*Patronage* Ardell Tharaldson, 2002      **A Guide to the Preservation of Federal Judges' Papers** Bruce A. Ragsdale, 2009 Since the first edition was published in 1996 the nature of judges papers has changed as more and more of the work of the federal courts is documented in electronic records The record keeping practices of the courts have also changed This second edition discusses the preservation challenges of new media the protocols surrounding sensitive and classified documents and the range of access restrictions that might be appropriate for a collection of judicial papers This edition includes updated samples of donor agreements and inventories of judicial collections      *Leadership on the Federal Bench* Jeffrey B. Morris, 2011-06-13 *Leadership on the Federal Bench The Craft and Activism of Jack Weinstein* considers the ways a particularly gifted federal judge seized the opportunities available to district judges to influence the results of the cases before him and employed the tools available to him to make policy having a national impact In the book author Jeffrey Morris considers the ways in which the judge Jack Weinstein of the Eastern District of New York has been limited by his position This book adds to the slim literature about the policy making role of district judges applying the work of legal historians political scientists and those trained in the law Focusing upon an admitted judicial activist perhaps the most famous innovative and controversial district judge sitting today the book permits a close look at activism at the trial level *Leadership on the Federal Bench The Craft and Activism of Jack Weinstein* begins by analyzing the job of a federal district judge and why it is profitable to study Judge Weinstein Related topics include Weinstein s background before appointment to the bench the political and legal environment within which Weinstein has judged and the characteristics of the district in which he sat and its possible impact on him Part of the book focuses on Weinstein s judicial output for each of his four decades on the bench Cases are drawn from a diverse number of areas among them the areas of civil rights freedom of speech search and seizures organized crime and political corruption cases evidence and procedure Finally conclusions are made on the role of district courts judicial activism in general along with a summary of Judge Weinstein s career      **North Dakota History** , 2005 *Journal of the Northern Plains*      **The Farmer's Lawyer** Sarah Vogel, 2021-11-02 With a new foreword by Willie Nelson An exquisitely written American saga Sarah Smarsh The remarkably well told and heartfelt John Grisham story of a young lawyer s impossible legal battle to stop the federal government from foreclosing on thousands of family farmers In the early 1980s farmers were suffering through the worst economic crisis to hit rural America since the Great Depression Land prices were down operating costs and interest rates were up and severe weather devastated crops Instead of receiving assistance from the government as they had in the 1930s these hardworking family farmers were threatened with foreclosure by the very agency that Franklin Delano Roosevelt created to help them Desperate they called Sarah Vogel in North Dakota Sarah a young lawyer and single mother listened to farmers who were on the verge of losing everything and inspired by the politicians who had helped farmers in the 30s she naively built a solo practice of clients who couldn t afford to pay her Sarah

began drowning in debt and soon her own home was facing foreclosure In a David and Goliath legal battle reminiscent of A Civil Action or Erin Brockovich Sarah brought a national class action lawsuit which pitted her against the Reagan administration s Department of Justice in her fight for family farmers Constitutional rights It was her first case A courageous American story about justice and holding the powerful to account The Farmer s Lawyer shows how the farm economy we all depend on for our daily bread almost fell apart due to the willful neglect of those charged to protect it and what we can learn from Sarah s battle as a similar calamity looms large on our horizon once again
