

Paul Bunyan

He rode through the woods on a big blue ox,
He had fists as hard as choppin' blocks,
Five hundred pounds and nine feet tall...that's Paul.

Talk about workin', when he swung his axe
You could hear it ring for a mile and a half.
Then he'd yell 'Timber!' and down she'd fall...for Paul.

Talk about drinkin', that man's so mean
That he'd never drink nothin' but kerosene,
And a five-gallon can is a little bit small...for Paul.

Talk about tough, well he once had a fight
With a thunderstorm on a cold dark night.
I ain't sayin' who won,
But it don't storm at all...round here...thanks to Paul.

He was ninety years old when he said with a sigh,
'I think I'm gonna lay right down and die
'Cause sunshine and sorrow, I've seen it all...says Paul.

He says, 'There ain't no man alive can kill me,
Ain't no woman 'round can thrill me,
And I think heaven just might be a ball'...says Paul.

So he died...can we cried.

It took eighteen men just to bust the ground,
It took twenty-four more just to lower him down.
And we covered him up and we figured that was all...for Paul.

But late one night the trees started shakin',
The dogs started howlin' and the earth started quakin',
And out of the ground with a 'Hi, y'all'...comes Paul!

He shook the dirt from off his clothes,
He scratched his butt and wiped his nose.
'Y'kknow, bein' dead wasn't no fun at all'...says Paul.

He says, 'Up in heaven they got harps on their knees,
They got clouds and wings but they got no trees.
I don't think that's much of a heaven at all'...says Paul.

So he jumps on his ox with a fare-thee-well,
He says, 'I'll find out if there's trees in hell.'
And he rode away, and that was all...we ever seen...of Paul.

Shel Silverstein

Paul Bunyan And Other Poems

Arthur Stanley Bourinot

Paul Bunyan And Other Poems:

Paul Bunyan and Other Poems Harold Griffin, 1977-01-01 **Paul Bunyan, Three Lincoln Poems and Other Verse** Arthur Stanley Bourinot, 1961 The Complete Works of W. H. Auden: Poems, Volume II W. H. Auden, 2022-06-14 The second of two volumes of the eagerly anticipated first complete edition of Auden's poems including some that have never been published before W H Auden 1907 1973 is one of the greatest poets of the twentieth century and his reputation has only grown since his death Published on the hundredth anniversary of the year in which he began to write poetry this is the second volume of the first complete edition of Auden's poems Edited introduced and annotated by renowned Auden scholar Edward Mendelson this definitive edition includes all the poems Auden wrote for publication in their original texts and all his later revised versions as well as poems and songs he never published some of them printed here for the first time This volume follows Auden as a mature artist containing all the poems that he published or submitted for publication from 1940 until his death in 1973 at age sixty six This includes all his poetry collections from this period from *The Double Man* 1941 through *Epistle to a Godson* 1972 The volume also features an edited version of his incomplete posthumous book *Thank You Fog* as well as his self designated posthumous poems The main text presents the poems in their original published versions The notes include the extensive revisions that he made to his poems over the course of his career and provide explanations of obscure references The first volume of this edition *Poems Volume I 1927 1939* is also available *The Cambridge Companion to W. H. Auden* Stan Smith, 2005-01-13 This volume brings together specially commissioned essays by some of the world's leading experts on the life and work of W H Auden one of the major English speaking poets of the twentieth century The volume's contributors include a prize winning poet Auden's literary executor and editor and his most recent widely acclaimed biographer It offers fresh perspectives on his work from Auden critics alongside specialists from such diverse fields as drama ecological and travel studies It provides scholars students and general readers with a comprehensive and authoritative account of Auden's life and works in clear and accessible English Besides providing authoritative accounts of the key moments and dominant themes of his poetic development the Companion examines his language style and formal innovation his prose and critical writing and his ideas about sexuality religion psychoanalysis politics landscape ecology and globalisation It also contains a comprehensive bibliography of writings about Auden The Cambridge Companion to British Poetry, 1945-2010 Edward Larrissy, 2016 This Companion brings together sixteen essays that explore the full diversity of British poetry since the Second World War Focusing on famous and neglected names alike from Dylan Thomas to John Agard leading scholars provide readers with insight into the ongoing importance and profundity of post war poetry **Creative Canada** , 1972-12-15 Did he ever play Hamlet Has she worked in television What was the title of his first novel Under whom did she study How many children has he Answers to such questions about contemporary Canadian artists have often been difficult even impossible to find This series has been created to provide the answers it covers creative and performing artists

who have contributed as individuals to the culture of Canada in the twentieth century Each volume in the series presents a cross section of many different kinds of artists authors of imaginative works artists and sculptors musicians performers composers conductors and directors and performing artists in ballet modern dance radio theatre television and motion pictures directors designers and producers in theatre cinema radio television and the dance choreographers and for cinema cartoonists and animators Within each category of art is included a selection of those who have achieved national and international recognition those who have been recognized locally and some now deceased who markedly influenced their contemporaries locally nationally or internationally This is not a critical compilation rather it is an objective and factual reference work for those interested in contemporary Canadian culture Information was collected by painstaking research in a wide variety of sources and wherever possible it has been verified by the artist to make each entry as accurate and comprehensive as possible

Faulkner's Country Matters Daniel Hoffman, 1999-03-01 Daniel Hoffman's bold new readings reveal unsuspected dimensions in Faulkner's *The Unvanquished* *The Hamlet* and *Go Down Moses* He shows how these works often regarded as disunified collections of short stories and novellas are coherent and successful experiments in novelistic form These last three novels of Faulkner's great period are striated with folklore and structured with myths They teem with folk motifs of comic exaggeration deception horse trading tall tale humor Hitherto critics unversed in folklore have been able to treat these aspects only in generalities Here drawing on fieldwork from the Mississippi Writers Project in the 1930s the author of *Poe Poe Poe Poe Poe Poe Poe and the influential Form and Fable in America* Fiction demonstrates in detail Faulkner's ironical subversive and transformative appropriations of folklore plots characters comedy language and the style of oral tale telling setting these in the full complexity of the works they animate Hoffman shows too how in imagining his dynastic novels Faulkner interprets myth as history history as myth He challenges recent deconstructive post Marxist and structuralist readings of *The Bear* and demonstrates the necessity on the reader's part for an historical imagination to complement Faulkner's own Written with verve Faulkner's *Country Matters* enriches our reading of Faulkner by presenting his work in its necessary settings of southern history and culture Faulkner's modernism is restated as a continuance of the great American fiction tradition of Hawthorne Melville and Mark Twain

Robert Frost Among His Poems Jeffrey S. Cramer, 2007-07-30 Based on the arrangement of *The Poetry of Robert Frost* 1969 Part One of this work attempts to identify Frost's intentions by placing each poem in the biographical historical and geographical context of his life It further examines conscious and unconscious points of association annotates words and phrases and provides when possible a date of composition along with the place of publication Part Two consists of an annotated bibliography of poems published during Frost's life but uncollected at the time of his death and those published posthumously or yet collected

Rethinking Britten Philip Rupprecht, 2013-09-19 This book offers a new account of the composer's enduring popularity 12 essays by a group of leading senior and emerging scholars offer fresh historical and interpretive contexts for all phases of Britten's career

Progressive Heritage James Doyle, 2006-01-01 Most critics and literary historians have ignored Marxist inspired creative literature in Canada or dismissed it as an ephemeral phenomenon of the 1930s Research reveals however that from the 1920s onward Canadian creative writers influenced by Marxist ideas have produced a quantitatively substantial and artistically significant body of poetry drama fiction and non fiction This book traces historically and evaluates critically this tradition with particular emphasis on writers who were associated with or sympathetic to the Communist Party of Canada After two chapters surveying the work of anti capitalist writers of the nineteenth and early twentieth centuries the book concentrates on the development of Marxist inspired writing from the 1920s to the end of the twentieth century Besides devoting attention to both social and theoretical backgrounds this study provides critical commentary on work by prominent writers who spent part of their literary careers as Communist Party members including Dorothy Livesay Patrick Anderson Milton Acorn and George Ryga as well as less well known but more fervent Communists such as Margaret Fairley Dyson Carter Joe Wallace Stanley Ryerson and Jean Jules Richard Although primarily concerned with the older generation of Marxists who flourished between the 1920s and the 1970s the book also includes a chapter on the post 1970s New Left

Favorite Poems Old and New , 1957-09-01 Children are poets before they grow up and they should live with poems I hope this book will encourage them to do so Eleanor Roosevelt Beloved and treasured for over 60 years here is the only poetry collection your family needs brimming with favorite classic poems carefully selected to inspire young readers Over 700 classic and modern poems written by poets from William Shakespeare to J R R Tolkien Emily Dickinson to Langston Hughes and covering a range of favorite topics pets playtime family nature and nonsense ensure that there s a poem to please every child A truly comprehensive collection that is the ideal way of introducing children to the joys of reading poetry If your children think they don t like poetry expose them to this collection and I defy them to resist its magic Kirkus A fine book for parents to read aloud to their children Library Journal This volume stands out for the comprehensiveness of its selection The Horn Book *Creativity and Children's Literature* Marianne Saccardi, 2014-07-31 Today s students need to be able to do more than score well on tests they must be creative thinkers and problem solvers The tools in this book will help teachers and parents start students on the path to becoming innovative successful individuals in the 21st century workforce The children in classrooms today will soon become adult members of society they will need to apply divergent thinking skills to be effective in all aspects of their lives regardless of their specific occupation How well your students meet complicated challenges and take advantage of the opportunities before them decades down the road will depend largely upon the kind of thinking they are trained and encouraged to do today This book provides a game plan for busy librarians and teachers to develop their students abilities to arrive at new ideas by utilizing children s books at hand Following an introduction in which the author defines divergent thinking discusses its characteristics and establishes its vital importance chapters dedicated to types of literature for children such as fantasy poetry and non fiction present specific titles and relevant activities geared to

fostering divergent thinking in young minds Parents will find the recommendations of the kinds of books to read with their children and explanations of how to engage their children in conversations that will help their creative thinking skills extremely beneficial The book also includes a case study of a fourth grade class that applied the principles of divergent thinking to imagine innovative designs and come up with new ideas while studying a social studies science unit on ecology

Growing Up with Grammar 3 Gordon Winch,2003-01-01 The Growing up with Grammar series and its adjunct the Primary Grammar Dictionary are at the cutting edge of modern practice in the teaching of English grammar in the primary school The four student books cover the development of necessary grammatical knowledge from the early years to the end of the junior school in a practical and readily accessible form The grammar is taught within the context of use across a spectrum of literary and factual text types and insights on modern grammar beyond the sentence are included The series has been carefully researched and is written by one of the most published authors in the field of primary school English in Australia

The Brain of Robert Frost Norman N. Holland,2024-02-02 Originally published in 1988 this book brings brain science to literary criticism The Brain of Robert Frost combines psychoanalysis with the findings of brain research and cognitive psychology to model the way we create and respond to literature Norman Holland draws three central ideas from the mind s new science the critical supercharged period in infancy when individuality is formed the binding of emotion to intellect deep in the old brain the top down inside out feedback processing of language in the new Then using Robert Frost as an example both of a writer and a reader and comparing Frost s reading of a poem to readings by six professors of literature Holland builds a new powerful way of thinking about literary criticism and teaching A book about literary cognition The Brain of Robert Frost furthers our understanding of the reading process of poet s brains and of our own

Dictionary of Midwestern Literature, Volume Two Philip A. Greasley,2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that demonstrates the Midwest s continuing cultural vitality and the stature and distinctiveness of its literature

Every Day a Holiday Elizabeth Raum,2001 Matches quality children s books with each day of the year to provide a focus for story time The lessons in this book will help children develop creative connections between reading and the world around them introducing them to many other people and places throughout the world

Poems for Building Reading Skills Level 5 Timothy Rasinski,Brod Bagert,2010-03-01 Support reading comprehension through analyzing poems written in engaging student voices for poetic devices word choice and meaning Coauthored by renowned fluency expert Timothy Rasinski this

resource allows students to read perform and explore poetry and its elements while also learning to write their own original poetry With research based activities and lessons focused on developing reading comprehension students will become completely immersed in language and reading The included Audio CD allows students to hear the poems read fluently and with expression **Merriam-Webster's Encyclopedia of Literature** Merriam-Webster, Inc,1995 Describes authors works and literary terms from all eras and all parts of the world Harvest Poems, 1910-1960 Carl Sandburg,1960 A representative selection of poems culled from the Pulitzer Prize winning poet s published verse plus thirteen poems appearing in book form for the first time Sandburg s poetry is independent honest direct lyric and it endures clamorous and muted magical as life itself New York Times Introduction by Mark Van Doren **W.H. Auden Encyclopedia** David Garrett Izzo,2015-05-07 W H Auden s life and work were perhaps best explained and condensed in the words of Edward Mendelson Auden s literary executor when he remarked Auden grew up in a household in which the scientific inquiries of his father maintained an uneasy truce with the ritualized religion of his mother Indeed science and religion were dominant themes in Auden s life and work which for him were oftentimes one and the same Auden was hailed as the new T S Eliot and as the coming man greatly influencing the future generations of angry young men with his thoughts on science religion and the relationship between the two This book is an exhaustive reference to W H Auden Those new to Auden and his writing will find the work a comprehensive introduction while Auden scholars will appreciate the quick access it offers to the details of all his poems plays libretti and other pieces of writing It also includes entries on the people who were closest and most important to Auden including fellow writers Christopher Isherwood Stephen Spender C Day Lewis Edward Upward and T S Eliot as well as significant events in his life such as his arrival in America his vision of agape and his search in science and religion for answers to the deep questions of life and existence
