*Making in Acts* Wayne ODonnell, 2020-05-15 This book is a commentary on the New Testament Book of Acts that is primarily about the Apostle Paul and his mission to the Aegean All my books can be read online for free at <http://wayneodonnell.com> or <http://bible.ag> Freely you have received freely give Mt 10:8 In 1980 Garry Friesen wrote *Decision Making and the Will of God* a book that debunked the traditional view that God leads by inward impressions into His perfect specific will But Bible teachers continue to teach prayer is a two way conversation churches continue to question pastoral candidates about their call to the ministry and Christians continue to try to discern God's inner voice to make decisions Christians in the book of Acts made their decisions by the Word and Wisdom not by listening for inward impressions Almost all Paul's decisions in Acts can be explained by 17 logical principles he followed Paul was Jesus surrogate to complete Jesus mission to bring the gospel to the Gentiles of the Aegean Sea and to the Jews of the diaspora Isaiah 49:1-6 Listen O Islands to me and hearken you Jewish People from far The LORD has called me from the womb He said It is a light thing that you would be my servant to restore the preserved of Israel I will also give you for a light to the Gentiles so that you may be my salvation to the end of the earth The first part of the book of Acts asks Can even Gentiles be saved But the last part focuses on Luke's real message The Congregation should continue to look equally Jewish and Gentile even though Gentiles become far more numerous in the Congregation This is God's highest purpose gathering two into the one body of Messiah according to Ephesians All Paul's epistles were written by the end of Acts 28 There's no need for a speculated release and second Roman imprisonment This book also provides an accounting of the movements of Paul's coworkers and a history of Charismaticism Christian mysticism and the false doctrine of Let Go and Let God     *The Origin of I Corinthians* John Coolidge Hurd, 1983     *Paul's Letter to the Colossians* Gerald F. Hawthorne, Stephen E. Hawthorne, 2010     *The Early Christians in Ephesus from Paul to Ignatius* Paul Trebilco, 2007-10-17 The capital city of the province of Asia in the first century CE Ephesus played a key role in the development of early Christianity In this book Paul Trebilco examines the early Christians from Paul to Ignatius seen in the context of our knowledge of the city as a whole Drawing on Paul's letters and the Acts of the Apostles Trebilco looks at the foundations of the church both before and during the Pauline mission He shows that in the period from around 80 to 100 CE there were a number of different communities in Ephesus that regarded themselves as Christians the Pauline and Johannine groups Nicolaitans and others testifying to the diversity of that time and place Including further discussions on the Ephesus addresses of the apostle John and Ignatius this scholarly study of the early Ephesian Christians and their community is without peer     **Paul the Letter-Writer and the Second Letter to Timothy** Michael Prior, 1989-03-01 This study argues for new perspectives on the letters of Paul especially the Second Letter to Timothy It examines striking aspects of Paul's letters especially the fact that many of them are co-authored that six of them acknowledge that a secretary has penned the letter and that 1 Timothy 2 Timothy and Titus are the only ones addressed to individuals It investigates the implications of these facts for the concept of Pauline authorship Prior maintains that the received arguments statistical as well as literary

which exclude 2 Timothy from the influence of Paul are less than convincing The author suggests an original reading of 2 Timothy arguing it was composed by Paul towards the end of his first Roman imprisonment Contrary to all interpretations of the letter which argue that Paul was about to be martyred Prior claims that Paul was confident that he would be released and was assembling a mission team to bring his proclamation of the Gospel to a completion Timothy's courage and missionary zeal needed rekindling for he and Mark were to be key figures in this new team

*The Cradle, the Cross, and the Crown* Andreas J. Köstenberger, L. Scott Kellum, Charles L. *The Making of Paul* Richard I. Pervo, The influence of the apostle Paul in early Christianity goes far beyond the reach of the seven genuine letters he wrote to early assemblies Paul was revered and fiercely opposed in an even larger number of letters penned in his name and in narratives told about him and against him that were included in our New Testament and far more often treasured and circulated outside it Richard Pervo provides an illuminating and comprehensive survey of the legacy of Paul and the various ways he was remembered honored and vilified in the early churches

Introducing Romans Richard N. Longenecker, 2011-03-25 Introducing Romans a kind of introduction ahead of time to Richard Longenecker's forthcoming commentary on Romans is a major achievement in its own right the fruit of at least fifty years of scholarship on the apostle Paul and on Romans in particular It can stand alone as an indispensable handbook for anyone venturing to write a commentary of one's own or for anyone who wants to teach or understand that classic letter Above all Longenecker succeeds admirably in putting the many issues surrounding Romans in the broadest possible

historical context encompassing not just recent fashions but the legacy of centuries Seasoned scholars and beginning students alike have every reason to be grateful J Ramsey Michaels Missouri State University *A Chronology of Paul's Life* Robert Jewett,1979 *Redating the New Testament* John A. T. Robinson,2000-10-31 On the basis that the fall of Jerusalem is never mentioned in the New Testament writings as a past fact Dr Robinson defends that the books of the New Testament were written before A D 70 contradicting of course the consensus of generations of Bible scholars *The Christians: Veil is torn, A.D. 30 to 70, from Pentecost to the fall of Jerusalem* Christian History Project,2002 The Christians is the history of Christianity told chronologically epoch by epoch century by century beginning at Pentecost and concluding with Christians as we find ourselves in the twenty first century It will consist of approximately twelve volumes produced over a 10 year period at the beginning of the third Christian millennium It is written and edited by Christians for Christians of all denominations Its purpose is to tell the story of the Christian family so that we may be knowledgeable of our origins may well know and wisely profit from the experiences of our past both good and bad and may find strength and inspiration to face the challenges of our era from the magnificent examples set for us by those who went before Back cover *From Jesus to Paul* Peter Richardson,John C. Hurd,2006-01-01 The essays presented here intend to open afresh the complexity of the question of Paul s dependence upon and continuity with Jesus So much attention has been given in the past to this very difficult problem that new solutions are hard to find and suspect when offered This collection however demonstrates diversity in approach stance and conclusion The essays often take issue with the results of current research including that of Francis Wright Beare in whose honour they have been produced They consider a broad range of the recent literature and show that no satisfactory solution has yet been found to the Jesus Paul question Indeed the debate may never be terminated This collection however thoroughly illustrates the debate as it stands now Of consuming importance to scholars of New Testament theology and text the volume also admirably depicts the critical approaches that live today within the study of Christianity s roots **New Testament History** Richard L. Niswonger,1992 In this excellent history of God s authoritative message to humankind Niswonger presents the major events of the life and ministry of Jesus Paul and the apostolic church by unfolding it against the historical religious and political settings of the time and recounting the events with simplicity and directness More than 90 photographs and maps *The Tyranny of Time* Robert Banks,1997-03-04 The problem of too little time says Robert Banks is a real one The notion of increased leisure time is a myth From a distinctly Christian perspective Banks explains how we can break out of the time prison at work and at church as individuals and as families He emphasizes who we are over what we do and shows how we can develop a sense of personal and social rhythms **Ephesians** Harold W. Hoehner,2002-12 Destined to become the definitive commentary on Ephesians this resource combines detailed exegesis and extensive interaction with contemporary scholarship
