Pauls Narrative Thought World The Tapestry Of Tragedy And Triumph:

Paul's Narrative Thought World Ben Witherington,1994-01-01 It is a common belief that Paul s letters are not stories but rather theological ideas and practical advice Ben Witherington III thinks otherwise He is convinced that all of Paul s ideas arguments practical advice and social arrangements are ultimately grounded in stories some found in the Hebrew Scriptures and some found in the oral tradition *Paul's Narrative Thought World* Ben Witherington,1994 It is a common belief that Paul s letters are not stories but rather theological ideas and practical advice Ben Witherington III thinks otherwise He is convinced that all of Paul s ideas arguments practical advice and social arrangements are ultimately grounded in stories some found in the Hebrew Scriptures and some found in the oral tradition Narrative Dynamics in Paul Bruce W. Longenecker,2002-01-01 Are Paul s letters undergirded and informed by key narratives and does a heightened awareness of those narratives help us to gain a richer and more rounded understanding of Paul s theology The last two decades of the twentieth century witnessed an increasing interest in the narrative features of Paul s thought A variety of studies since that period have advanced story as an integral and generative ingredient in Paul s theological formulations In this book a team of leading Pauline scholars assesses the strengths and weaknesses of a narrative approach looking in detail at its application to particular Pauline texts Jews, Gentiles, and the Opponents of Paul B. J. Oropeza,2012-02-24 B J Oropeza offers the most thorough examination in recent times on the subject of apostasy in the New Testament The study examines each book of the New Testament with a fourfold approach that identifies the emerging Christian community in danger the nature of apostasy that threatens the congregations and the consequences of defection Oropeza then compares the various perspectives of the communities in Christ in order to determine the ways in which they perceived apostasy and whether defectors could be restored In this second volume of a three volume set titled *Apostasy in the New Testament Communities* Oropeza focuses on the Christ communities of the undisputed and disputed Pauline Letters *Reading with the Grain of Scripture* Richard B. Hays,2020-10-22 Christianity Today Book Award in Biblical Studies 2021 All these essays illustrate in one way or another how I have sought to carry out scholarly work as an aspect of discipleship as a process of faith seeking exegetical clarity Richard Hays has been a giant in the field of New Testament studies since the 1989 publication of his *Echoes of Scripture in the Letters of Paul* His most significant essays of the past twenty five years are now collected in this volume representing the full fruition of major themes from his body of work the importance of narrative as the glue that holds the Bible together the figural coherence between the Old and New Testaments the centrality of the resurrection of Jesus the hope for New Creation and God s eschatological transformation of the world the importance of standing in trusting humility before the text the significance of reading Scripture within and for the community of faith Readers will find themselves guided toward Hays s hermeneutic of trust rather than the hermeneutic of suspicion that has loomed large in recent biblical studies **A Manifesto for Theological Interpretation** Craig G. Bartholomew,Heath A.

Thomas,2016-05-10 Recent decades have witnessed a renaissance of theological interpretation Craig Bartholomew coauthor of the bestselling *The Drama of Scripture* and Heath Thomas bring together a team of specialists to articulate a multifaceted vision for returning rigorous biblical interpretation to the context of the church Developed by the internationally recognized Scripture and Hermeneutics Seminar this book is designed to bring clarity and unity to the enterprise of theological interpretation It positively integrates multiple approaches to interpreting the Bible combining academic rigor with pastoral sensitivity for professors students and church leaders Paul in Ecstasy Colleen Shantz,2009-04-27 Colleen Shantz

addresses the role of religious experience in Paul s life and letters demonstrating its importance in Christian origins **A Ricoeurian Analysis of Identity Formation in Philippians** Scott Ying Lam Yip,2023-06-01 Winner of the Outstanding Theological Research Book Award 2024 Scott Ying Lam Yip presents the first specialized narrative study devoted to the identity formation processes in Philippians based on Paul Ricoeur s narrative theory Yip demonstrates that the Christian identity of the Philippian community is shaped amidst competing narratives with divergent comprehensions and suggests that it is within an intra Jewish contestation of testimonies that Paul updates his understanding of God and contends with a group of Jewish Christian leaders regarding the meaning of his suffering Yip argues that Paul faces a double contestation of narrative in which both the political authorities and a group of Jewish Christian leaders see his imprisonment as futile and unnecessary alerting him to an emerging crisis in which the Philippian community s conviction in suffering with him has begun to decline It is thus essential for Paul to synthesise and install a new paradigmatic story of Christ so that his suffering can be discerned as the defining mark of God s renewed manifestation in an era of Christ s eschatological Lordship Yip explores the means by which Paul in a contestation of authority for the re appropriation of God s past work contrasts the future oriented temporality of his testimony with the past oriented one of the Jewish Christian leaders He concludes that Paul affirms the value of his present suffering in truthfulness and installs his testimony to be the exemplary story for the Philippian community **Paul, Apostle of God's Glory in Christ** Thomas R. Schreiner,2020-01-07 How should students of

Scripture engage with discerning the shape of Paul s thought In this second edition of a trusted resource Thomas R Schreiner seeks to unearth Paul s worldview by observing what Paul actually says in his writings and laying out the most important themes and how they are connected While thoroughly informed by contemporary Pauline studies Schreiner offers an accessible account of Paul s theology **An Anomalous Jew** Bird,2016 Lively well informed portrait of the complex figure

who was the apostle Paul Though Paul is often lauded as the first great Christian theologian and a champion for Gentile inclusion in the church in his own time he was universally regarded as a strange and controversial person In this book Pauline scholar Michael Bird explains why *An Anomalous Jew* presents the figure of Paul in all his complexity with his blend of common and controversial Jewish beliefs and a faith in Christ that brought him into conflict with the socio religious scene around him Bird elucidates how the apostle Paul was variously perceived as a religious deviant by Jews as a divisive figure by

Jewish Christians as a purveyor of dubious philosophy by Greeks and as a dangerous troublemaker by the Romans Readers of this book will better understand the truly anomalous shape of Paul's thinking and worldview **Horizons in Hermeneutics**

Stanley E. Porter, Matthew Malcolm, 2013-04-25 From essays that focus on the horizon of the text through to essays that consider the horizon of the twenty first century church this collection invites reflection on the illumination that hermeneutical awareness brings to biblical interpretation This Festschrift in honor of Anthony C Thiselton aims to consider exemplify and build upon his insights in philosophical hermeneutics and biblical studies particularly in relation to Paul and his writings

The Gospel Revisited Kenneth J. Archer, 2011-01-01 This book is a constructive attempt at formulating a contemporary Pentecostal theology grounded in worship and witness The theological vision expounded here is grounded in the Pentecostal story with its emphasis upon the fivefold Gospel The doxological confession of Jesus as Savior Sanctifier Spirit Baptizer Healer and soon coming King provide the basic organizational structure of a Pentecostal narrative theology Each chapter takes seriously these central convictions and allows them to shape form and reform various theological loci Important issues such as methodology hermeneutics and theology as embodied worship and witness are addressed The result is a vibrant and integrative theology fueled by a dynamic spirituality The Quest for Paul's Gospel Douglas Campbell, 2005-03-01 Douglas Campbell gives a clear account of why much current description of Paul's theology and of his gospel and of his theory of salvation is so confused After outlining the difficulties underlying much of the current debate he lays out some basic options that will greatly clarify the debate He then engages with these options and shows how one offers far more promise than the others sketching out some of its initial applications Campbell then shows in more detail how another option the main alternative and the main culprit in terms of many of our difficulties can be circumvented textually in a responsible fashion That is we see how we could remove this option from Paul's text exegetically and so reach greater clarity Finally he concludes with a road map of where future more detailed research into Paul needs to go if the foregoing strategy is to be carried out thoroughly Campbell believes that by utilising this strategy Paul's gospel will be shown to be both cogent and constructive This is volume 274 in the Journal for the Study of the New Testament Supplement series *Read the Bible for a Change* Ray Lubeck, 2009-11-01 Which Bible passages are for us today and which only apply to the first audience ancient readers Can we just pick and choose for ourselves the verses we think fit our situation Who gets to decide In READ THE BIBLE FOR A CHANGE Ray Lubeck helps readers correctly understand and relate the Bible to their lives If you are serious about your relationship with God and committed to responding faithfully to His Word this book is for you Ray has devoted his life to helping people discover for themselves God's truth and see how it relates to their everyday practical living He will show you how to Read each passage in its larger biblical context Understand the effects of its literary style Recognize the meaning of a text Hear God speak through the Bible's human authors Identify the life changing truths that apply to life today Bring pleasure to God by obeying His Word As a college level teacher Ray realizes what it takes to hold the interest of

students of the Bible He uses illustrations charts stories and everyday examples to make learning both fun and significant Read the Bible for a Change will help you avoid the pitfalls and discover the truths that transform you life *All Things to All Cultures* Mark Harding,Alanna Nobbs,2013-11-28 *All Things to All Cultures* sets Paul in his first century context and illuminates his interactions with Jews Greeks and Romans as he spread the gospel in the Mediterranean world In addition to exploring Paul s context and analyzing his letters the book has chapters on the chronology of Paul s life the text of the Pauline letters the scholarly contributions to our understanding of Paul over the last 150 years and the theology of the Pauline corpus There is no comparable introduction to Paul that integrates the Jewish Greek and Roman influences on him and the letters that make up a substantial portion of the New Testament Contributors Mike Bird Cavan Concannon David Eastman Chris Forbes Mark Harding Tim Harris Jim Harrison Paul McKechnie Brent Nongbri Ian Smith Murray Smith Larry Welborn **Pillars in the History of Biblical Interpretation, Volume 2** Stanley E. Porter,Sean A. Adams,2016-11-03 This two volume set is part of a growing body of literature concerned with the history of biblical interpretation The ample introduction first situates key players in the story of the development of the major strands of biblical interpretation since the Enlightenment identifying how different theoretical and methodological approaches are related to each other and describing the academic environment in which they emerged and developed Volume 1 contains fourteen essays on twenty two interpreters who were principally active before 1980 and volume 2 has nineteen essays on twenty seven of those who were active primarily after this date Each chapter provides a brief biography of one or more scholars as well as a detailed description of their major contributions to the field This is followed by an often new application of the scholar s theory By focusing on the individual scholars and their work the book recognizes that interpretive approaches arise out of certain circumstances and that scholars are influenced by and have influences upon both other interpreters and the times in which they live This set is ideal for any class on the history of biblical interpretation and for those who want a greater understanding of how the current field of biblical studies developed *Paul, The Apostle of Obedience* Jason A. Myers,2022-08-25 Jason A Myers reconsiders the meaning and context of the phrase the obedience of faith in Rom 1 5 and how it contributes to the theme of obedience in Romans In contrast to previous studies that have nearly exclusively focused on the obedience language in light of the Hebrew Bible and Second Temple literature Myers instead investigates how this language functioned within the Greco Roman world particularly in the discourse of the Roman Empire By studying both the Greco Roman contexts and the use of obedience language during the Empire Myers sheds fresh light on the meaning of the obedience of faith and concludes that such examination helps contemporary readers understand how Gentiles in Paul s audience would have heard and received the terms and images relating to obedience In addition he argues that Paul s use of obedience language both at the beginning and end of Romans 1 5 15 18 serves as rhetorical bookends and signals a theme that is central to Paul s purpose in Romans and integral to his calling as an apostle to the Gentiles *Dictionary of Biblical*

What St Paul Really Said Tom Wright, 2011-11-21 Paul has provoked people as much in recent times as he did when he was alive Some regard him as a pestilent and dangerous fellow Others think of him as the greatest teacher of Christianity after Jesus himself In this book leading theologian Tom Wright focuses on key areas of Paul s teaching helping us to understand what he was doing and saying He sweeps away the confusion of much modern theology to uncover the real man and his message What St Paul Really Said is a book for all who want to weigh the evidence before making up their minds on the vital questions surrounding Paul Equally it is for those who want to know what his message might mean for us today

Theology and the Future Trevor Cairney, David Starling, 2014-07-31 Theology was once queen of the sciences the integrating centre of Christendom s conceptual universe In our own time the very idea of systematic theology is frequently called into question derided as an arcane and superstitious pseudo discipline Even within the church it is commonly disregarded in favour of unreflective piety and pragmatism At the same time the southward shift in world Christianity s centre of gravity prompts crucial questions about the future form and content of theology Within this context Theology and the Future offers a case for the continuing viability of theology exploring how it might adapt to changing circumstances and discussing its implications for how we are to imagine and help shape our shared human future Beginning with the question of God this book explores what might be meant by the future of God and what its implications are for Christian theology Chapters follow on the location of theology in global Christianity the church and the academy and on its sources and method The second half of the book explores a wide variety of dimensions of the human future that theology might address and illuminate The essays bring together a mix of specialist theologians and interdisciplinary thinkers to support the assertion that there can be no more critical endeavor to the future than understanding God and all things in relationship to him
