**The Patriarch of One Hundred Years** Henry Boehm, Joseph Beaumont Wakeley, 1875

**The Patriarch of Western Nova Scotia** John Davis, 1866

The End of the Ages Has Come Dale Allison, 2013-10-01 How does one explain the New Testament texts that seem to announce the imminent arrival of the long awaited Day of the Lord In this study Dale Allison presents a comprehensive analysis of the first century beliefs about the period of suffering and tribulation which was to precede the general resurrection of the dead Although such beliefs were not uncommon they have received little attention from New Testament scholars Dr Allison argues that they

provided the conceptual tools that allowed New Testament writers to make sense of the death and resurrection of Jesus without abandoning altogether Jesus own messianic expectations and belief in some imminent radical change Dr Allison shows that the realized eschatology of the Gospels is not as is so often thought the product of Jesus own teaching and preaching Rather it stems from the reflection of the earliest Christian communities on the death of Jesus in the light of his belief in a imminent End Dr Allison offers a stimulating and detailed account of the teaching of Jesus and of the New Testament records of the passion and resurrection of Jesus He concludes his study with an important discussion of the way this process of reflection has continued throughout Christian history and indeed how it continues to influence Christian thinking today

**What Every Seventh-Day Adventist Should Know About the Shepherd'S Rod**

Garrick D. Augustus,2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd s Rod

a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and

1930 It has created much controversy In What Every Seventh day Adventist Should Know about The Shepherd s Rod author

Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd s Rod

message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff

and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised

against the Rod s message And it answers the objections church leaders have historically offered as proof against its bearing

the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method

of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church

His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver

Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd s Rod journeys through

the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in

eternity past and has played itself out in the rank and file of Seventh day Adventism
