Patriarchal Attitudes Eva Figes,1970 Patriarchal Attitudes Eva Figes,1978 Patriarchal Attitudes by Eva Figes Eva Figes,1970 **The Power and Influence of Women in Society** Pasquale De Marco,2025-07-10 In a world often dominated by narratives of male power and influence this book shines a spotlight on the transformative power of women s agency It delves into the diverse and multifaceted ways in which women have wielded power and influence throughout history and across various spheres of life challenging prevailing notions and inspiring a more inclusive and equitable society Through a comprehensive and intersectional lens this book examines the power dynamics that shape women s lives exploring both the challenges they have faced and the strategies they have employed to effect change It sheds light on the impact of gender norms stereotypes and systemic biases on women s opportunities and experiences while also celebrating the achievements of women who have defied these constraints and made significant contributions to society From the boardroom to the battlefield from the laboratory to the lecture hall from the home to the highest echelons of leadership this book delves into the myriad ways in which women have asserted their agency and made their voices heard It highlights the leadership qualities resilience and determination that have enabled women to break barriers challenge norms and create lasting change The book also explores the ways in which women have used their power and influence to advocate for social justice promote gender equality and create a more inclusive and sustainable world It examines the role of women in peacebuilding environmental conservation and other global challenges showcasing their contributions to a better future for all By shedding light on the power and influence of women this book seeks to inspire and empower readers from all walks of life It aims to challenge prevailing narratives dismantle gender stereotypes and promote a world where women s voices are valued their leadership is recognized and their rights are upheld It is a call to action for a more just and equitable society where the full potential of women can be realized If you like this book write a review *Eva Figes' Writings* Silvia Pellicer-Ortin,2015-10-13 This book provides a general overview of the life and literary career of the prolific writer Eva Figes placing her extensive production within the various literary movements that have shaped the last century and drawing on the main features of her works and the different stages in her production Having recourse to the tools provided by narratology and using the theoretical background of the disciplines of ethics Holocaust and trauma studies together with other related fields such as theories of artistic representation identity questions concerning Jewishness contemporary history and philosophy it carries out a comprehensive analysis of Figes s main works The main starting hypothesis explored throughout the book is that an evolution may be traced in the aesthetics employed by Figes throughout her career from her initial Modernist phase to her more realist position to depict individual and collective traumas This development is a result of her need to find a mode of representing various traumatic events that have given shape to her personal and family history and to our recent collective history from the two World Wars and the Holocaust to the social exclusion suffered by minority groups

like women or the Jewish immigrant communities This evolution will be also approached thematically as there is a development from her early interest in depicting isolated male traumatised characters to the traumas suffered by women under patriarchal structures and then to the encounter with her own suffering as a Holocaust survivor The author's evolution in the topics and narrative techniques employed mirrors the different stages in the individual and collective processes of recovery from traumatic experiences from the process of acting out to the eventual healing phase Thus the conclusions detailed here will be useful not only to make Figs work known to a wider audience but also to gain an insight into the evolution of the literary tendencies of the last few decades in trying to represent some of the most horrible events of the modern age

Women and Society in Russia and the Soviet Union Linda Edmondson,1992-08-20 Until the late 1960s most Western scholars studying the history culture social and political life and economy of Russia and the Soviet Union paid scant attention to the participation and experience of women The multifarious ways in which gender roles and perceptions of gender were influenced by and in turn influenced the heterogeneous cultures of the Soviet empire were largely ignored However this neglect has slowly been rectified and now the study of women and gender relations has become one of the most productive fields of research into Russian and Soviet society This volume demonstrates the originality and diversity of this recent research Written by leading Western scholars it spans the last decade of tsarist Russia the 1917 revolutions and the Soviet period The essays reflect the interdisciplinary nature of women's work women and politics women as soldiers female prostitution popular images of women and women's experience of perestroika

Civil Society in Zimbabwe Mandlenkosi Mpofo, Dion Nkomo, Kirk Helliker, 2025-09-01 This book considers the historical and spatial dimensions of civil

society in Zimbabwe's Matabeleland region an area suffering from severe development and democratic deficits over many decades Transcending an organisational conception of civil society and a simplistic state civil society dualist understanding it recognises the dynamic character of civil society as a social space inclusive of less formalised associational forms of collective life as well as the colonial character and legacies of civil society both analytically and empirically This book facilitates a nuanced understanding of the specificities of the social political and economic evolution of Matabeleland in colonial and post colonial Zimbabwe and the region's troubled relations with the central state Historically it traces civil society in Matabeleland from the region's resistance against the colonial settler state to contemporary struggles for justice given the unresolved Gukurahundi legacy Civil society is depicted as constituted by a set of complex and shifting struggles for justice not simply between Matabeleland and the central state but also internally within Matabeleland along multiple fault lines including class and culture The relevance of understanding civil society in Matabeleland for Zimbabwe and Africa more widely is brought to the fore The book will be of interest and value to scholars of civil society politics and democratisation across the African continent
