**Evil and Pain** Joseph B. Onyango Okello, 2017-06-15 A specific form of understanding of evil in the problem of evil debate gets assumed among a variety of materialistic naturalists Owing to their physicalist and in some cases behaviorist philosophies this understanding assumes a hedonistic view of pain that reduces valuation to pleasure and pain Herein all forms of good and evil get reduced to pleasure and pain This work reorients the debate toward a more biblical understanding of evil based on an essentialist reading of ethics The book argues that the hedonistic understanding of value characterizing prominent naturalistic materialists such as those alluded to by J L Mackie semantically seems to entail either a synonymous or a near synonymous relationship between evil and pain The book further argues that this understanding given the essentialist reading of ethics seems wrongheaded By reorienting the contours of the debate it suggests that the problem of pain might in effect be quite different from the problem

of evil and that neither problem necessarily entails the other Seen in this way neither problem casts doubt on belief in God's existence **Ex Auditu - Volume 21** Klyne Snodgrass, 2006-03-01 Ps 103 3 Bless the Lord Who heals all your diseases

Sittser, 2009-10-14 More than a decade ago Jerry Sittser prayed for the protection of his family yet three of his loved ones his daughter his wife and his mother died in an automobile accident What went wrong Why wasn't my prayer answered he asks It is no longer an abstract question to me What should we do and how should we respond when our prayers prayers that seem right and true and good go unanswered In *When God Doesn't Answer Your Prayer* Sittser continues exploring the issues he addressed in *A Grace Disguised* He asks Why doesn't God answer our prayers What if anything can we do about it Sittser is intensely committed to exploring the Christian faith especially when it doesn't seem to work In this thoughtful and beautifully written book he moves beyond easy answers and religious formulas to explore the goodness and greatness of a God who cannot be controlled but can be trusted *When God Doesn't Answer Your Prayer* takes an honest and probing look at the problem of unanswered prayer In doing so it draws us ever deeper into a relationship with the God who is the end of all our prayers the object of our faith the one who fulfills our deepest longings [The Devil, Demons, Judas, and "the Jews"](#)

Torsten Lofstedt, 2021-11-09 What place do the four Gospels give Satan demons and Jesus human opponents including Jewish leaders but also Jesus disciples in their accounts of Jesus' life This study takes a literary historical approach to the Gospels examining them as narratives It shows how the authors were in the process of developing the devil as a character and determining which roles he filled New interpretations of individual passages in the Gospels are given as well as new understandings of the theological emphases of each author This study is also a contribution to redaction criticism and the relative chronology of the Gospels It employs the theory of Matthean posteriority which revolutionizes our understanding of the literary relations between the Gospels and allows for a new understanding of theological development in early Christianity
