Pauls Letter To The Philippians:

Paul's Letter to the Philippians Gordon D. Fee,1995-07-14 Gordon Fee s study on Paul s letter to the Philippians is a contribution to The New International Commentary on the New Testament Prepared by some of the world s leading scholars the series provides an exposition of the New Testament books that is thorough and fully abreast of modern scholarship yet faithful to the Scriptures as the infallible Word of God Paul's Letter to the Philippians Ben Witherington,2011-10-06 Interprets Paul s letter in light of its rhetorical content and cultural context Skeptical of the trend among many biblical scholars to analyze Paul s short affectionate letter to the Philippians in light of Greco Roman letter writing conventions Ben Witherington instead looks at Philippians as a masterful piece of long distance oratory an extension of Paul s oral speech dictated to a scribe and meant to be read aloud to its recipients Witherington examines Philippians in light of Greco Roman rhetorical conventions identifying Paul s purpose highlighting his main points and his persuasive strategies and considering how his original audience would have heard and received Paul s message *PAUL'S LETTER TO THE PHILIPPIANS* Edward D. Andrews,Thomas F. Marshall,2022-04-11 PAUL S LETTER TO THE PHILIPPIANS provides the reader with an explanation of Scripture that is detailed and up to date with modern scholarship faithful to Scripture as the inerrant infallible Word of God It is a trusted resource for Bible study Each commentary volume offers straightforward clear trustworthy practical and applicable explanations written by conservative evangelical scholars This verse by verse commentary makes every volume easy to understand and beneficial to your Christian life today Yet it also gives the reader a more in depth understanding of God s Word The author does not provide you with what he thinks feels or believes Instead he gives you what God said and what the Bible author meant by the words that he used The reader will also be given the historical context Bible backgrounds and any Bible difficulties **Paul's Letter to the Philippians in the Light of Disunity in the Church** Davorin Peterlin,2014-04-09 This volume discusses the development of disunity in the Philippian church as the occasion for Paul s response in his letter The first part of the book examines references and allusions to strife among the Philippians and tension between them and Paul It demonstrates the pervasiveness of the theme of disunity in most sections of the letter The second part correlates these findings with sections of the letter dealing with the Philippians financial support for Paul It treats such topics as Paul s attitude to money and the sociological composition of the church The book s aim is to draw attention to social and non theological aspects of the Philippian situation and make a contribution to a more theological study of Philippians A Handbook on Paul's Letter to the Philippians I-Jin Loh,Eugene Albert Nida,1995 *Commentary on Paul's Letter to the Philippians* Zack Meaders Guess,2017-10-17 Pastor Guess has been preaching for over fifty years and considers it a great privilege that God called him into the ministry During this time he has had a love affair with the Word of God Early in his ministry he was drawn to Paul s Epistle to the Philippians This church was extremely generous and helpful to Paul It was obviously a favorite church of Paul Brother Guess began to study the book and eventually memorized it He has preached

through it several times He wrote this commentary as a labor of love He also loves the Koine Greek that the Lord used in the inspiration of the New Testament In writing this commentary he has heavily drawn from many of the divinely inspired grammatical constructions that cast much light on this epistle Also he has done extensive Greek word studies that provide a spiritual gold mine Any New Testament assembly that wants to please the Lord would do well to study and emulate this delightful church that caused the beloved apostle such joy

A Roman Commentary on St. Paul's Letter to the Philippians Richard J. Cassidy, 2019-09-03 Paul writes his letter to the Philippians referencing two related forms of persecution The Christians of Philippi are experiencing persecution by the Roman authorities who govern the Philippi Paul himself is experiencing persecution by the Roman authorities the Roman emperor's praetorian guard in Rome Roman persecution is thus the fundamental context for his letter Paul's most basic premise in this letter is to hold high the slave Jesus Christ In perhaps the most moving passage he ever wrote Phil 2:6-11 Paul delineates that Jesus did not count equality with God something to be grasped at but rather empties himself taking the form of a slave and embracing crucifixion the slave's form of death Accordingly God has raised Jesus to the highest place and has caused all on the earth above the earth and under the earth to bow at the name of Jesus and to proclaim that Jesus alone is Lord to the glory of God the Father Very significantly Paul affirms that Christian slaves are ennobled by Jesus initiatives Because these slaves now join the other Christian citizens in having citizenship in heaven Paul's letter constitutes a radical threat to the Roman imperial authorities in this way as well

Empowered by Joy Paul S. Jeon, 2012-06-08 The temptation to give up while running the race of faith is all too real Despite our best attempts to be faithful witnesses of the gospel of Christ we oftentimes feel overwhelmed by discouragement and doubt Empowered by Joy is a devotional inspired by Paul's letter to the Philippians It focuses on how we can enjoy an endless stream of joy through our relationship with Christ and thus experience power to fulfill our calling to make known the good news of God

A Distant Presence Tim Woodroof, 2001 In A Distant Presence Woodroof envisions what life may have been like for believers in first century Philippi Readers feel transported to another time as Woodroof takes them on a journey through ancient Italy and Macedonia providing front row seats to the colorful interactions between the great apostle Paul and his trusted coworkers for the gospel

Studies in Paul's Letter to the Philippians Hans Dieter Betz, 2015-02-03 This volume comprises seven essays by Hans Dieter Betz dealing with contested passages or issues in Paul's most difficult and personal letter written during his imprisonment in Rome The chapters represent exegetical investigations and apply the methods of rhetorical and literary criticism including philological and historical analysis As a result Betz is able to offer new proposals for interpreting the apostle's unique last message to his churches The proposals explore the letter's literary composition genre and history furthermore they examine Paul's situation prior to his presumed martyrdom his expectations for the future and his relation to his churches

The Epistle of Joy Adam Faughn, 2012-12-06 Paul's most positive letter Philippians has provided Christians with so much encouragement throughout the years This volume walks

through the text in a way that those who are familiar with this great letter and those who are novices will gain insight A comenotional this book combines both commentary and devotional writing styles to stimulate deeper Bible study and personal application **The Letter to the Philippians** G. Walter Hansen,2009-10-05 In this clear concise exegetical commentary G Walter Hansen offers rich exposition of the text of Philippians as well as wisdom and maturity in its application In so doing he emphasizes partnership the social and corporate dimensions of community in the progress of the gospel After a moderately sized bibliography the introduction takes up the historical setting of the city of Philippi the nature of the letter the occasion of the letter and a preview of two key themes the gospel of Christ and the community in Christ The commentary itself considers Philippians in light of these themes considering the greetings reports of Gospel ministry recommendations of two Christ like servants and other emphases on the gospel and on partners or servants *Philippians* Andrew Wommack,2024-03-19 Have you ever wanted a guide to help you deal with life s challenges Learn how the Apostle Paul dealt with persecution and overcame discouragement by studying his letter to the Philippians In this booklet renowned Bible teacher and bestselling author Andrew Wommack will teach about Understanding God s love Christ like humility Trusting in Jesus Rejoicing in all situations Setting a goal for your life **Philippians** Peter Oakes,2007-04-30 A case study in modelling the social make up of an early Christian community The Mission of the Church James P. Ware,2005-11-01 Paul seemingly nowhere in his letters commands his congregations to preach the gospel Therefore many scholars have concluded that Paul s thinking had little or no place for a mission of the church This study undertakes a fresh investigation of the question by devoting close attention to a text hitherto overlooked in discussion of early Christian mission Paul s letter to the Philippians The Jewish context of Paul s thought in Philippians is the key to unlocking his understanding of church and mission in the letter The study accordingly begins in Part One with an investigation of conversion of gentiles in ancient Judaism Part Two drawing upon this Jewish context focuses on close exegesis of Philippians revealing the crucial place of the mission of the church in Paul s thought The questions addressed by this study go to the heart of our understanding of Paul and of mission in earliest Christianity *The Price of Partnership in the Letter of Paul to the Philippians* Mark A. Jennings,2018-01-25 Mark A Jennings challenges the consensus that there is no clear single purpose that shapes the entire epistle to the Philippians instead arguing that there is significant evidence for Paul to have written the letter with the sole intent of persuading the church to maintain its exclusive partnership with him and his gospel mission Jennings examines each section of Philippians with standard historical critical methods rhetorical criticism and social scientific methods Establishing that Paul s argument is rooted in three fundamental tenets emphasis is first placed on koinonia and the agreement that Paul and the Philippians had entered into regarding his apostolic mission Second Jennings looks at the repeated proofs that Paul offers that simultaneously affirm the ordained superiority of his apostolic mission and repudiate the claims of his rivals Third Jennings analyses the issue of finances in the epistle discussing how Paul rhetorically transforms the Philippians financial

support into a salient indicator that they esteem his gospel mission authentic Finally whereas other scholars have argued that Paul entreats the Philippians to be steadfast in their commitment to the gospel of Christ Jennings proposes that Paul urges the church to be steadfast in their commitment to his gospel of Christ Jennings then considers how this seemingly small distinction has profound ramifications for understanding the letter and shows the gap between these interpretations

A Commentary on St. Paul's Epistle to the Philippians Alfred Plummer,1919 **Philippians Paul's Letter to the Churches Encouraging the Believer** Practical Christianity Foundation,2020-08-08 Encouraging the Believer Paul wrote this letter to the church in Philippi because he remembered them fondly and rejoiced in the relationship he had with them He encouraged the Philippian Christians to follow Christ s example living out their salvation in unity humility and selfless service to others He wanted them to understand the evil of the world in which they lived He encouraged them to press onward toward the finishline forgetting that which remained behind **The Epistle to the Philippians** Markus Bockmuehl,2006-08-08 Designed to make the latest scholarship on Philippians as accesible to a broader readership this commentary brings to life both the letter s historical setting and its vigorous theological purpose **Paul's Letter to the Philippians** ,1975
