Servant and Apostle of Jesus Christ

Lessons and Devotions from the Life of the Apostle Paul

What we preach is not ourselves, but Jesus Christ as Lord, and ourselves as your servants for Jesus' sake. For God, who said, "Let light shine out of darkness," made his light shine in our hearts to give us the light of the knowledge of God's glory displayed in the face of Christ.

———— 2 Corinthians 4:5-6 ————

with God In this book we will explore over 20 of these roles showing how each one contributed to Paul s lasting legacy as a true servant of Christ whose life continues to inspire Christians around the world to follow Jesus with the same passion courage and faith

Paul, a Servant of Jesus Christ F. Meyer, 2017-11 F B Meyer s biography of Paul the Apostle is filled with insights gained from the sources the nature of Paul and his accomplishments during the earliest years of Christianity are revealed The author writes in a style which pairs quotations of scripture with a visually evocative description of ancient Israel as it was at the time of the Bible Each assertion is supported by the original Biblical sources and we are given an immense impression of Paul s formative years and early adulthood as he gravitated towards the essential message of the Christian faith His prominence in the early development of Christianity including his attendance at the Council of Jerusalem is likewise related Important figures such as Saul of Tarsus receive scrutiny that the reader gain the fullest sense of the atmosphere and circumstances of Paul s life Ananias of Damascus the man responsible for Paul s baptism is also given the fullest representation The subsequent journeys around Israel that Paul made and his growth as a missionary committed to the message of Jesus Christ soon distinguished the young adherent F B Meyer wrote several Biblical biographies in his lifetime becoming famous and admired for depicting principle figures in the Old and New Testaments with vivid personality inferred from the words of scripture A Baptist pastor and lifelong student of Christian theology and Bible texts many of Meyer s works are consulted for their lucid understanding of the lore

Paul F. B. Meyer, 2017-09-16 Excerpt from *Paul A Servant of Jesus Christ* In these chapters I have used the Epistles more largely than the Acts as I desired to describe his life from within and as it appeared to himself In many cases therefore the historical has been subordinated to the auto biograph ical I have taken advantage of some of the latest books which have dealt with this subject but for the most part the fol lowing pages contain the essence of years of my own think ing and preaching Such as they are I send them forth trusting that they may incite many to follow Paul as he fol lowed Christ and to yield themselves as he did to God About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

A Short Book about Paul Paul W. Barnett, 2019-07-17 Most books about Paul the apostle are long and very detailed and for many a potential reader a daunting prospect A Short Book about Paul is deliberately brief but its brevity is not at the cost of accuracy We trace the main contours of Paul s life which turn on the hinge of the singular event outside Damascus in c AD 34 From that time the leading persecutor of the disciples became the dedicated preacher of the message about Jesus This short book shares with many the opinion that Paul remains the most influential voice from Greco Roman antiquity apart that is from the

Lord whose servant he was At the same time many critics have found fault with him especially from the time of the Enlightenment Paul s achievements were considerable Between AD 47-56 he established a network of congregations in five Roman provinces Syria Cilicia Galatia Macedonia Achaia and Asia His thirteen surviving letters are witnesses to his dedicated pastoral care of these tiny far flung gatherings Not to be missed was his remarkable skill in recruiting a small army of loyal coworkers like Timothy Luke and Titus The result of Paul s decade long journeys in the provinces of Anatolia and Greece was the planting of the seeds of Christianity that would develop into the official religion of the eastern Roman Empire based in Constantinople

The Life of Paul Frederick Brotherton Meyer,1995 F B Meyer s devotional studies on biblical characters reflect a rare depth of spiritual experience These great figures were not so different from ourselves sometimes weak indifferent willful Yet they had their moments of faith humility and courage and God was able to use these for His greater purposes God s faithfulness which not only accepts but transforms such inconsistency calls us to more effective Christian living

Paul: Servant of the New Covenant Scott J. Hafemann,2020-01-07 Taking 2 Cor 3:6 as its starting point the new and updated essays here assembled investigate the key passages in Romans 1-2 Corinthians Galatians and Philippians in which the covenant content and eschatological context of Paul s theology interpret one another Developed over thirty years Scott Hafemann s close reading of Paul s arguments with an eye toward their OT Jewish milieu also advances the larger thesis that the various Israel church works faith and justification judgment polarities in Paul s thinking do not represent a material contrast between a law way and a gospel way of relating to God Rather they epitomize an eschatological contrast between the character of God s people within the two eras of salvation history in which by virtue of the Messiah and the Spirit the Torah of the old covenant is now being kept in the new

Isaiah's Servant in Paul Daniel M. I. Cole,2021-07-02 Paul seems to read Isaiah s Servant with reference to himself Daniel Cole examines Paul s use of texts within Isa 49:54 to explain why the apostle does this and what the ethical implications are He demonstrates that the coherent salvation history of the Servant prophecy guides Paul throughout

Paul and Isaiah's Servants Mark Gignilliat,2007-07-10 Provides theological rationale for Paul s Old Testament reading that moves beyond pigeon holing Paul either into his religious historical situation or into modern conventions about the *sensus literalis*
