell he threw his right arm around to his side when his heart and left lung dropped out into it The heart continued to throb for twenty minutes its pulsations being distinctly seen by his agonized comrades who stood there and saw the noble life fade out in heroic self sacrifice Battle of Nashville December 16 1864 In answer to Lincoln's call for more men to put down the rebellion the several trunk railroads centered in Chicago oversaw the organization of a regiment composed principally of railroad employees Numbered the Eighty ninth Illinois Volunteer Infantry it was better known by the sobriquet the Railroad Regiment Considered one of the 300 hundred fighting regiments of the Union army the Railroaders had 133 men killed in action or later died from wounds Another 66 succumbed in rebel prisons At the final muster Colonel Charles T Hotchkiss said it best Our history is written on the head boards of rudely made graves Such a record we feel proud of And indeed it was PHILIP J REYBURN is a retired field representative for the Social Security Administration With Terry L Wilson he edited Jottings from Dixie The Civil War Dispatches of Sergeant Major Stephen F Fleharty U S A **Morning to Midnight in the Saddle** Otho James McManus, 2012-01-01 Seven days before Lee's

surrender Lieutenant Otho McManus was killed leading a battle charge in Alabama During the previous thirty months the young Midwestern schoolteacher wrote more than a hundred letters His polished writing reflects his hopes ambitions fears war experience and domestic concerns The letters describe his capture while rescuing a wounded cousin a deadly case of friendly fire opinions of officers and war prospects and strong feelings about anti war dissent McManus served in the 123rd Illinois Mounted Infantry This regiment was an integral component of the elite Wilder s Lightning Brigade Wilder s Brigade played pivotal roles in battles and campaigns in Tennessee Georgia and Alabama McManus letters include extended accounts of the battles of Chickamauga Hoover s Gap and Perryville and the Atlanta Campaign among other campaigns battles and skirmishes The editors have supplemented the letters with a detailed chronology of the regiment s movements with an account of explosive political developments in McManus home country and with post war sketches of people mentioned in the letters The editors have also included statistical analyses of the regiment s demographics mortality and desertion rates The commentary is based on hundreds of commanders reports from the Official Records of the War of the Rebellion from dozens of pension and compiles service records from more than a dozen court martial transcripts and from other soldiers diaries and letters

Bayo Holsey,2008-09-15 Over the past fifteen years visitors from the African diaspora have flocked to Cape Coast and Elmina two towns in Ghana whose chief tourist attractions are the castles and dungeons where slaves were imprisoned before embarking for the New World This desire to commemorate the Middle Passage contrasts sharply with the silence that normally cloaks the subject within Ghana Why do Ghanaians suppress the history of enslavement And why is this history expressed so differently on the other side of the Atlantic Routes of Remembrance tackles these questions by analyzing the slave trade s absence from public versions of coastal Ghanaian family and community histories its troubled presentation in the country s classrooms and nationalist narratives and its elaboration by the transnational tourism industry Bayo Holsey discovers that in the past African involvement in the slave trade was used by Europeans to denigrate local residents and this stigma continues to shape the way Ghanaians imagine their historical past Today however due to international attention and the curiosity of young Ghanaians the slave trade has at last entered the public sphere transforming it from a stigmatizing history to one that holds the potential to contest global inequalities Holsey s study will be crucial to anyone involved in the global debate over how the slave trade endures in history and in memory *Tour Guides at Memorial Sites and Holocaust Museums* Anja Ballis,2022-05-23 In this volume contributors reflect on how to teach and mediate difficult history from the

perspectives of guides Too often their activities are undervalued and taken for granted Guides represent an important often forgotten group of educators This volume takes a global view on guiding at memorial sites and museums in Europe North America and South Africa The contributors to this volume show from different research traditions that it is worth understanding more about the guides personal interests their motivations and their concept of guiding Authors apply methodologies from the social sciences to describe the guides point of view Complementing the various approaches in tour guide research a detailed linguistic analysis sheds light on a survivor s testimony echoed in the guides language The studies gathered in this volume open up an orientation for further approaches to tour guiding based on and centered around authentic materials from guides
