**EXPOSING Lies We Believe About God** James B. De Young, Th.D.,2018-12-05 For years there has been uncertainty regarding Paul Young s The Shack Some have suspected heresy but have been unable to pin down exactly what Paul Young believed James De Young Th D who has known Paul Young for a couple decades wrote Burning Down the Shack to expose Christians to the fact that Paul Young espoused universalism Now the cat is out of the bag In his newest book Lies We Believe about God Young blatantly confesses adherence to universal reconciliation as well as twenty seven other beliefs that

are heretical Here are some of Paul Young s unbiblical claims God is not in control of everything God submits to human beings God is a Christian God is a sexual being equally male and female People do not need to get saved Sin and hell do not separate people from God The cross was man s idea not God s People have a second chance to believe after death Everyone is a child of God Universal reconciliation has been accomplished for all people The God of evangelical faith tortured his child Jesus and is the perpetrator of evil Drawing upon his life long teaching of the Bible and the original languages James De Young appeals to the Bible to expose Paul Young as a heretic In appendices he also furnishes proof that Paul Young violates the Nicene Creed and the beliefs of the early church father Athanasius Finally we have a book written by one who is both personally and academically qualified to expose the true nature of Young s writings De Young will empower you to Discover the heresy in Young s book Lies We Believe About God Expand your ability to answer the lies found in universal reconciliation Enhance your capacity to discern between the truth and falsehood Strengthen your confidence in the truth of the Bible

**The Practical Steps to the Deeper Spiritual Life** Larry Mehaffey, 2012-01-23 In attempting to more effectively communicate the principles of spiritual life to those who sincerely desire a deeper reality in their walk with Christ I have discovered that most people appreciate practical and straightforward instructions and this is especially true when it involves the mystical nature of spiritual life Although spiritual life is not meritoriously attained through natural means or human effort there are several Practical Steps that can be taken to help facilitate the practice of spiritual disciplines The combination of these Practical Steps with the spiritual disciplines themselves will work to promote a dynamic life of faith that will effectively bring the believer into a productive and rewarding relationship with God Man is an intentional creation of divine wisdom explicitly designed to fulfill a sacred purpose Agape love requires a soul to empty the wealth of its humanity upon the altar of God as a willing sacrifice If determination is to live up to its potential in promoting the spiritual life it must be united with some very fundamental practical steps Heaven should not be a culture shock to the consciousness of the believer it should be a gradual final step into the glorious reality of a spiritual life whose progress began at conversion Divine pleasure must be the goal of human effort not divine favor The genuineness of what we actually believe is nowhere so obviously exposed as in our daily schedules It does not take overtly carnal acts to corrupt the days of a mans life for inattention and idleness produce the same result as evil actions or wicked intentions Liberty must always precede service if either are to be authentic It is our great love for the Father not our initial desire for salvation that motivates and liberates the sincere believer to live a life of chosen obedience to God Dombey and Son Charles Dickens, 1994-10-04 It is said that all England mourned the heartbreaking fate of little Paul Dombey but it is the ordeal of his loving and long suffering sister Florence that carries the full emotional weight of the story Their father s cold obsession with the future of his business empire the malevolent plotting of his greedy manager Mr Carker and the tragic self contempt of his proud second wife Edith cast a dark shadow over the life of the motherless girl But as the world of Dombey and Son begins to fall to pieces Florence is sustained by the warmth and

brightness of humbler allies her fiercely loyal nurse Susan Nipper her haplessly devoted suitor Toots the rough but loveable old salt Captain Cuttle and his friend Sol Gills and her fervent admirer the orphan Walter Gay In its locomotive power and its transcendent moments of suspense and revelation *Dombey and Son* is a superb example of Dickens's ability to combine the qualities of a social historian a theatrical artist and a poet of the utmost tenderness and insight Charles Dickens set this tale of a hard hearted businessman the son he pins all his hopes on and the daughter he cruelly neglects in a country undergoing the storms of change brought by the Industrial Revolution This edition reprints the original Everyman's introduction by G K Chesterton and includes forty illustrations by Phiz

Although history is replete with tales of revenge Christian forgiveness provides an alternate response In this volume Pentecostal scholars from various disciplines offer their vision for forgiveness reconciliation and restoration The essayists offer long overdue Pentecostal perspectives through analysis of contemporary theological issues personal testimony and prophetic possibilities for restoration of individual relationships and communities Though Pentecostals remain committed to Spirit empowered witness as recorded in Luke Acts these scholars embrace a larger Lukan vision of Spirit initiated inclusivity marked by reconciliation The consistent refrain calls for forgiveness as an expression of God s love that does not demand justice but rather seeks to promote peace by bringing healing and reconciliation in relationships between people united by one Spirit **Techniques Using Slips** John Mathieson, 2010-04-27 Slip a form of liquid clay has been used since ancient

In this new commentary for the Belief series award winning author and theologian Willie James Jennings explores the relevance of the book of Acts for the struggles of today While some see Acts as the story of the founding of the Christian church Jennings argues that it is so much more depicting revolution life in the disrupting presence of the Spirit of God According to Jennings Acts is like Genesis revealing a God who is moving over the land putting into place a holy repetition that speaks of the willingness of God to invade our every day and our every moment He reminds us that Acts took place in a time of Empire when the people were caught between diaspora Israel and the Empire of Rome The spirit of God intervened offering new life to both Jennings shows that Acts teaches how people of faith can yield to the Spirit to overcome the divisions of our present world The Complete Works of Charles Dickens: Novels, Short Stories, Plays, Poetry, Essays, Articles, Speeches, Travel Sketches & Letters (Illustrated) Charles Dickens, 2017-02-27 This carefully crafted ebook The
