The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles

God and Mammon and What Was Lost François Mauriac, 2003-09-03 François Mauriac winner of the 1952 Nobel Prize in literature is one of the most prominent Catholic novelists of the modern era yet in the English speaking world he is known primarily for only one novel 1927 s *Thérèse Desqueyroux* In this new translation of two other seminal works by Mauriac the 1930 novel *What Was Lost* and its theoretical basis the 1929 essay *God and Mammon* Raymond N MacKenzie re introduces Mauriac to the English speaking world Featuring a scholarly introduction by MacKenzie that provides background on Mauriac s religious and artistic struggles this new edition will delight scholars of Mauriac as well as contemporary readers previously unfamiliar with his work

The Triumph of the Dark Zara Steiner, 2011-03-31 In this magisterial narrative Zara Steiner traces the twisted road to war that began with Hitler s assumption of power in Germany Covering a wide geographical canvas from America to the Far East Steiner provides an indispensable reassessment of the most disputed events of these tumultuous years Steiner underlines the far reaching consequences of the Great Depression which shifted the

initiative in international affairs from those who upheld the status quo to those who were intent on destroying it In Europe the 1930s were Hitler s years He moved the major chess pieces on the board forcing the others to respond From the start Steiner argues he intended war and he repeatedly gambled on Germany s future to acquire the necessary resources to fulfil his continental ambitions Only war could have stopped him an unwelcome message for most of Europe Misperception miscomprehension and misjudgment on the part of the other Great Powers leaders opened the way for Hitler s repeated diplomatic successes It is ideology that distinguished the Hitler era from previous struggles for the mastery of Europe Ideological presumptions created false images and raised barriers to understanding that even good intelligence could not penetrate Only when the leaders of Britain and France realized the scale of Hitler s ambition and the challenge Germany posed to their Great Power status did they finally declare war **I Suffer Therefore I Am** Pascal Bruckner,2025-08-21 In the West today suffering has become a new sacred cow Once a common feature of the human condition it is now a special trait you can use to impress your contemporaries It provides you with a borrowed identity transforming you into an exceptional being who can show off on the public stage at little cost Everyone flaunts their certificate of affliction positioning themselves above their peers Even those who are well off and powerful seek to find a place in the aristocracy of the margins creating new castes of the dispossessed at the expense of the truly unfortunate Infused with bitterness this cult of the victim glorifies the martyr figure and feeds into the passions of revenge and resentment This is the message of our age we are all victims and entitled to feel sorry for ourselves The submissive humanity of Christianity and the arrogant humanity of modernity have now been replaced by a victimized humanity allergic to distress Pampered coddled raised in fear and sensitivity how will younger generations be able to confront the chaotic world that awaits them marked by war violence terrorism and climate chaos Who will teach them the courage to endure to face setbacks head on without faltering in the face of misfortune **Forming Fathers: Seminary Wisdom for Every Priest** Fr. Carter Griffin,2022-07-01 Priests are called to be worthy spiritual fathers to the souls entrusted to their care Years of seminary formation ideally forge them into faithful generous healthy priests ready to serve the needs of the Church But priests are not immune to the busyness pressures and distractions of a life of ministry Over time the lessons from their formation can fade into the background Forming Fathers Seminary Wisdom for Every Priest seeks to remind priests of the lessons so greatly needed to fulfill their calling faithfully Originally delivered by Fr Carter Griffin as talks to seminarians this series of short inspiring vignettes can help rekindle a priest s first love and awaken the aspirations that brought him into the seminary in the first place Much of what is contained in these pages is also applicable to Catholic laymen themselves called to the virtues of Christian manhood the responsibilities of discipleship and the dignity of spiritual fatherhood Fr Griffin covers such central topics as the life of prayer offering Holy Mass well the importance of priestly friendships and the need for fortitude He addresses challenging issues such as chaste celibacy loving the Church and living material simplicity with simple truth Priests may benefit most however from some of

the themes that might have been overlooked in their seminary days the importance of courtesy the vital role of order and daily exposure to beauty the virtue of magnanimity and its impact on priestly happiness and exercising priestly leadership

Joseph Louis, 1969 **Man from Babel** Eugène Jolas, 1998-01-01 The autobiography of Eugene Jolas available for the first time nearly half a century after his death in 1952 is the story of a man who as the editor of the expatriate American literary magazine transition was the first publisher of James Joyce's *Finnegans Wake* and other signal works of the modernist period Jolas's memoir provides often comical and compelling details about such leading modernist figures as Joyce Stein Hemingway Breton and Gide and about the political aesthetic and social concerns of the Surrealists Expressionists and other literary figures during the 1920s and 1930s *Man from Babel* both enriches and challenges our view of international modernism and the historical avant garde Born in New Jersey of immigrant parents Jolas moved back to France with them at the age of two He grew up in the borderland of Lorraine and later lived in Paris Berlin London and New York where he pursued a career as a journalist and aspiring poet As an American press officer after the war Jolas was actively involved in the denazification of German intellectual life A champion of the international avant garde he continually sought translinguistic transcultural and suprapolitical bridges that would transform Western culture into a unified continuum Compiled and edited from Jolas's drafts and illustrated with contemporary photographs this memoir not only reveals the multicultural concerns of the man from Babel as Jolas saw himself but also illuminates an entire literary and historical era *John Bradburne* Renato

Tomei, 2019-01-17 This volume contains contributions based on the papers presented at the First International Conference on John Bradburne 1921-1979 Poet Mystic and Martyr held at the Università per Stranieri di Perugia Italy in March 2017 Each contributor adopts a broad perspective investigating different elements and domains such as poetry literature translation spirituality and mysticism The essays gathered here reflect the multifaceted experience of John Bradburne's life and the turbulent times he encountered in mid 20th century Rhodesia The volume provides a foundation for further exploration of the literary theological and humanitarian legacies of John Bradburne and will serve to act as a stimulus for his eventual recognition as a saint of the 20th century

The Composer As Intellectual Jane F. Fulcher, 2005-08-25 In *The Composer as Intellectual* musicologist Jane Fulcher reveals the extent to which leading French composers between the World Wars were not only aware of but also engaged intellectually and creatively with the central political and ideological issues of the period Employing recent sociological and historical insights she demonstrates the extent to which composers particularly those in Paris since the Dreyfus Affair considered themselves and were considered to be intellectuals and interacted closely with intellectuals in other fields Their consciousness raised by the First World War and the xenophobic nationalism of official culture some joined parties or movements allying themselves with and propagating different sets of cultural and political

social goals Fulcher shows how these composers furthered their ideals through the specific language and means of their art rejecting the dominant cultural exclusions or constraints of conservative postwar institutions and creatively translating their cultural values into terms of form and style This was not only the case with Debussy in wartime but with Ravel in the twenties when he became a socialist and unequivocally refused to espouse a narrow exclusionary nationalism It was also the case with the group called Les Six who responded culturally in the twenties and then politically in the thirties when most of them supported the programs of the Popular Front Others could not be enthusiastic about the latter and largely excluded from official culture sought out more compatible movements or returned to the Catholic Church Like many French Catholics they faced the crisis of Catholicism in the thirties when the church not only supported Franco but Mussolini's imperialistic aggression in Ethiopia While Poulenc embraced traditional Catholicism Messiaen turned to more progressive Catholic movements that embraced modern art and insisted that religion must cross national and racial boundaries Fulcher demonstrates how closely music had become a field of clashing ideologies in this period She shows also how certain French composers responded and how their responses influenced specific aspects of their professional and stylistic development She thus argues that from this perspective we can not only better understand specific aspects of the stylistic evolution of these composers but also perceive the role that their art played in the ideological battles and in heightening cultural political awareness of their time
