MATTHEWS, 2017 **Gazza Agonistes** Ian Hamilton, 2011-07-21 This is a fan s eye view of Paul Gascoigne and fans as we know are expert at reassembling dashed hopes In 1987 Ian Hamilton acclaimed poet biographer

and Tottenham fan was smitten from afar by the impish skills of Newcastle United's Paul Gascoigne. When Gazza duly signed for Spurs, Hamilton was sure that he and English football had found their new hero. But Gascoigne was destined to be brought low by tragic flaws and Hamilton was ideally positioned to tell the tale in this a peerless piece of football literature. By the final whistle, Hamilton has sketched a compelling figure: reckless, cocky, twitchy, hyperactive and half bonkers, but with flashes of implausible grace that connect with the dreams of his audience. **Viv Graham & Lee Duffy's Parallel Lives** Stephen Richards, 2002. This text presents the lives of Viv Graham and Lee Duffy, two men who fiercely resented each other and were sworn enemies. Both ran parallel lives as pub and club enforcers, raging their gangland turf wars with a fierce frenzy of brutality and unrelenting cruelty. Engaging each other in a vicious organized brawl would be the ultimate challenge. Warfare and combat would mean bloodshed and carnage; both men met brutal and violent deaths.

Ha'way the Lad Mel Stein, 1994-01-01. Paul Gascoigne is one of England's most talented footballers. The success or failure of the England team has much to do with whether Gascoigne is present and fit, sadly not always the case in recent games. His most recent injury, a broken leg sustained during practice in April 1994, has been another bitter blow to English football. Local club Newcastle United. His precocious talent marked him out for attention from the big league clubs and in 1988 struggling Newcastle sold him to Tottenham Hotspur for 2 million. Soon Spurs were themselves struggling with financial problems, having precipitated a boardroom battle. Gascoigne was again sold this time to the Italian club Lazio for a record-breaking 5.25 million. Before the transfer went through, he suffered a serious injury in the 1991 FA Cup Final against Nottingham Forest, which kept him out of football for a year, single-handed.

His antics off the field have not always been so successful and the ensuing controversy has meant that he is seldom out of the media spotlight. The lad, he is also a cult figure among the intellectuals. Gazza is a superstar, a footballing genius who is also a larger-than-life personality.

*Power Games* John Peter Sugden, Alan Tomlinson, 2002. Critical and radical perspectives have been central to the emergence of the sociology of sport as a discipline in its own right. This ground-breaking new book is the first to offer a comprehensive theory and method for a critical sociology of sport. It argues that class, political economy, hegemony and other concepts central to the radical tradition are essential for framing understanding and changing social and political relations within sport and between sport and society. The book draws upon the disciplines of politics, sociology, history and philosophy to provide a critical analysis of power relations throughout the world of sport while offering important new case studies from such diverse sporting contexts as the Olympics, world football, boxing, cricket, tennis and windsurfing. In the process, it addresses key topics such as nations and nationalism, globalisation, race, gender, political economy. *Power Games* can be used as a complete introduction to the study of sport and society. And will be essential reading for any serious student of sport. At the same time, it is a provocative book that, by argument and example, challenges those who research and write about sport to make their work relevant to social and political reform.
