Paul Adams:

Ordinary People Serving an Extraordinary God Paul Adams, 2019-08-12 Saint Paul claimed to be the chief sinner but the man that Paul Adams once was could rival him but not anymore The life of deceit selfishness and pain that the author engaged in is now in the rearview mirror When he reads about the people who will not inherit the kingdom of God he can see the man he used to be walking toward eternal destruction While Adams was close to certain death many times God kept him here so he could become a soldier for His cause Ever since Adams was saved he has sought to win souls for the Lord In this testimony he asks powerful questions such as How can we work on a daily basis for God s glory Where can we find opportunities to be part of God s work What can we do to be sensitive to the Holy Spirit While Adams is just an ordinary man his journey of slowly moving toward Christ until being born again holds valuable lessons for everyone Discover how you too can be redeemed and live in God s love and grace Catalogue of Copyright Entries Library of Congress. Gracie s about to learn is that she can t do this alone and every single person who has entered her life since her return to Heron Creek will need to pitch in for her to succeed Well that and the fact that she might not be able to save everyone not even herself
