Peace Education, 3d ed. Ian M.

Harris, Mary Lee Morrison, 2014-01-10 Now in its third edition Peace Education provides a comprehensive approach to educating for a just and sustainable future It begins with religious and historical trends that have molded our understanding of peace and then presents a variety of ways to practice peace education in schools and communities and explains how it can motivate students The teaching and practice of peace education provides a basis of valuable knowledge about resolving conflicts and transforming violence without the use of force Instructors considering this book for use in a course may request an examination copy here

Violence and Nonviolence Gregg Barak, 2003-02-24 Gregg Barak's Violence and Nonviolence is a thoughtful comprehensive examination of violence in the United States Structurally and conceptually this book works Barak addresses violence in an interdisciplinary way addressing history psychology biology cultural studies and sociology Moreover Barak does an excellent job of discussing the intersection of race class and gender and those relationships with violence Heather Melton University of Utah Clearly the strength of this book is its comprehensive and reciprocal approach I found this to be an enjoyable and provocative book that treats the topic holistically and offers a vision for overcoming current patterns of violence I am convinced that this is an important work that will ultimately be well received by undergraduates graduate students violence specialists and general readers Mathew T Lee University of Akron I think that the strengths of this book are twofold Barak's approach disaggregates violence into interpersonal institutional and structural violence which is very important yet rarely done the latter part of the book explores the pathways to nonviolence an underrepresented area in the study of violence Charis Kubrin Sociology George Washington University I have devoted close to 20 years studying and teaching about violence and I must say that this is a comprehensive book I strongly believe that Barak has done an outstanding review of the extant literature and touches upon key issues of central concern to those of us who are social scientific experts on violence Walter DeKeseredy Ohio University Violence and Nonviolence Pathways to Understanding is the first book to provide an integrative systematic approach to the study of violence and nonviolence in one volume Eminent scholar and award winning author Gregg Barak examines virtually all forms of violence from verbal abuse to genocide and treats all of these expressions of violence as interpersonal institutional and structural occurrences In the context of recovery and nonviolence Barak addresses peace and conflict studies legal rights social justice and various nonviolent movements Employing an interdisciplinary framework Barak emphasizes the importance of culture media sexuality gender and social structure in developing a comprehensive theory of these two separate but inseparable phenomena This innovative and

accessible volume includes Figures tables and illustrations that reinforce important concepts and relationships Introduces a new original theory of reciprocal violence and nonviolence Numerous case studies on violence and recovery throughout the book Chapter summaries and review questions to aid student comprehension Models of nonviolence such as mutuality altruistic humanism positive peacemaking and resiliency Designed to be a core text for graduate and undergraduate courses on violence in criminology sociology criminal justice and social work departments Violence and Nonviolence is also an outstanding supplementary text for violence against women and criminal behavior courses This book will transform the way students and readers think about violence nonviolence and the reciprocal relationship between the two Peace Education from the Grassroots Ian Harris,2013-09-01 Historians often ignore the day to day struggles of ordinary people to improve their lives They tend to focus on the accomplishments of illustrious leaders Peace Education from the Grassroots tells the stories of concerned citizens teachers and grassroots peace activists who have struggled to counteract high levels of violence by teaching about the sources for violence and strategies for peace The stories told here come from the grass roots meaning the educators are close to the forms of violence they are addressing This collection of essays tells how citizens at the grassroots level developed peace education initiatives in thirteen different nations Belgium Canada El Salvador Germany India Jamaica Japan Mexico the Philippines South Korea Spain Uganda and the United States A fourteenth article describes the efforts of the International Red Cross to implement a human rights curriculum to teachers on the ground in the Balkans Iran Senegal and the United States These chapters describe a variety of schools colleges peace movement organizations community based organizations and international nongovernmental organizations engaged in peace education *Healing the Inner City Child* Vanessa A. Camilleri,2007 The contributors draw on their professional experience in school and community settings to describe a wide variety of suitable therapeutic interventions that enable children to deal with experiences of trauma loss abuse and other risk factors that may affect their ability to reach their full academic and personal potentials Violence Issues for Health Care Educators and Providers L. Kevin Hamberger,1997 Co published simultaneously as Journal of Aggression Maltreatment and Trauma v 1 2 1997 Seventeen contributions discuss the problem of violence in the U S how health care workers can improve their skills at identifying assessing and treating victims of violence and prevention efforts at the community state and federal levels Paper edition unseen 24 95 Annotation copyrighted by Book News Inc Portland OR EMSC News ,1998 *Issues in Comprehensive Pediatric Nursing* ,1976 **The Psychology of Terrorism: Programs and practices in response and prevention** Chris E.
