This ambitious undertaking is designed to acquaint students, teachers and researchers with reference sources in any branch of English studies which Marcuse defines as all those subjects and lines of critical and scholarly inquiry presently pursued by members of university departments of English language and literature. The annotations and various indexes are models of clarity and usefulness and cross references are liberally supplied where appropriate. Harner's Literary Research Guide, Modern Language Assn of America, 1989, larger academic libraries will want Marcuse's volume. Jack Bales, Mary Washington Coll Lib, Fredericksburg, Va.
