Patrician Tribune Publius Clodius Pulcher:

The Patrician Tribune W. Jeffrey Tatum, 2014-02-25 Publius Clodius Pulcher was a prominent political figure during the last years of the Roman Republic Born into an illustrious patrician family his early career was sullied by military failures and especially by the scandal that resulted from his allegedly disguising himself as a woman in order to sneak into a forbidden religious ceremony in the hope of seducing Caesar's wife Clodius survived this disgrace however and emerged as a major political force He renounced his patrician status and was elected tribune of the people As tribune he pursued an ambitious legislative agenda winning the loyalties of the common people of Rome to such a degree that he was soon able to summon forceful even violent demonstrations on his own behalf The first modern comprehensive biography of Clodius The Patrician Tribune traces his career from its earliest stages until its end in 52 B C when he was murdered by a political rival Jeffrey Tatum explores Clodius s political successes as well as the limitations of his popular strategies within the broader context of Roman political practices In the process Tatum illuminates the relationship between the political contests of Rome s elite and Vestal Virgins, Sibyls, and Matrons Sarolta A. Takács, 2010-01-01 A the daily struggles of Rome s urban poor fascinating exploration of women s role in Roman religion that facilitates a better understanding of their importance in Rome s cultural formation Roman women were the procreators and nurturers of life both in the domestic world of the family and in the larger sphere of the state Although deterred from participating in most aspects of public life women played an essential role in public religious ceremonies taking part in rituals designed to ensure the fecundity and success of the agricultural cycle on which Roman society depended Thus religion is a key area for understanding the contributions of women to Roman society and their importance beyond their homes and families In this book Sarolta A Tak cs offers a sweeping overview of Roman women's roles and functions in religion and by extension in Rome's history and culture from the republic through the empire She begins with the religious calendar and the various festivals in which women played a significant role She then examines major female deities and cults including the Sibyl Mater Magna Isis and the Vestal Virgins to show how conservative Roman society adopted and integrated Greek culture into its mythic history artistic expressions and religion Tak cs s discussion of the Bona Dea Festival of 62 BCE and of the Bacchantes female worshippers of the god Bacchus or Dionysus reveals how women could also jeopardize Rome s existence by stepping out of their assigned roles Tak cs s examination of the provincial female flaminate and the Matres Matronae demonstrates how women served to bind imperial Rome and its **Uncommon Wrath** Josiah Osgood, 2022-11-14 A dual biography of Julius Caesar and provinces into a cohesive society Cato the Younger that offers a dire warning republics collapse when personal pride overrides the common good In Uncommon Wrath historian Josiah Osgood tells the story of how the political rivalry between Julius Caesar and Marcus Cato precipitated the end of the Roman Republic As the champions of two dominant but distinct visions for Rome Caesar and Cato each represented qualities that had made the Republic strong but their ideological differences entrenched into enmity and

mutual fear The intensity of their collective factions became a tribal divide hampering their ability to make good decisions and undermining democratic government The men's toxic polarity meant that despite their shared devotion to the Republic they pushed it into civil war Deeply researched and compellingly told Uncommon Wrath is a groundbreaking biography of two men whose hatred for each other destroyed the world they loved Clodia Metelli Marilyn B. Skinner,2011-01-12 Clodia Metelli The Tribune's Sister is the first full length biography of a Roman aristocrat whose colorful life as described by her contemporaries has inspired numerous modern works of popular fiction art and poetry Clodia widow of the consul Metellus Celer was one of several prominent females who made a mark on history during the last decades of the Roman Republic As the eldest sister of the populist demagogue P Clodius Pulcher she used her wealth and position to advance her brother's political goals For that she was brutally reviled by Clodius enemy the orator M Tullius Cicero in a speech painting her as a scheming debauched whore Clodia may also have been the alluring mistress celebrated in the love poetry of Catullus whom he calls Lesbia in homage to Sappho and depicts as beautiful witty but also false and corrupt From Cicero s letters finally we receive glimpses of a very different woman a great lady at her leisure This study examines Clodia in the contexts of her family background the societal expectations for a woman of her rank and the turbulent political climate in which she operated It weighs the value of the several kinds of testimony about her and attempts to extract a picture as faithful to historical truth as possible The manner in which Clodia was represented in writings of the period and the motives of their authors in portraying her as they did together shed considerable light on the role played by female figures in Roman fiction and historiography Caesar Adrian Goldsworthy, 2006-01-01 The first major biography in decades examines the full complexity of Julius Caesar's character in an incisive portrait that shows why his political and military leadership continues to resonate two thousand years following his death Public and Private in Ancient Mediterranean Law and Religion Clifford Ando, Jörg Rüpke, 2015-03-10 The public private distinction is fundamental to modern theories of the family religion and religious freedom and state power yet it has had different salience and been understood differently from place to place and time to time The volume brings together essays from an international array of experts in law and religion in order to examine the public private distinction in comparative perspective The essays focus on the cultures and religions of the ancient Mediterranean in the formative periods of Greece and Rome and the religions of Judaism Christianity and Islam Particular attention is given to the private exercise of religion the relation between public norms and private life and the division between public and private space and the place of religion therein Roman Crossings T.W. Hillard, Kathryn Welch, 2005-12-31 Eleven new essays from an international cast trace the development of political culture in the Roman Republic Themes include the flourishing of civic society as with the introduction of the Roman Games and the emergence of a theory of politeness How was a Roman aristocrat formed How did the term Optimates develop from the middle Republic onwards And how especially did the rhetoric of Cicero reflect and adapt to the pressures of civil war in the Republic s
