## **Paul And His Opponents Pauline Studies Pauline Studies:**

**Paul and his Opponents** Stanley E. Porter, 2005-11-01 Who were Paul's opponents? Were they one or were they many, depending upon the church concerned? These questions continue to be of interest to Pauline and other New Testament scholars and are addressed in this volume of collected essays. Some of the essays are on specific books such as Galatians, the Corinthian letters, and Romans, while others treat broader issues in Paul's world.

**Paul and his Theology** Stanley E. Porter, 2006-11-01 Does Paul have a theology? If so, what is it, or rather, what is it on various topics that he and the early Church confronted? This volume moves beyond the traditional discussion of whether Paul had a center to his theology to raise questions regarding his perspective on a number of important theological issues. These issues include his gentile mission, the concepts of faith, grace, and the law, reconciliation, the temple, eschatology, miracles, gender, and Paul's trinitarian tendencies. This collection of essays addresses topics of current interest in the study of Paul's theology, not to arrive at the center of his thought but to understand what factors helped to center his thinking on a variety of important theological concerns.

**A Theology of Paul and His Letters** Douglas J. Moo, 2021-10-26 A landmark study of the apostle's writings by one of the world's leading Pauline scholars. Winner of the 2022 ECPA Christian Book Award for Bible Reference Works. This highly anticipated volume gives pastors, scholars, and all serious students of the New Testament exactly what they need for in-depth study and engagement with one of Christian history's most formative thinkers and writers. *A Theology of Paul and His Letters* is a landmark study of the apostle's writings by one of the world's leading Pauline scholars, Douglas J. Moo. Fifteen years in the making, this groundbreaking work is organized into three major sections. Part 1 provides an overview of the issues involved in doing biblical theology in general and a Pauline theology in particular. Here, Moo also sets out the methodological issues, formative influences, and conceptual categories of Paul's thought. Part 2 moves on to Paul's New Testament writings, where Moo describes each Pauline letter with particular relevance to its theology. Part 3 offers a masterful synthesis of Paul's theology under the overarching theme of the gift of the new realm in Christ. Engaging, insightful, and wise, this substantive evangelical treatment of Paul's theology offers extensive engagement with the latest Pauline scholarship without sacrificing its readability. This volume brings insights from over thirty years of experience studying, teaching, and writing about Paul into one comprehensive guide that will serve readers as a go-to resource for decades to come.

**ABOUT THE SERIES** The Biblical Theology of the New Testament (BTNT) series provides upper college and seminary level textbooks for students of New Testament theology, interpretation, and exegesis. Pastors and discerning theology readers alike will also benefit from this series. Written at the highest level of academic excellence by recognized experts in the field, the BTNT series not only offers a comprehensive exploration of the theology of every book of the New Testament, including introductory issues and major themes, but also shows how each book relates to the broad picture of New Testament Theology.

*The Intertextuality of Paul's Apocalyptic Discourse* Doosuk Kim, 2023-05-08 This book attempts to investigate two strands in a single work.

apocalyptic Paul and intertextuality First what does apocalyptic Paul mean Is it synonymous to eschatology as a theological notion or the end time mystery Many seminal works have delved into the intriguing yet unorganized notion of the apocalyptic Instead of attempting to provide a universal definition of the apocalyptic the author presents his understanding of the phenomenon particularly in the cultural realm The author contends that apocalyptic is neither all about the end time event nor merely a literary genre but an interpretive lens to understand the world and social phenomena one that is shaped and developed through culture and society Accordingly the term apocalyptic Paul implies how Paul views and understands the world history and supernatural phenomena through interaction with his cultural texts and context Second the author also suggests that intertextuality is not only about comparative literature study Rather intertextuality refers to cultural semiotics a sign system to deliver the meaning of text Based on this notion of intertextuality the author interprets how Paul envisages multiple phenomena heavenly ascent resurrection afterlife the origins of sin and two ages within his cultural context

Paul's Message and Ministry in Covenant Perspective Scott J Hafemann, 2015-08-27 Erudite and authoritative Paul's Message and Ministry in Covenant Perspective is the fruit of twenty five years of scholarship about the theology and life of the apostle Paul now made available for the first time to a wider audience Confronting the questions raised by the history of Pauline thought since F C Baur Scott J Hafemann's essays focus on how Paul's self understanding shaped everything from his message to the driving force behind his ministry and his consequent call to suffer for the sake of his churches Hafemann's work reveals that Paul's views of redemption of his own redemptive mission and of the life of the redeemed all derived from a central point his eschatological conviction that the purpose of the new covenant established by Jesus was to prepare the way for when Christ returns on Judgement Day *Paul's Witness to Formative Early Christian Instruction* Benjamin A.

Edsall, 2014-04-08 Benjamin A Edsall re opens the old quest for the preaching and teaching of the early Church through a new approach that draws on ancient communication practices Given that ancient communicators relied explicitly on what they presumed their interlocutors to know the author reconstructs early Christian instruction through Pauline appeals to previous knowledge both explicit and implicit **The Apostle Paul and His Letters** James B. Prothro, 2022-01-07 The letters of the Apostle Paul are central witnesses to the Christian faith and to the earliest history of Christianity And yet when students preachers and others turn to Paul they find many things hard to understand 2 Peter 3 16 in these ancient writings James Prothro's new book aims to help readers see the Apostle's faith and hope at work as he evangelized the nations Steeped in up to date scholarship and a passion for the gospel Paul preached Prothro draws readers into Paul's life and letters in order to help them hear the Apostle's voice The book's chapters offer introductions to Paul's background life and legacy an introduction to ancient letter writing a guide to understanding Paul's theology across the letters a survey of the portrait of Paul in the Book of Acts separate treatments of each letter's background and purpose treatments of key theological topics in each letter and a thorough outline of each letter showing its arguments and how they make sense

Prothro introduces complex matters with clarity balance and an inviting style He not only offers answers but models how to ask questions helping us reason through Paul's letters as ancient documents and as Christian Scripture This book will prove a valuable introduction for those who study teach and preach these biblical books

**The First Urban Churches 4** James R. Harrison, L. L. Welborn, 2018-11-16 Investigate the challenges and opportunities experienced by the early church This fourth installment of *The First Urban Churches* edited by James R Harrison and L L Welborn focuses on the urban context of Christian churches in first century Roman Philippi The international team of New Testament and classical scholars contributing to the volume present essays that use inscriptions papyri archaeological remains coins and iconography to examine the rivalries imperial context and ecclesial setting of the Philippian church Features Analysis of the material and epigraphic evidence relating to first and second century CE Roman Philippi Examination of important passages from Philippians within their ancient urban context Investigation of the social composition and membership of the Philippian church from the archaeological and documentary evidence

**Diagnosing Deviance** Andrew M. Langford, 2023-09-14 In this study Andrew M Langford demonstrates that the single post Pauline author of the Pastoral Epistles the Pastor crafts a stigmatizing depiction of his theological opponents by spatializing demonizing and pathologizing their alleged deviance Through close comparative readings of ancient medical and philosophical literature the author argues for the necessity of interpreting the Pastor's pathologizing of deviance in light of ancient disease etiologies and models of corporeality With this book the author contributes to recent interpretive insights about the function of authorial fiction in antiquity and demonstrates that the Pastor is self consciously appropriating the Pauline epistolary to craft his approach to his theological opponents

**A Canonical Exegesis of the Eighth Psalm** Hubert James Keener, 2013-11-07 Since Brevard Childs first introduced it as a fresh approach in the late 1960s canonical exegesis has grown into a widely discussed and developed program virtually a school of biblical interpretation with many scholars carrying forward an approach to theological exegesis that emphasizes the role of canon as the central context for interpretation of the Christian Scriptures In this study Keener takes a twofold approach 1 he demonstrates that a canonical exegesis is tenable if the task is approached with clarity regarding its core theological foundation and 2 he applies the approach to the interpretation of the often thorny questions surrounding the understanding of Psalm 8 This is useful in that Psalm 8 touches upon several questions germane to the successful implementation of canonical exegesis due to the many intertextual connections it shares with the rest of the Bible Keener concludes that Psalm 8 in the Old Testament represents the intersection of two trajectories 1 the reversal motif in which YHWH maintains the created order through the exaltation of the weak and the humble and 2 the motif of the conflicted and conflicting human in which humans are shown as beset by trials often failing and even occupying the role of the enemies of YHWH A third trajectory becomes visible in the context of the New Testament that of the redeeming Christ this third trajectory intersects with the two Old Testament trajectories and makes possible the redemption of conflicted humanity

giving the ultimate answer to the psalmist's question 'What is the human condition?' *'The Sufferings of Christ Are Abundant In Us'* Kar Yong Lim, 2009-06-11 This study investigates why Paul makes the theme of suffering so central to his argument in 2 Corinthians. It is pursued through an exegetical analysis of passages where Paul's suffering is described, namely 1:3, 11:2, 14:11, 16:4, 7:12, 6:1, 10:11, 23:12, 10:11. By employing a narrative approach, this study argues that Paul's apostolic suffering is grounded in the story of Jesus. There are several implications arising from this approach. First, Paul understands his suffering as necessary and integral to his apostolic mission. Second, Paul claims that his suffering has positive missiological benefits, resulting in giving birth to the Christ-believing community in Corinth. Third, for Paul, the story of Jesus does not end at the event of the cross, and so he extends the invitation to the Corinthians to participate in the story of Jesus. Fourth, Paul's understanding of his suffering also finds its roots in the Hebrew Scriptures, as seen in the allusion to and citations of Isaiah and Jeremiah. Finally, Paul expresses his deep concern for the Corinthians in this letter. In essence, Paul sees his own suffering as a reflection of his embodying the ongoing story of Jesus, a story of suffering and death leading to life, and calls the Corinthians also to this cruciform pattern of living. Taking all the above implications together, it is suggested that 2 Corinthians should be read as primarily parenetic in nature, and that Paul's apology for his apostleship only plays a secondary role.

**Reading Corinthians and Philippians within Judaism** Mark D. Nanos, 2017-08-18 The commentary tradition regarding 1 Corinthians unanimously identifies the weak as Christ followers whose faith was not yet sufficient to indulge in the eating of idol food with indifference, as if ideally Paul wanted them to become strong enough to do so. Commentaries also do not hesitate to explain that Paul advised the Corinthians that he behaved like non-Jews, e.g., ate idol food in order to win non-Jews to Christ, convinced that he was free from any obligation to observe Jewish covenantal behavior except when he expediently chose to mimic Jewish behavior in order to win Jews to Christ. Similarly, commentators continue to conclude that in Philippians Paul called Jews dogs for upholding the value of undertaking circumcision, and that he renounced such identification as mutilation. None of these interpretations likely represent what Paul meant originally, according to Nanos. Each essay explains why and provides new alternatives for re-reading Paul's language within Judaism. In this process, Nanos combines investigations of relevant elements from Jewish sources and from various Cynic and other Greco-Roman contemporaries as well as the New Testament.

**Dictionary of Paul and his letters** GERALD F. HAWTHORNE, RALPH P. MARTIN, DANIEL G. REID, 2020-05-21 The Dictionary of Paul and his letters is a one-of-a-kind reference work. Following the format of its highly successful companion volume, the Dictionary of Jesus and the Gospels, this Dictionary is designed to bring students, teachers, ministers, and laypeople abreast of the established conclusions and significant recent developments in Pauline scholarship. No other single reference work presents as much information focused exclusively on Pauline theology, literature, background, and scholarship. In a field that recently has undergone significant shifts in perspective, the Dictionary of Paul and His Letters offers a summa of Paul and Pauline studies. In-depth articles focus on

individual theological themes such as law resurrection and Son of God broad theological topics such as Christology eschatology and the death of Christ methods of interpretation such as rhetorical criticism and social scientific approaches background topics such as apocalypticism Hellenism and Qumran and various other subjects specifically related to the scholarly study of Pauline theology and literature such as early catholicism the centre of Paul s theology and Paul and his interpreters since F C Baur Separate articles are also devoted to each of the Pauline letters to hermeneutics and to preaching Paul today The Dictionary of Paul and His Letters takes its place alongside the Dictionary of Jesus and the Gospels in presenting the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialogue with contemporary scholarship and challenges facing the church

As it Was in the Beginning Mark D Owens,2016-05-26 The meaning of Paul s comments about the new creation in 2 Corinthians 5 17 and Galatians 6 15 has long been obscured Debate has raged for years with some arguing that the phrase new creation solely refers to the inward transformation believers have experienced through faith in Jesus Christ and others that this phrase should be understood cosmologically and linked with Isaiah s new heavens and new earth Still more advocate an ecclesiological interpretation of this phrase that centres Paul in the new community formed around Jesus Christ In As It Was in the Beginning Mark Owens argues that the concept of new creation should be understood within the realm of Paul s anthropology cosmology and ecclesiology Paul s understanding of new creation belongs within an Urzeit Endzeit typological framework especially within 2 Corinthians 5 6 and Ephesians 1 2 Owens s reading of new creation gives due weight to the use of Isaianic traditions in Paul s letters and to demonstrate that the vision of new creation in 2 Corinthians and Galatians is in striking harmony with that of Ephesians

**Reconstructing the Historical Background of Paul's Rhetoric in the Letter to the Colossians** Adam Copenhaver,2018-01-25 In approaching the debate surrounding the opponents in Colossians from a methodological standpoint Copenhaver contends that Paul was not actually confronting active opponents when he wrote the letter Rather Copenhaver takes the view that Paul s letter was written to the churches in the Lycus Valley in a desire to develop their identity as a new people in Christ and to appeal to them to live a new kind of life His warnings in Colossians 2 function as oppositional rhetoric contrasting the religious practices of the Lycus Valley with this new belief Paul s warnings are therefore broadly representative of the ancient world while at the same time focused especially on two threads of historical referents Judaism and pagan religions Development of the above argument demonstrates that the challenge of reconstructing a singular opponent arises not only from the limitations of textual and historical evidence but also from the assumptions and methodologies inherent in historical approaches to the text By modifying these assumptions and adjusting the methodology Copenhaver can show how Paul s letter takes on a new relationship to its historical context

*Paul* Stanley E. Porter,2008 What does it mean to study Paul the Apostle as Jew Greek and Roman The framing of the question exposes the fact that the distinctions themselves involve a complex of ethnic

social and cultural designations Paul is both a complicated individual of the ancient world because he combines in his one personage features of life in each of these cultural ethnic and even religious areas of the ancient world and one of many people of that world who evidenced such complexity This volume Paul Jew Greek and Roman explores a number of the important and diverse cultural ethnic and religious dimensions of the multi faceted background of Paul the Apostle Some of the treatments are focused and specific while others range over the broad issues that go to making up the world of the Apostle

**The Letter to the Colossians** Scot McKnight, 2018-02-26 The Letter to the Colossians offers a compelling vision of the Christian life its claims transcend religion and bring politics culture spirituality power ethnicity and more into play Delving deeply into the message of Colossians this exegetical and theological commentary by Scot McKnight will be welcomed by preachers teachers and students everywhere

**Signs of Continuity** Greg Rhodea, 2019-06-11 For more than a century scholars have debated whether Paul the apostle was a faithful follower of Jesus or a corruptor of Jesus s message and the true founder of Christianity Signs of Continuity intervenes in this debate by exploring a largely overlooked element of similarity between the two men the place of miracles in their ministries In his close analysis of the miracles performed by Jesus and Paul Greg Rhodea points to signs of continuity between these two historical figures of Christianity He argues that both Jesus and Paul understood their miracles as accompanying and actualizing a message of gracious inclusion of the marginalized resisted proving their ability to work miracles to those who asked for a sign despite the importance of miracle working to their personal authentication and interpreted miracles as proof of the presence of the eschatological kingdom Based on these similarities Rhodea concludes that Paul the apostle knew of Jesus s miracles and that he imitated Jesus in his own ministry of miracle working In highlighting this previously unexplored area of continuity Rhodea makes a significant contribution to the debate over the relationship between Jesus and Paul Biblical scholars and students interested in this debate will find Signs of Continuity enlightening and informative

**Reading Paul within Judaism** Mark D. Nanos, 2017-10-17 The dominant portrayals of the apostle Paul are of a figure who no longer valued Jewish identity and behavior opposing them for both Jew and non Jew in his assemblies This prevailing version of Paul depends heavily upon certain interpretations of key flashpoint passages In this book and the subsequent volumes in this series Mark Nanos undertakes to test a Paul within Judaism re reading of the apostle especially of these flashpoint texts Nanos demonstrates how traditional conclusions about Paul and the meaning of his letters are dramatically altered by testing the hypothesis that the historical Paul practiced a Jewish Torah observant way of life and that he expected those whom he addressed to know that he did so Nanos also tests the hypothesis that the non Jews addressed were expected to know that his guidance was based on promoting a Jewish way of life for themselves at the same time insisting that they remain non Jews and thus not technically under Torah on the same terms as himself and the other Jews in this new Jewish movement In conversation with the prevailing views Nanos argues that the Paul within Judaism perspective offers not only more historically probable

interpretations of Paul's texts but also more promise for better relations between Christians and Jews because these texts have informed Christian concepts of ways of talking about and behavior toward Jews based on the premise that Paul considered Jews and Judaism the mirror opposites of what Christians should be and become **Paul, His Letters, and Acts**

○ Thomas E. Phillips, 2010-01-01 Aside from Jesus the Apostle Paul had the greatest formative influence on the early Christian movement Yet who was this passionate missionary who carried the message of Christ throughout the Mediterranean world The New Testament writings give us not one but two portraits of Paul We read numerous details of Paul's life and relationships in the Book of Acts and we also find an additional set of details about Paul's activities in his letters Yet how consistent are these two portraits And which one gives us the most accurate picture of the historical Paul In this volume Thomas E Phillips examines the portrayals of Paul in recent biblical scholarship in the light of these two major NT portraits Believing the apostolic conference at Jerusalem to be a watershed event Phillips draws conclusions that help contemporary readers get a more accurate picture of Paul

## **Paul And His Opponents Pauline Studies Pauline Studies** Book Review: Unveiling the Power of Words

In a world driven by information and connectivity, the energy of words has become more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such could be the essence of the book **Paul And His Opponents Pauline Studies Pauline Studies**, a literary masterpiece that delves deep to the significance of words and their effect on our lives. Written by a renowned author, this captivating work takes readers on a transformative journey, unraveling the secrets and potential behind every word. In this review, we shall explore the book's key themes, examine its writing style, and analyze its overall affect readers.

### **Paul And His Opponents Pauline Studies Pauline Studies Introduction**

In today's digital age, the availability of Paul And His Opponents Pauline Studies Pauline Studies books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Paul And His Opponents Pauline Studies Pauline Studies books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Paul And His Opponents Pauline Studies Pauline Studies books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Paul And His Opponents Pauline Studies Pauline Studies versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Paul And His Opponents Pauline Studies Pauline Studies books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Paul And His Opponents Pauline Studies Pauline Studies books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Paul And His Opponents Pauline Studies Pauline Studies books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Paul And His Opponents Pauline Studies Pauline Studies books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Paul And His Opponents Pauline Studies Pauline Studies books and manuals for download and embark on your journey of knowledge?

### **FAQs About Paul And His Opponents Pauline Studies Pauline Studies Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Paul And His Opponents Pauline Studies Pauline Studies is one of the best book in our library for free trial. We provide copy of Paul And His Opponents Pauline Studies Pauline Studies in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Paul And His Opponents Pauline Studies Pauline Studies. Where to download Paul And His Opponents Pauline Studies Pauline Studies online for free? Are you looking for Paul And His Opponents Pauline Studies Pauline Studies PDF?

This is definitely going to save you time and cash in something you should think about.
