

Paul Muldoon

Paul Muldoon

Paul Muldoon:

The Word on the Street Paul Muldoon,2013-02-19 For music inspired by these lyrics please visit www.waysideshrines.org
Back of jacket Poems 1968-1998 Paul Muldoon,2002-04-03 Yet my eye is drawn once again Almost against its wishes To the figure in the shadows Willowy and clean shaven As if he simply wandered in Between mending that fuse And washing the breakfast dishes The Bearded Woman by Ribera Sven Birkerts has said It is not usual for a poet of Muldoon's years to have an oeuvre disclosing significant shifts and evolutions But Muldoon more than most is an artist in high flight from self repetition and the deadening business of living up to created expectations The body of work in Poems 1968 1998 a comprehensive gathering of Paul Muldoon's eight volumes finds a great poet reinventing himself and recreating the business of poetry The thirty year effort of Muldoon's career thus far is altogether like a fascinatingly mutable climate in which each freshening period brings as his first collection was predictively titled **new weather** **Howdie-Skelp** Paul Muldoon,2021-11-16 The Pulitzer Prize winning poet delivers a sharp wake up call with his fourteenth collection **A howdie skelp** is the slap in the face a midwife gives a newborn It's a wake up call A call to action The poems in **Howdie Skelp** Paul Muldoon's new collection include a nightmarish remake of *The Waste Land* an elegy for his fellow Northern Irish poet Ciaran Carson a heroic crown of sonnets that responds to the early days of the COVID 19 pandemic a translation from the ninth century Irish and a Yeatsian sequence of ekphrastic poems that call into question the very idea of an affront to good taste Muldoon is a poet who continues not only to capture but to command our attention **General Admission** Paul Muldoon,2006-01-01 **General Admission** is a collection of lyrics and poetry by Paul Muldoon **Paul Muldoon and the Language of Poetry** Ruben Moi,2020-01-13 **Paul Muldoon and the Language of Poetry** is the first book in years that attends to the entire oeuvre of the Irish American poet critic lyricist dramatist and Princeton professor from his debut with *New Weather* in 1973 up to his very recent publications Ruben Moi's book explores in correspondence with language philosophy and critical debate how Muldoon's ingenious language and inventive form give shape and significance to his poetry and how his linguistic panache and technical verve keep language forever surprising new and alive **Frolic and Detour** Paul Muldoon,2019-11-19 A new collection from the Pulitzer Prize winning poet **Though Frolic and Detour** is Paul Muldoon's thirteenth collection it shows all the energy and ambition we might generally associate with a first book Here the poet brings his characteristic humor and humanity to the chickadee the house wren the deaths of Leonard Cohen and C K Williams the Irish Rising the Great War and how a streak of ragwort may yet shine as an off the record remark becomes the party line **Frolic and Detour** reminds us that the sidelong glance is the sweetest the tangential approach the most telling and shows us why Paul Muldoon was described by Nick Laird writing in *The New York Review of Books* as the most formally ambitious and technically innovative of modern poets who writes poems like no one else **One Thousand Things Worth Knowing** Paul Muldoon,2015-01-13 A new collection of poems by Pulitzer Prize winner Paul Muldoon **The End of the Poem** Paul

Muldoon,2024-09-04 In *The End of the Poem* Paul Muldoon the most significant English language poet born since the Second World War The Times Literary Supplement presents engaging rigorous and insightful explorations of a diverse group of poems from Yeats's *All Souls Night* to Stevie Smith's *I Remember* to Fernando Pessoa's *Autopsychography* Here Muldoon reminds us that the word poem comes via French from the Latin and Greek a thing made or created He asks Can a poem ever be a freestanding discrete structure or must it always interface with the whole of its author's bibliography and biography Muldoon explores the boundlessness the illimitability created by influence what Robert Frost meant when he insisted that the way to read a poem in prose or verse is in the light of all the other poems ever written And he writes of the boundaries or borders between writer and reader and the extent to which one determines the role of the other At the end Muldoon returns to the most fruitful and fraught aspect of the phrase the end of the poem the interpretation that centers on the aim or function of a poem and the question of whether or not the end of the poem is the beginning of criticism Irreverent deeply learned often funny and always stimulating *The End of the Poem* is a vigorous and accessible approach to looking at poetry anew

Knowing My Place Paul Muldoon,1971-01-01 *Selected Poems, 1968-2014* Paul Muldoon,2016-11-22 The most significant English Language poet born since the second world war The Times Literary Supplement *Selected Poems 1968-2014* offers forty six years of work drawn from twelve individual collections by a poet who began as a prodigy and has gone on to become a virtuoso Michael Hofmann Hailed by Seamus Heaney as one of the era's true originals Paul Muldoon seems determined to escape definition yet this volume compiled by the poet himself serves as an indispensable introduction to his trademark combination of intellectual hijinks and emotional honesty Among his many honors are the Pulitzer Prize for Poetry and the Shakespeare Prize for contributions from English speaking Europe to the European inheritance Among contemporaries Paul Muldoon one of the great poets of the past hundred years who can be everything in his poems word playful lyrical hilarious melancholy And angry Only Yeats before him could write with such measured fury Roger Rosenblatt The New York Times *Dislocations* John Kinsella,2019-07 Roger Rosenblatt writing in the New York Times in 2016 described Paul Muldoon as one of the great poets of the past hundred years who can be everything in his poems word playful lyrical hilarious melancholy And angry Only Yeats before him could write with such measured fury This is a selection chosen by poet John Kinsella of some of the more linguistically innovative and overtly experimental poems from Muldoon's extensive and verbally rich oeuvre Muldoon is always innovative and electric but the focus in this selection is on linguistic departures in his own practice Both inside and outside the avant garde Muldoon is ultimately a maverick whose unique voice is nonetheless steeped in the politics of a bilingual Irish poetics with a forensic dissection of New World Old World false verbal dynamics We see and hear his poems in juxtaposition and proximity in terms of those elements of his work that are possibly less appreciated and discussed by those who cast him as a lyrical purist who plays with language Muldoon's is a poetry that is compelled propelled and is political in complex arrays and isn't about gameplay per se but a politics of language Muldoon

has a driving purpose in all he writes and the reader and listener may begin to get a sense of the possibilities of this purpose through engaging with this book

Paul Muldoon Tim Kendall, Peter McDonald, 2004-01-01 The authors of these essays see Muldoon from many different angles biographical formal literary historical generic but are also engaged in directing attention to complex moments of creativity in which an extraordinary amount of originality is concentrated and on the clarity of which a lot depends

The Poetry of Paul Muldoon Jefferson Holdridge, 2008-08-01 The Poetry of Paul Muldoon introduces the student and general reader to the critical discussion surrounding Muldoon's oeuvre as well as to his major themes It examines the poet's meditations on culture and nature human and animal speculations on the act of perception figures fragmented by the Troubles and philosophical considerations of colonisation It then discusses what rank among the most beautiful and intricate elegies of our time For Muldoon art's complicity in suffering is a political self-indicting question which his best poems endeavour to answer If sometimes this Pulitzer Prize winner insists that art has a positive role to play at other times he fears that it merely feeds off the carnage This critical book shows how for Muldoon art should not merely repeat the devastation of the world although he is afraid that it does and engages in bitter moral despair that places his work among the very best any contemporary poet has written The Poetry of Paul Muldoon unearths difficult questions of form with a metaphysical significance that is suitable to our times

Quoof Paul Muldoon, 2010-12-09 These poems delight in a wily mischievous nonchalant negotiation between the affections and attachments of Muldoon's own childhood family and place and the ironic discriminations of a cool literary sensibility and historical awareness Times Literary Supplement

Mules Paul Muldoon, 2010-12-09 Mules Paul Muldoon's second collection was published in 1977 Muldoon seems to me unusually gifted endowed with an individual sense of rhythm a natural and copious vocabulary a technical accomplishment and an intellectual boldness that mark him as the most promising poet to appear in Ireland for years Seamus Heaney

Why Brownlee Left Paul Muldoon, 2010-12-09 Why Brownlee Left Paul Muldoon's third collection was published in 1980

Joy in Service on Rue Tagore Paul Muldoon, 2024-09-10 Is there any living poet with as skilled an ear as McSweeney's The answer resounds Muldoon is a true original Since his 1973 debut *New Weather* Paul Muldoon has created some of the most original and memorable poetry of the past half century *Joy in Service on Rue Tagore* sees him writing with the same verve and distinction that have consistently won him the highest accolades Here from artichokes to zinc Muldoon navigates an alphabet of image and history through barleymen and Irish slavers to the last running wolf in Ulster The search involves the accumulated bric a brac of a life and a reckoning along the way of gains against loss In the poet's skillful hands ancient maps are unfurled and brought into focus the aggregation of Imperial Rome and the dismantling of Standard Oil the pogroms of a Ukrainian ravine and of a Belfast shipyard Through modern medicine and warfare disaster and repair these poems are electric in their energy while profoundly humane in their line of inquiry

Songs and Sonnets Paul Muldoon, 2013-03-26 In this selection from five years worth of lyrics accompanied by recent sonnets Paul Muldoon recalls the bardic traditions of his

homeland where songs and poems exist somewhere in between Parnassus and Tin Pan Alley **New Weather** Paul Muldoon, 2011-08-04 New Weather was Paul Muldoon's first book of poems. When it appeared in 1973, Seamus Heaney described its author as unusually gifted, endowed with an individual sense of rhythm, a natural and copious vocabulary, a technical accomplishment, and an intellectual boldness that mark him as the most promising poet to appear in Ireland for years. While the promise has been amply fulfilled, New Weather gives the poet's many more recent admirers the opportunity to see what a versatile and substantial artist he was from the outset.

Paul Muldoon in America Alex Alonso, 2021-09-09 Paul Muldoon was looking west long before he left Ireland for the United States in 1987, and his Transatlantic departure would prove to be a turning point in his life and work. In America, Muldoon's creative repertoire has extended into song writing, libretti, and literary criticism, while his poetry collections have extended to outlandish proportions, typified in recent years by a level of formal intensity that is unique in modern poetry. To leave Northern Ireland, though, is not necessarily to leave it behind. Muldoon has spoken of his sense of belonging to several places at once, and in the United States he has found another creative gear, new modes of performance facilitated by his Irish migratory status. Focusing on the protean work of his American period, this book explores Muldoon's expansive structural imagination, his investment in Eros and errors, the nimbleness of his allusive practice as both a reader and writer, and the mobility of his Transatlantic position. It raises questions about the Irish poet as a westward voyager, about Irish-American cultural exchange, and how departures for Muldoon seem to be a precondition for return, indeed, returns of many different kinds. It also draws on archival research to produce provocative new readings of Muldoon's later works. Exploring the poetic and literary critical long forms that are now his hallmark, this volume places the most significant works of Muldoon's American period under the microscope and opens up the intricate formal schemes of a poet Mick Imlah credits as having reinvented the possibilities of rhyme for our time.

Reviewing **Paul Muldoon**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is actually astonishing. Within the pages of "**Paul Muldoon**," an enthralling opus penned by a very acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve into the book's central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
