Pathways To Social Class A Qualitative Approach To Social Mobility:

Pathways to Social Class Daniel Bertaux, Paul Richard Thompson, 2006-01-01 Calling for a broader new approach to social mobility research Pathways to Social Class A Qualitative Approach to Social Mobility moves beyond pure statistics to use qualitative techniques such as life stories and family case studies to examine more closely the dynamics of mobility and address more fundamental sociological questions Up to now the extensive sociological literature on mobility has been based around the survey method As a result we have access to abundant statistical data but there is little information available to explain how and why people follow particular life paths To overcome these limitations Bertaux and Thompson have developed an alternative complementary approach using life stories case histories of whole families over several generations or case studies of local communities Employing the case study approach does not prevent the identification of structural trends on the contrary it allows us to analyze those collective processes through their local effects restoring the links with classics of sociological thought Bertaux and Thompson tackle such problems as What exactly is transmitted between generations is it wealth or land occupational models or skills social networks or values and orientations What kinds of assets can immigrants draw on How can a social elite survive the upheaval of a popular revolution What is the impact of marriage on the mobility of men and women How far can belonging to one locality rather than another or choosing a particular house shape mobility paths and aspirations Do dreams of mobility matter This volume promises to inspire other sociologists towards the richly revealing and highly significant findings that a broader based approach to social mobility will enable Daniel Bertaux is the director of research at the Centre d'étude des Mouvements Sociaux of the CNRS and EHESS in Paris His many publications on social mobility and on life stories include Destins Personnels et Structure de Classe and Biography and Society Paul Thompson is a research professor in sociology at the University of Essex His books include The Edwardians The Voice of the Past I Don't Feel Old and The Myths We Live By His is co editor with Bertaux of Between Generations Family Models Myths and Memories

Pathways to Social Class Daniel Bertaux, Paul Thompson, 2017-11-29 Calling for a broader new approach to social mobility research Pathways to Social Class A Qualitative Approach to Social Mobility moves beyond pure statistics to use qualitative techniques such as life stories and family case studies to examine more closely the dynamics of mobility and address more fundamental sociological questions

Pathways to Social Class Paul Richard Thompson, 2023 This text focusing on issues of social class is intended for scholars and students of sociology It covers issues of social stratification and mobility

Migration, Education and Socio-Economic Mobility Nitya Rao, 2014-06-11 The primacy of education in development agendas is unquestioned With the gradual acknowledgement of the potential benefits that migration can hold for development the relationship between migration and education is a growing area of research Migration Education and Socio Economic Mobility explores how the decisions people make in terms of both their migration choices and educational investments mediated as they are by gender class caste and nationality can potentially contribute to earning incomes

building social and symbolic capital or reshaping gender relations all elements contributing to the process of economic and social mobility Much of the existing literature examining the links between migration and education focuses either on the investment of migrant remittances in the education of their children back home or on brain drain that refers to the migration of skilled workers from the developing to the developed world Most of these discussions are firmly rooted in materialist arguments and while undeniably important tend to underplay the social processes through which migration and education interact to shape people's lives identities and status in society Along with economic security people also aspire to social mobility and status enhancement The ideas presented in this book take a more varied and nuanced view of the relationship between education and migration This book was originally published as a special issue of Compare A Journal of Comparative and International Education

Self-Made Men Garth Stahl, 2022-07-14 This book explores how boys from low socioeconomic status backgrounds disengage from their education and are resultantly severely underrepresented in post compulsory education For those who attend university many will be first in their family As first in family students they may encounter significant barriers which may limit their participation in university life and their acquisition of social and cultural capital Drawing on a longitudinal study of young Australian men pursuing higher education the book provides the first detailed account of socially mobile working class masculinities Investigating the experiences of these young men this book analyses their acclimatisation to new learning environments as well as their changing subjectivities The monograph draws on various sociological theories to analyse empirical data and make practical recommendations which will drive innovation in widening participation initiatives internationally This book will be of interest to scholars interested in widening participation transitions social mobility and Critical Studies of Men and Masculinities

Social Beings, Future Belongings Anna Tsalapatanis, Miranda Bruce, David Bissell, Helen Keane, 2019-04-29 Social Beings Future Belongings is a collection of sociological essays that address an increasingly relevant matter what does belonging look like in the twenty first century The book critically explores the concept of belonging and how it can respond to contemporary problems in not only the traditional domains of citizenship and migration but also in detention practices queer and feminist politics Australian literature and fashion technology housing and rituals Drawing on examples from Australia Europe the United Kingdom and the United States each topic is examined as a different kind of problem for the future as a toil an intensity or a promise Ultimately the collection argues that creating new ways to belong in contemporary times means reimagining the traditional terms on which belonging can happen as well as the social itself Read on their own each chapter presents a compelling case study and develops a set of critical tools for encountering the empirical epistemological and ontological challenges we face today Read together they present a diverse imagination that is capable of answering the question of belonging in to and with the future Social Beings Future Belongings shows how belonging is not a static and universal state but a contingent emergent and ongoing future oriented set of practices Balancing empirical and theoretical work this book will appeal to researchers

students and practitioners alike **The SAGE Handbook of Social Research Methods** Pertti Alasuutari, Leonard Bickman, Julia Brannen, 2008-02-25 The SAGE Handbook of Social Research Methods is a must for every social science researcher. It charts the new and evolving terrain of social research methodology covering qualitative, quantitative and mixed methods in one volume. The Handbook includes chapters on each phase of the research process: research design, methods of data collection and the processes of analyzing and interpreting data. The volume maintains that there is much more to research than learning skills and techniques; methodology involves the fit between theory, research questions, research design and analysis. The book also includes several chapters that describe historical and current directions in social research, debating crucial subjects such as qualitative versus quantitative paradigms, how to judge the credibility of types of research and the increasingly topical issue of research ethics. The Handbook serves as an invaluable resource for approaching research with an open mind. This volume maps the field of social research methods using an approach that will prove valuable for both students and researchers.

Cities of Europe Yuri Kazepov, 2011-07-15 *Cities of Europe* is a unique combination of book and CD-ROM examining the effects of recent socio-economic transformations on western European cities. A unique combination of book and CD-ROM examining the effects of recent socio-economic transformations on western European cities. Focuses on the interplay between segregation, social exclusion and governance issues in these cities. Takes a comparative approach by highlighting the specifics of European cities vis-à-vis other urban contexts and analysing the intra-European differences. The CD-ROM features a series of 2 000 photographs from seventeen cities: Amsterdam, Antwerp, Barcelona, Berlin, Birmingham, Brussels, Bucharest, Helsinki, London, Milan, Naples, New York, Paris, Rotterdam, Tirana, Turin and Utrecht. Also features 126 thematic maps, interviews with established scholars and literature reviews. The book and the CD-ROM are linked through an extensive cross-referencing system.

Working and Caring over the Twentieth Century J. Brannen, P. Moss, A. Mooney, 2004-09-06 Increased longevity and better health are changing the nature of family life. In the context of changes in the world of work, increased divorce and a declining welfare state, multi-generation or beanpole families are a potential resource for family support. Focusing on four generation families and the two central careers of the life course: employment and care, *Working and Caring Over the Twentieth Century* explores this question. Based upon new research that employed biographical methods, it maps in detail from 1910 to the late 1990s the lives of men and women as great-grandparents, grandparents and parents. The book provides unique insights into processes of change and continuity in family lives and the ways in which different generations of men and women make sense of their lives.

SAGE Handbook of Mixed Methods in Social & Behavioral Research Abbas Tashakkori, Charles Teddlie, 2010-06-21 Surveying the differing viewpoints and disciplinary approaches to using mixed methods, this volume helps readers explore the answers to a wide range of key questions in the field, including: Can using mixed methods offset the disadvantages that certain methods have by themselves? What criteria can a researcher use to select the best mixed methods design for his or her project and What are

the points of agreement and controversy regarding design issues in mixed methods research This breakthrough Second Edition containing all new chapters examines all aspects of mixed methods research across a variety of disciplines Key Features Covers all aspects of inquiry from conceptualizing research to selecting methods analyzing and interpreting data and reporting findings Draws on the work of a mix of internationally recognized researchers as well as new and emerging researchers to provide a diversity of perspectives Gives specific examples from a wide range of disciplines to help readers understand the issues and controversies in this evolving area Presents rich material for discussion and new ideas for implementing mixed methods research to provide readers with a cutting edge resource Provides pedagogical tools such as learning objectives discussion questions and exercises and extensive cross referencing

On Living Through Soviet Russia Daniel Bertaux, Paul Thompson, Anna Rotkirch, 2004 For a period of over seventy years after the 1917 revolutions in Russia talking about the past either political or personal became dangerous The new policy of glasnost at the end of the 1980s resulted in a flood of reminiscence almost nightly on television and more formally collected by new Russian oral history groups and western researchers This book is a fascinating collection of life stories and family history interview material collected by the editors and two Russian groups of interviewers

Reader's Guide to the Social Sciences Jonathan Michie, 2014-02-03 This 2 volume work includes approximately 1 200 entries in A Z order critically reviewing the literature on specific topics from abortion to world systems theory In addition nine major entries cover each of the major disciplines political economy management and business human geography politics sociology law psychology organizational behavior and the history and development of the social sciences in a broader sense

Researching Life Stories and Family Histories Robert Lee Miller, 1999-09-22 A comprehensive balanced and judicious treatment of biographical methods in social research made all the more useful to students by its careful delineation of the practicalities involved Raymond M Lee Royal Holloway University of London Specifically designed for those carrying out biographical life history or family history research this concise guide covers the methods and issues involved The author demonstrates that biographical research is a distinctive way of conceptualizing social activity The three main approaches to biographical and family history research are covered Realist focused around grounded theory techniques of interviewing Neo positivist more structured interview techniques Narrative with emphasis on the active construction of life stories through the interplay between interviewer and interviewee An invaluable introduction to the field which contains much that will be of interest to the experienced practitioner the book will be ideal for researchers in sociology psychology political science social policy or anthropology

[The Creolisation of London Kinship](#) Elaine Bauer, 2010 In the last 50 years the United Kingdom has witnessed a growing proportion of mixed African Caribbean and white British families With rich new primary evidence of mixed race in the capital city The Creolisation of London Kinship thoughtfully explores this population Making an indelible contribution to both kinship research and wider social debates the book emphasises a long term evolution of family relationships across generations

Individuals are followed through changing social and historical contexts seeking to understand in how far many of these transformations may be interpreted as creolisation Examined too are strategies and innovations in relationship construction the social constraints put upon them the special significance of women and children in kinship work and the importance of non biological as well as biological notions of family relatedness P 4 of cover **New Directions in Elite Studies** Olav Korsnes, Johan Heilbron, Johs. Hjellbrekke, Felix Bühlmann, Mike Savage, 2017-12-06 Since the financial crisis the issue of the one percent has become the centre of intense public debate unavoidable even for members of the elite themselves Moreover inquiring into elites has taken centre stage once again in both journalistic investigations and academic research **New Directions in Elite Studies** attempts to move the social scientific study of elites beyond economic analysis which has greatly improved our knowledge of inequality but is restricted to income and wealth In contrast this book mobilizes a broad scope of research methods to uncover the social composition of the power elite the field of power It reconstructs processes through which people gain access to positions in this particular social space examines the various forms of capital they mobilize in the process economic but also cultural and social capital and probes changes over time and variations across national contexts Bringing together the most advanced research into elites by a European and multidisciplinary group of scholars this book presents an agenda for the future study of elites It will appeal to all those interested in the study of elites inequality class power and gender inequality

Shifting Traditions of Childrearing in China Xin Guo, 2021-07-11 Unique in its intergenerational approach to understanding motherhood in China this book sets out to study Chinese mothers experiences of childrearing emphasising that gender is not immutable and that motherhood is not isolated from other social domains The author adopts an historical and sociological design with a case study approach to investigate three living generations of women from 12 families of varied social economic backgrounds in China By comparing three aspects of these mothers lives namely the growing up experiences mothering experiences and intergenerational transmission between mothers and daughters this research provides an invaluable opportunity to observe how changing structural elements shaped mothers varied subjectivities similarly or differently It also addresses the continuities of the women s experiences highlighting the gendered and devalued roles in childcare that existed across three generations reflecting the complex dynamic relationship between women s agency and China s social structures This is an essential read for researchers students professionals and practitioners in the fields of sociology of families childhood and education gender studies motherhood parenthood studies narrative studies social policy and development studies

Clever Girls Jackie Goode, 2019-11-28 Winner of the Working Class Studies Association s Jake Ryan and Charles Sackrey Award for a Book about the Working Class Academic Experience This collection by three generations of women from predominantly working class backgrounds explores the production of the classed gendered and racialized subject with powerful engaging funny and moving stories of transitions through family relationships education friendships and work The developments that take place across a life in processes of becoming are

examined through the fifteen autoethnographies that form the core of the book set within an elaboration of the social educational and geo political developments that constitute the backdrop to contributors lives Clever Girls discusses the status of personal experience as research data and the memory work that goes into the making of autoethnography as poesis The collection illustrates the huge potential of autoethnography as research method mode of inquiry and creative practice to illuminate the specificities and commonalities of experiences of growing up as clever girls and to sound a call to action against inequality and discrimination

The Routledge Handbook of Contemporary Inequalities and the Life Course Magda Nico,Gary Pollock,2021-12-31 Drawing upon perspectives from across the globe and employing an interdisciplinary life course approach this handbook explores the production and reproduction of different types of inequality across a variety of social contexts Inequalities are not static easily measurable and essentially quantifiable circumstances of life They are processes which impact on individuals throughout the life course interacting with each other accumulating attenuating reproducing or distorting themselves along the way The chapters in this handbook examine various types of inequality such as economic gender racial and ethnic inequalities and analyse how these inequalities manifest themselves within different aspects of society including health education and the family at multiple levels and dimensions The handbook also tackles the global COVID 19 pandemic and its striking impact on the production and intensification of inequalities The interdisciplinary life course approach utilised in this handbook combines quantitative and qualitative methods to bridge the gap between theory and practice and offer strategies and principles for identifying and tackling issues of inequality This book will be indispensable for students and researchers as well as activists and policy makers interested in understanding and eradicating the processes of production reproduction and perpetuation of inequalities

Social Research Matters Julia Brannen,2021-07-14 Drawing from forty years of experience Julia Brannen offers an invaluable account of how research in family studies is conducted and matters at particular times

Pathways To Social Class A Qualitative Approach To Social Mobility Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project

Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Pathways To Social Class A Qualitative Approach To Social Mobility free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Pathways To Social Class A Qualitative Approach To Social Mobility free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Pathways To Social Class A Qualitative Approach To Social Mobility free PDF files is convenient, it's important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Pathways To Social Class A Qualitative Approach To Social Mobility. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Pathways To Social Class A Qualitative Approach To Social Mobility any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Pathways To Social Class A Qualitative Approach To Social Mobility Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Pathways To Social Class A Qualitative Approach To Social Mobility is one of the best book in our library for free trial.
