Port Eternity:

Port Eternity C. J. Cherryh, 1982 Lancelot Elaine Percivale Gawain Modred created people cloned to suit the purposes of their opulent owner aboard the Maid a fantasy of a spaceship They live in a kind of dream until they face a crisis they were never designed to master Port Eternity C. J. Cherryh, 1989 Silk and Potatoes Adam Roberts, 2022-06-08 This study constitutes the first to analyse the remarkable surge in popularity of Arthurian literature and art in the modern period from a broad range of instances of cultural production More novels with Arthurian themes have been published since the war than in any previous period and Silk and Potatoes provides detailed readings of some of the most famous including works by Marion Zimmer Bradley Anthony Burgess C J Cherryh Guy Gavriel Kay Mary Stewart Jack Vance and T H White In addition to examining Arthurian fiction with chapters on the general novel Historical fiction and Science Fiction this study examines the key cinematic examples of Arthuriana Boorman s Excalibur Bresson s Lancelot du Lac Rohmer s Perceval Le Gallois and Monthy Python and the Holy Grail A further chapter goes on to look at the myriad other forms of cultural production based on Arthurian themes from Bugs Bunny to Pop Music from the Camelot of JFK to the British National Lottery This is a study that touches on many aspects of Arthuriana whilst developing two connected arguments about on the one hand the necessary anachronism of any modern Arthurian Literature and on the other the aesthetic political implications of this literature s success The whole whilst rooted in the scholarly debates on the enduring appeal of King Arthur is written in an accessible and entertaining style It will be of interest to students and teachers of Arthurian literature film and popular culture The Port Folio , 1820 Popular Arthurian Traditions Sally K. Slocum, 1992 Scholars of popular culture turn their attention to various expressions of the Arthurian legend most from the 20th century with a more balanced consideration of women writers characters and critics than has traditionally been the case Among the topics are the image of Morgan Le Fay postmodern Arthur Mark Twain Joseph Campbell and several recent movies No index Paper edition unseen 19 95 Annotation copyright by Book News Inc Portland OR Alternate Realities C. J. Cherryh, 2000-12-01 Port Eternity Their names were Lancelot Elaine Percivale Gawain Mordred Lynette and Vivien and they were made people clone servants who worked aboard The Maid an anachronistic fantasy of a spaceship They had no idea of their origins from those old storytapes of romance chivalry heroism and betrayal until a ripple in the space time continuum sucked The Maid and her crew into a no man s land from which there could be no return and they were left alone to face a crisis which their ancient prototypes were never designed to master Wave Without a Shore Freedom was an isolated planet off the main spaceways and rarely visited by commercial spacers It wasn t that Freedom was inhospitable the problem was that outsiders tourists and traders claimed that the streets were crowded with mysterious blue robed aliens Native born humans however denied that these aliens existed until a planetary crisis forced a confrontation between the question of reality and the reality of the question Voyager in the Night Rafe Murray his sister Jillian and Jillian s husband Paul Gaines like many other out of luck spacers had come to

newly built Endeavor Station to find their future Their tiny ship Lindy had been salvaged from the junk heap and fitted to mine ore from the mineral rich rings which circled Endeavor But their future proved to be far stranger than any of them imagined when a collision with a huge alien vessel provided them with the oddest first contact experience possible The Port Folio, by Oliver Oldschool ,1820 Journal of a voyage from Plymouth to Sierra Leone, ed. by H. Caswall William Latimer Neville,1858 **Downbelow Station** C. J. Cherryh,2008-12-02 The Hugo Award winning science fiction novel about a space station caught in the crosshairs of an interstellar war perfect for fans of space opera and military science fiction A hell of a story io9 The Beyond started with the Stations orbiting the stars nearest Earth The Great Circle the interstellar freighters traveled was long but not unmanageable and the early Stations were emotionally and politically dependent on Mother Earth The Earth Company which ran this immense operation reaped incalculable profits and influenced the affairs of nations Then came Pell the first station centered around a newly discovered living planet The discovery of Pell s World forever altered the power balance of the Beyond Earth was no longer the anchor which kept this vast empire from coming adrift the one living mote in a sterile universe But Pell was just the first living planet Then came Cyteen and later others and a new and frighteningly different society grew in the farther reaches of space The importance of Earth faded and the Company reaped ever smaller profits as the economic focus of space turned outward But the powerful Earth Fleet was still a presence in the Beyond and Pell Station was to become the last stronghold in a titanic struggle between the vast dynamic forces of the rebel Union and those who defended Earth s last desperate grasp for the stars *The Cartesian Semantics of the Port Royal Logic* John N. Martin,2019-11-04 This book sets out for the first time in English and in the terms of modern logic the semantics of the Port Royal Logic *La Logique ou l Art de penser* 1662 1685 of Antoine Arnauld and Pierre Nicole perhaps the most influential logic book in the 17th and 18th centuries Its goal is to explain how the Logic reworks the foundation of pre Cartesian logic so as to make it compatible with Descartes metaphysics The Logic s authors forged a new theory of reference based on the medieval notion of objective being which is essentially the modern notion of intentional content Indeed the book s central aim is to detail how the Logic reoriented semantics so that it centered on the notion of intentional content This content which the Logic calls comprehension consists of an idea s defining modes Mechanisms are defined in terms of comprehension that rework earlier explanations of central notions like conceptual inclusion signification abstraction idea restriction sensation and most importantly within the Logic s metatheory the concept of idea extension which is a new technical concept coined by the Logic Although Descartes is famous for rejecting Aristotelianism he says virtually nothing about technical concepts in logic His followers fill the gap By putting to use the doctrine of objective being which had been a relatively minor part of medieval logic they preserve more central semantic doctrines especially a correspondence theory of truth A recurring theme of the book is the degree to which the Logic hews to medieval theory This interpretation is at odds with what has become a standard reading among French scholars according to which this 16th

century work should be understood as rejecting earlier logic along with Aristotelian metaphysics and as putting in its place structures more like those of 19th century class theory

Defiance C. J. Cherryh, Jane S. Fancher, 2023-10-17 The 22nd book in the beloved *Foreigner* saga continues the adventures of diplomat Bren Cameron as he navigates the tenuous peace he has struck between human refugees and the alien *atevi*. In the east outright warfare has tied down the Assassins Guild and that region is in confusion. Ready to hand is an age old feud in the west where the Master of Ashidama Bay has long hated the *Edi* people of the north shore and equally hated the *Aishidi* for bringing the *Edi* to his shores and hatred is a resource the Shadow Guild knows how to use to its advantage. Bren Cameron is tasked with getting *Ilisidi* the *aiji* dowager back to the capital alive on an urgent basis. But events are cascading down on the south the Guild is stretched thin in the east and the Shadow Guild is within striking distance of critical targets that could bring war to the entire south. Two lives stand in the breach two lives the *aishidi* would not willingly risk *Ilisidi* and Bren and the Shadow Guild will spend anything and everything to take them out. The *Foreigner* series sets the standard for sci fi first contact sagas a smart probing engaging sociopolitical narrative from an acknowledged master of the genre

The Pride of Chanur C. J. Cherryh, 1982-01-05 The first in a series of lively tales of swashbuckling capitalism in space featuring a fascinating alien culture based on the social structure of lion prides. *Locus* Chaos breaks out when the captain of an all female alien crew agrees to rescue a human male wanted by their enemy. No one at Meetpoint Station had ever seen a creature like the Outsider. Naked, blind, toothed and blunt fingered Tully was the sole surviving member of his company of humans a communicative spacefaring species hitherto unknown and he was a prisoner of his discoverers and captors the sadistic treacherous *kif* until his escape onto the *Hani* ship *The Pride of Chanur*. Little did he know when he threw himself upon the mercy of *The Pride* and her crew that he put the entire *Hani* species in jeopardy and imperiled the peace of the Compact itself for the information this fugitive held could be the ruin or glory of any of the species at Meetpoint Station

Chanur's Legacy C. J. Cherryh, 1993-09-01 The final volume of the *Chanur* saga set in the Alliance Union universe featuring the alien spaceship captain Hiffy Chanur. Hiffy Chanur once a member of her aunt's crew on *The Pride of Chanur* is now captain of her own vessel *Chanur's Legacy*. It should have been the ideal existence for Hiffy her fondest dream fulfilled but instead the young captain's increasingly hard pressed to take care of her ship's business. So when Meetpoint's stationmaster offers her a million credits to transport a small mysterious religious object it seems like a golden opportunity perhaps even too good an opportunity. Yet despite her misgivings Hiffy feels it's a commission she can't turn down. But soon she and the *Legacy* are caught in an ever tightening web of intrigue. And only time will tell whether the young captain can determine who is her ally and who is her enemy in this deadly game of interstellar politics

Alliance Rising C. J. Cherryh, Jane S. Fancher, 2020-11-24 SFWA Grand Master Cherryh returns to the Hugo award winning Alliance Union Universe with a thrilling entry in her far reaching sci fi saga. Years after Sol has lagged behind other great megastations like Pell and Cyteen Alpha station receives news of an incoming

J. Cherryh, 2000-10-01 The fourth novel in Cherryh's *Foreigner* space opera series a groundbreaking tale of first contact and its consequences Over three years have passed since the reappearance of the starship *Phoenix* which two centuries before left an isolated colony of humans on the world of the volatile atevi Since that time humans have lived in exile on the island of Mospheira but the unexpected return of the *Phoenix* has shattered the fragile political balance of these two nearly incompatible races For the captains of the *Phoenix* offer the atevi something the Mospheiran humans never could access to the stars For three breakneck years the atevi labor to build a space shuttle which will bear their representatives to the *Phoenix* to strengthen connections with their new human allies and retain their bid for control of their world But as soon as the shuttle proves spaceworthy the captains of the *Phoenix* suddenly recall their planetary delegates breaking diplomatic contact and initiating a vicious bid for political dominance But the powerful head of the atevi's Western Association is not to be outmaneuvered and he sends his own diplomat or paidhi Bren Cameron into space to negotiate Thrust into a political maelstrom with almost no preparation can Bren gain control of the station and political supremacy for the atevi without sparking a three sided interspecies war The long running *Foreigner* series can also be enjoyed by more casual genre readers in sub trilogy installments *Precursor* is the 4th *Foreigner* novel It is also the 1st book in the second subtrilogy **Brave new words** Jeff Prucher,
