Speak Well of Me W. Sydney Robinson, 2017-06-01 Sir Ronald Harwood is one of the foremost playwrights and screenplay writers alive today He is most noted for his plays for the British stage as well as the screenplays for *The Dresser* for which he was nominated for an Oscar and *The Pianist* for which he won the 2003 Academy Award for Best Adapted Screenplay He was nominated for the Best Adapted Screenplay Oscar for *The Diving Bell and the Butterfly* 2007 This book is aimed not only at lovers of cinema and theatre but also readers who are interested in the human struggle of a man who has overcome great obstacles to achieve success in his chosen field It will explore some of the moral dilemmas which Sir Ronald has faced in his own lifetime from the guilt of having accepted the apartheid system while growing up in South Africa to his decision to collaborate on two occasions with the controversial film director Roman Polanski

The Masks of King Lear Marvin Rosenberg, 1992 *LEAR* Does Lear walk thus Speak thus Who is it that can tell me who I am Centuries of critics and actors have tried to tell but Lear's identity and the meaning of his action in the play are still touched with enigma This book seeks Shakespeare's intentions in *King Lear* in new ways It explores major interpretations of distinguished actors and directors as well as of critics from England the United States France Belgium Japan Sweden Norway Germany Italy the Soviet Union Czechoslovakia Romania Hungary Bulgaria and Poland Is the play unsuited for the stage as Charles Lamb and others have declared How in fact has it been staged and how visualized by critics Is Lear designed to be a frail and aging old man A powerful image of authority Mad or senile to begin with A kindly old father Everyman All of these None Does the play end with redemption Unmitigated despair Is it Christian Pagan Mr Rosenberg confronts these and other questions from the base of his study and personal experience of the play To deepen the theatrical side of that experience he began as he did in his *The Masks of Othello* with an involvement in the staged play he directed and acted in *Othello* and he followed a production of

King Lear through two months of rehearsal and performance One by product of this intense participation was a discovery of some special qualities in the language of the play To achieve a better understanding of these qualities Mr Rosenberg put Lear s vocabulary through a computer and established a concordance of every word both for the play as a whole and for each character Interesting structural elements in Shakespeare s language become apparent Recognizing the difficulty for a critic of responding afresh to Shakespeare s craftsmanship in characterization and in arousing expectation Mr Rosenberg also arranged to expose the play to spectators who had never seen or read it The response of this naive audience after attending performances was curious and illuminating The author believes that any critical approach must be used that will increase our understanding of Shakespeare s work

screenplays for the hugely successful films *The Hours* and *Plenty* and *The Reader*. Most recently his play *Skylight* won the 2015 Tony Award for Best Revival on Broadway. Now in his debut work of autobiography Britain's leading contemporary playwright Sunday Times offers a vibrant and affecting account of becoming a writer amid the enormous flux of postwar England. In his customarily dazzling prose and with great warmth and humor he takes us from his university days at Cambridge to the swinging 1960s when he cofounded the influential Portable Theatre in London and took a memorable road trip across America to his breakthrough successes as a playwright amid the political ferment of the 70s and the moment when Margaret Thatcher came to power at the end of the decade. Through it all Hare sets the progress of his own life against the dramatic changes in postwar England in which faith in hierarchy, religion, empire and the public good all withered away. Filled with indelible glimpses of such figures as Alfred Hitchcock, Laurence Olivier, Tennessee Williams, Helen Mirren and Joseph Papp, *The Blue Touch Paper* is a powerful evocation of a society in transition and a writer in the making.

[John Frankenheimer](#) Stephen B. Armstrong, 2013-03-22 John Frankenheimer's career as a professional director began and ended in television. In the mid 1950s he won acclaim working on live productions for anthology series like *Playhouse 90* and from the mid 1990s until his death in 2002 he helmed a string of Emmy-winning features for cable TV including *The Burning Season* (1994) and *Andersonville* (1996). Despite these successes, Frankenheimer's reputation rests primarily upon the nearly thirty feature films he directed, which range from bona fide classics like *Birdman of Alcatraz* (1962) and *The Manchurian Candidate* (1962) to such lesser achievements as *Prophecy* (1979) and *Dead Bang* (1989). Unfortunately for Frankenheimer, the discrepancy between his best films and his worst led many critics during his lifetime to dismiss him as someone whose talent dissipated in the late 1960s. In the decade since his death, however, several critics have emerged who reject the assertion that the quality of Frankenheimer's output faded after an impressive start.

In *John Frankenheimer: Interviews, Essays, and Profiles*, Stephen B. Armstrong has collected the most interesting and insightful articles and features published on this underrated director. While question and answer exchanges make up the bulk of the items featured here, also included are journalistic profiles of the director at work and essays Frankenheimer himself wrote for magazine audiences. In addition, readers will find a series of interviews of people who worked with Frankenheimer, including actors Roy Scheider, Tim Reid, and the director's wife of 40 years, Evans Frankenheimer. In this volume, the director and others look back on a career that included such films as *Seven Days in May*, *The Train*, *Grand Prix*, *The Iceman*, *Cometh Black Sunday*, and *Ronin*. The first collection of its kind, *John Frankenheimer: Interviews, Essays, and Profiles* enables those who value the director's work to develop a better understanding
