Davis, 1998 *Paul Robeson Jr Speaks* Paul Robeson Jr., 1997-02 Robeson argues that the controversy about multiculturalism is in fact a struggle over the values of national culture More than a question of race and gender the debate is about whether melting pot culture should be replaced by a mosaic culture of the diverse values of America s population **Sing and Shout** Susan Goldman Rubin, 2020-04-07 This comprehensive biography explores the tumultuous and passionate life of activist singer and actor Paul Robeson When faced with the decision to remain silent or be ostracized Paul Robeson chose to sing shout and speak out *Sing and Shout The Mighty Voice of Paul Robeson* explores how Robeson s love of African American spirituals and deep empathy towards the suffering of others drove his long fervent mission as a civil rights activist and his career as an artist Although he was also an actor singing was Robeson s defining talent and where he could best express himself After exploring socialism Robeson was targeted by the U S government for speaking out about discrimination against African Americans and for his political views He was labeled a communist during the height of the Cold War and found himself stripped of his U S passport But Robeson never gave in and continued to perform and speak out The book is based on author Susan Goldman Rubin s extensive research including fieldwork in Harlem NY in Princeton and Somerville NJ and at Rutgers University in New Brunswick NJ Includes an author s note resources source notes index and a preface by author Harry Belafonte *Everything Man* Shana L. musician and Christian activist Liu Liangmo and Sino Caribbean dancer choreographer Sylvia Si lan Chen Charting a new path in the study of Sino American relations Gao Yunxiang foregrounds African Americans combining the study of Black internationalism and the experiences of Chinese Americans with a transpacific narrative and an understanding of the global remaking of China s modern popular culture and politics Gao reveals earlier and more widespread interactions between Chinese and African American leftists than accounts of the familiar alliance between the Black radicals and the Maoist Chinese would have us believe The book s multilingual approach draws from massive yet rarely used archival streams in China and in Chinatowns and elsewhere in the United States These materials allow Gao to retell the well known stories of Du Bois Robeson and Hughes alongside the sagas of Liu and Chen in a work that will transform and redefine Afro Asia studies
