12 Challenges Churches Face Mark Dever,2008-04-01 Division Disobedience Legalism These are just a few of the many problems that plague churches today just as they plagued the Corinthian church in the first century That s why out of his great love and concern for this young church Paul addressed these issues boldly offering the Christians at Corinth much needed admonition instruction and encouragement If you have ever witnessed a church split or a denominational dispute you know firsthand that the same sort of struggles impact our churches today In Twelve Challenges Churches Face pastor Mark Dever a leading authority on the subject of church health tackles this and eleven other major challenges we must fight to overcome These twelve challenges if left unchecked can

cripple a church and stifle its ministry to a needy world But if individuals and churches immerse themselves in God's Word and heed Paul's instruction God will heal even the sickest church and transform it into a powerful vehicle for proclaiming the gospel of Christ

The Problem with Paul Brian J. Dodd, 1996-04-22 People outside the church have often found Paul hard to stomach His views on women sex and marriage his failure to attack the institution of slavery his verbal attacks on his opponents have all come under fire Regrettably Paul hasn't always fared that much better among believers who themselves like the apostle Peter sometimes wonder what to make of him Let's face it Paul just isn't politically correct Brian Dodd offers a fresh look at the somewhat enigmatic and misunderstood Paul With a pastor's heart and a scholar's insight he helps us to bridge the gap between Paul's world and our own providing the perspective we need to begin to make sense of Paul the man and his message Whether you stand outside the church looking in or whether even from the inside you struggle to make sense of Paul in the contemporary world *The Problem with Paul* will deepen your understanding and help you to grapple with one of the New Testament's most important authors

A War of Loves David Bennett, 2018-11-13 At 14 David Bennett came out to his parents At 19 he encountered Jesus Christ At that moment his life changed forever As a young gay man David Bennett saw Christianity as an enemy to freedom for LGBTQI people and his early experiences with prejudice and homophobia led him to become a gay activist But when Jesus came into his life in a highly unexpected way he was led down a path he never would have predicted or imagined In *A War of Loves* David recounts his dramatic story from his early years exploring new age religions and French existentialism to his university experiences as an activist Following supernatural encounters with God he embarked on a journey not only of seeking to reconcile his faith and sexuality but also of discovering the higher call of Jesus Christ *A War of Loves* investigates what the Bible teaches about sexuality and demonstrates the prodigal unqualified grace of God for all people David describes the joy and intimacy he found in following Jesus Christ and how love has taken on a radically new and far richer meaning for him

Kinn,2009 *A Theology of Paul the Apostle, Part Two* G.
