The Little Virtues Natalia Ginzburg, 2016-09-13 As far as the education of children is concerned states Natalia Ginzburg in this collection of her finest and best known short essays I think they should be taught not the little virtues but the great ones Not thrift but generosity and an indifference to money not caution but courage and a contempt for danger not shrewdness but frankness and a love of truth not tact but a love of one's neighbor and self denial not a desire for success but a desire to be and to know Whether she writes of the loss of a friend Cesare Pavese or what is inexpugnable of World War II or the Abruzzi where she and her first husband lived in forced residence under Fascist rule or the importance of silence in our society or her vocation as a writer or even a pair of worn out shoes Ginzburg brings to her reflections the wisdom of a survivor and the spare wry and poetically resonant style her readers have come to recognize A glowing light of modern Italian literature Ginzburg's magic is the utter simplicity of her prose suddenly illuminated by one word that makes a lightning streak of a plain phrase As direct and clean as if it were carved in stone it yet speaks thoughts of the heart The New York Times Book Review
