

# Researching Heritage Buildings

**R.J. Schaffer**

## **Researching Heritage Buildings:**

**Researching Heritage Buildings** Margaret Carter, 1983      **Researching a Historic Property** Eleanor O'Donnell, 1991      **Researching urban space and the built environment** Jasmine Kilburn-Toppin, Elaine Tierney, Charlotte Wildman, 2022-11-01

Researching urban space and the built environment is an accessible guide for historians keen to explore the spatial dimensions of the past. Written in a clear and lively style, it equips readers with the tools to effectively plan research and write innovative spatial histories. By outlining and summarizing the theories and methodologies particularly pertinent to spatial research and by providing hands-on advice on locating evidence and archives, the book supports researchers in the development of their own original projects. Through engagement with a rich array of primary evidence and useful historiographical case studies, the guide opens up a huge variety of research possibilities. This book is the ideal research companion for undergraduate and postgraduate students as well as independent researchers. It is especially tailored for students in history and related disciplines in the humanities encountering spatial themes and methodologies for the first time.

*Researching Coastal and Resort Destination Management: Cultures and Histories of Tourism* Lluís Prats, 2011-07-21

PhD in Economics at the University of Toulouse I France and PhD in Business management at the University Jaume I of Castell de la Plana Spain. He likes to name himself as touristologist. He is an assistant professor at the Faculty of Tourism of the University of Girona and settled in Business Organization Management and Product Design Department. He is the co-director of Organisational Networks Innovation and Tourism ONIT research group, deputy vice-rector for International Policy at the University of Girona, Executive Board member of the PRIME network of Universities and member of the Tourism Research Institute INSETUR. He published several books and papers in prestigious tourism journals and prestigious academic editorial brands, having as main research topic Tourism Destination Management. This broad topic helped mainly to work under tourism innovation management, product development and territorial management among others. He manages and participates actively in national and international research projects under the same topics and consequently generated the interest of other universities to have him teaching or doing research with. For instance, he did long research periods abroad in Denmark, Netherlands and UK and teaching periods in Belgium, Austria, Estonia, Italy and France among others.

**Heritage as Community Research** Helen Graham, Jo Vergunst, 2019-03-13

Heritage as Community Research explores the nature of contemporary heritage research involving university and community partners. Putting forward a new view of heritage as a process of research and involvement with the past undertaken with or by the communities for whom it is relevant, the book uses a diverse range of case studies, with many chapters co-written between academics and community partners. Through this extensive work, the Editors show that the process of research itself can be an empowering force by which communities stake a claim in the places they live.

*Digital Research and Education in Architectural Heritage* Sander Münster, Kristina Friedrichs, Florian Niebling, Agnieszka Seidel-Grzesińska, 2018-03-12

This

book constitutes the refereed proceedings of the 5th Conference on Digital Encounters with Cultural Heritage DECH 2017 and the First Workshop on Research and Education in Urban History in the Age of Digital Libraries UHDL 2017 held in Dresden Germany in March 2017 The 11 revised full papers from DECH 2017 and two revised full papers from UHDL 2017 presented in this volume were carefully reviewed and selected from 33 joint submissions The papers are organized in topical sections on research on architectural and urban cultural heritage technical access systematization education in urban history organizational perspectives

**Cultural Resources Management Handbook** U.S. Fish and Wildlife Service. Office of Public Use Management, 1985

**Researching African-American History in the Indiana State Library and Historical Building** Indiana Historical Bureau, 1997

The Weathering of Natural Building Stones R.J. Schaffer, 2016-01-20 Provides a general account of the factors which cause decay of building stones and a summary of the best methods to reduce the incidence of decay It discusses weathering associated with natural defects inherent in stone and examines issues of weathering caused by bad workmanship or errors in the selection of material Decay through chemical and natural physical phenomena are discussed in detail The final sections offer useful advice on how to prevent long term decay through appropriate repair replacement and cleaning of stone

**Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed four ways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers

**Proceedings of the 2024 3rd International Conference on Social Sciences and Humanities and Arts (SSHA 2024)** Mohd Fauzi bin Sedon, Intakhab Alam Khan, Mehmet Cüneyt Birkök, Kin Sun Chan, 2024-06-20 This is an open access book With the progress of social civilization social science and its research are becoming more and more important Theoretically and practically the study of social phenomena and social problems and the development of prosperous social sciences are the eternal themes of human beings At present social science research and its results can hardly meet the needs of social development especially the unscientific evaluation of social science results which has aroused great concern from all walks of life and has produced dirt

and questions on social science thus affecting the proper development of social science Max Weber once said that the most important function of social science in modern times is to keep people clear headed and to resist the delusions of prophetic legislators Humanities and arts are the process of perceiving realizing thinking manipulating and expressing objective or subjective objects through capturing and excavating feeling and analyzing integrating and applying or displaying the stage results in the form obtained through feeling seeing hearing smelling touching The social sciences and humanities and arts contain content that will directly affect our lives and the way society functions And by reacting to today s increasingly intricate problems and situations through systematic and professional discussions they will further contribute to the improvement of institutions and the development of society By thinking about issues and looking at problems and the world from different perspectives by putting the two together it may be possible to have more comprehensive appropriate and better responses for example the development of laws requires a deeper understanding of the environment in which they are implemented international trade requires a certain understanding of the customs of different countries and the development of tax and economic policies requires a certain understanding of the population consumer demand etc *Survey of Damage to Historic Adobe Buildings After the January 1994 Northridge Earthquake* The Getty Conservation Institute,1996-09-05 Spanish colonial missions and Mexican rancho and pueblo adobe structures are among California s earliest existing structures and the only above ground remains of the state s original settlement by the Spanish and Mexican people The Northridge earthquake of January 17 1994 resulted in tragic losses to a number of these historic adobe buildings The earthquake also provided a rare opportunity to assess the damage that can occur to such structures as the result of a large earthquake The intent of this study part of the GCI s long term commitment to researching conservation measures appropriate for historic adobe structures was to survey the damage to buildings and make an informed evaluation of their seismic performance The ultimate goal was to use the lessons learned from the Northridge earthquake and the results of retrofit research to help owners building officials cultural resource managers architects and engineers to understand the risks earthquakes pose to historic adobe buildings and the necessity for taking considered action to limit those risks **The 17th International Conference Interdisciplinarity in Engineering** Liviu Moldovan,Adrian Gligor,2024-03-28 This book contains research papers that were accepted for presentation at the 17th International Conference on Interdisciplinarity in Engineering INTER ENG 2023 which was held on 5 6 October 2023 in the city of T rgu Mure Romania The general scope of the conference Towards transition for a more competitive European industry in a smart safe and sustainable future is proposing a new approach related to the development of a new generation of smart factories grounded on the manufacturing and assembly process digitalization It is related to advance manufacturing technology lean manufacturing sustainable manufacturing additive manufacturing manufacturing tools and equipment It is a leading international professional and scientific forum of great interest for engineers and scientists who can read in this book research works contributions and

recent developments as well as current practices in advanced fields of engineering

### **Research in Landscape**

**Architecture** Adri van den Brink, Diedrich Bruns, Hilde Tobi, Simon Bell, 2016-11-10 Defining a research question describing why it needs to be answered and explaining how methods are selected and applied are challenging tasks for anyone embarking on academic research within the field of landscape architecture Whether you are an early career researcher or a senior academic it is essential to draw meaningful conclusions and robust answers to research questions Research in Landscape Architecture provides guidance on the rationales needed for selecting methods and offers direction to help to frame and design academic research within the discipline Over the last couple of decades the traditional orientation in landscape architecture as a field of professional practice has gradually been complemented by a growing focus on research This book will help you to develop the connections between research teaching and practice to help you to build a common framework of theory and research methods Bringing together contributions from landscape architects across the world this book covers a broad range of research methodologies and examples to help you conduct research successfully Also included is a study in which the editors discuss the most important priorities for the research within the discipline over the coming years This book will provide a definitive path to developing research within landscape architecture Preparatory

Architectural Investigation in the Restoration of Historical Buildings Krista de Jonge, K. van Balen, 2002 **Re-Enacting the Past** Mads Daugbjerg, Rivka Eisner, Britta Knudsen, 2017-10-02 What is re enactment and how does it relate to heritage Re enactments are a ubiquitous part of popular and memory culture and are of growing importance to heritage studies As concept and practice re enactments encompass a wide range of forms from the annual Viking Moot festival in Denmark drawing thousands of participants and spectators to the re staged war photography of An My L to the Titanic Memorial Cruise commemorating the centennial of the ill fated voyage to the symbolic retracing of the Berlin Wall across the city on 9 November 2014 to mark the 25th anniversary of its toppling Re enactments involve the sensuousness of bodily experience and engagement the exhilarating yet precarious combination of imagination with historical fact in the moment negotiations between and within temporalities and the compelling drive to re make or re presence the past As such re enactments present a number of challenges to traditional understandings of heritage including taken for granted assumptions regarding fixity conservation originality ownership and authenticity Using a variety of international cross disciplinary case studies this volume explores re enactment as practice problem and or potential in order to widen the scope of heritage thinking and analysis toward impermanence performance flux innovation and creativity This book was originally published as a special issue of the International Journal of Heritage Studies **Discovering the History of Your House and Your**

**Neighborhood** Betsy J Green, 2002-05-01 Every home has a story to tell Whether you own an elaborate Victorian cozy bungalow or cottage ranch style or are part of a newer subdivision your house and property have a unique history that is just waiting to be uncovered Part treasure hunt and part jigsaw puzzle researching the history of your house is a fascinating and

rewarding experience In *Discovering the History of Your House and Your Neighborhood* author Betsy J Green will show you how easy it is to create a cherished legacy for future generations to enjoy You ll learn about Beginning your search Finding and contacting former owners of your house Discovering the architect who designed your house Finding the original plans for your house Re creating long lost woodwork porches even historic landscaping Locating building permits for your house Finding the original price of your house Researching subdivisions and neighborhoods Finding deeds for your house and land Getting information from a deed Finding old photos of your house and neighborhood Using old maps to learn about your neighborhood Discovering your house on a postcard Using vintage architectural magazines Writing up your house history Includes a state by state guide to resources

**Conservation of Historic Buildings** Bernard Feilden,2007-06-07 Since its publication in 1982 Sir Bernard Feilden s *Conservation of Historic Buildings* has become the standard text for architects and others involved in the conservation of historic structures Leading practitioners around the world have praised the book as being the most significant single volume on the subject to be published This third edition revises and updates a classic book including completely new sections on conservation of Modern Movement buildings and non destructive investigation The result of the lifetime s experience of one of the world s leading architectural conservators the book comprehensively surveys the fundamental principles of conservation in their application to historic buildings and provides the basic information needed by architects engineers and surveyors for the solution of problems of architectural conservation in almost every climatic region of the world This edition is organized into three complementary parts in the first the structure of buildings is dealt with in detail the second focuses attention on the causes of decay and the materials they affect and the third considers the practical role of the architect involved in conservation and rehabilitation As well as being essential reading for architects and others concerned with conservation many lay people with various kinds of responsibility for historic buildings will find this clearly written jargon free work a fruitful source of guidance and information

**The Secretary of the Interior's Standards for the Treatment of Historic Properties** Kay D. Weeks,Anne E. Grimmer,1995 Provides guidance to historic building owners and building managers preservation consultants architects contractors and project reviewers prior to treatment of historic buildings

**Vernacular architecture in the Codroy Valley** Richard MacKinnon,2002-01-01 This book relates the story of a small Newfoundland community as told through its buildings From the addition of a kitchen to the construction of a new house the way people build and change their homes says a great deal about their histories and daily lives and the author s insights on the stories told in the architecture of the Codroy Valley are sure to encourage readers to look at their own communities in a new way Published in English

## Researching Heritage Buildings Introduction

In today's digital age, the availability of Researching Heritage Buildings books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Researching Heritage Buildings books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Researching Heritage Buildings books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Researching Heritage Buildings versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Researching Heritage Buildings books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Researching Heritage Buildings books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Researching Heritage Buildings books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Researching Heritage Buildings books and manuals for download

have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Researching Heritage Buildings books and manuals for download and embark on your journey of knowledge?

## **FAQs About Researching Heritage Buildings Books**

**What is a Researching Heritage Buildings PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Researching Heritage Buildings PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Researching Heritage Buildings PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Researching Heritage Buildings PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Researching Heritage Buildings PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by

their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
