Re-examining the Holocaust through Literature Aukje Kluge, Benn E. Williams, 2009-03-26 In the late 1980s Holocaust literature emerged as a provocative but poorly defined scholarly field The essays in this volume reflect the increasingly international and pluridisciplinary nature of this scholarship and the widening of the definition of Holocaust literature to include comic books fiction film and poetry as well as the more traditional diaries memoirs and journals Ten contributors from four countries engage issues of authenticity evangelicalism morality representation personal experience and wish fulfillment in Holocaust literature which have been the subject of controversies in the US Europe and the Middle East Of interest to students and instructors of antisemitism national and comparative literatures theater film history literary criticism religion and Holocaust studies this book also contains an extensive bibliography with references in over twenty languages which seeks to inspire further research in an international context

The Clandestine History of the Kovno Jewish Ghetto Police Samuel Schalkowsky, 2014-04-14 Remarkable provides a graphic and unparalleled description of the conditions under which the Jews of Kaunas tried to live and survive The Forward As a force that had to serve two masters both the Jewish population of the Kovno ghetto in Lithuania and its German occupiers the Kovno Jewish ghetto police walked a fine line between helping Jews survive and meeting Nazi orders In 1942 and 1943 some of its members secretly composed this history and buried it in tin boxes This book details the creation and organization of the ghetto the violent German attacks on the population in the summer of 1941 the periodic selections of Jews to be deported and killed the labor required of the surviving Jewish population and the efforts of the police to provide a semblance of stability A substantial introduction by distinguished historian Samuel D Kassow places this powerful work within the context of the history of the Kovno Jewish community and its experience and fate at the hands of the Nazis No book I've read in recent time about the Holocaust has so moved me evoking the utter helplessness of the Jew the plight of the Jewish police and the cunning cruelty of the German This is a gripping story page by page and it reminds us again that there but for the grace of God go we all Marvin Kalb Senior Advisor to the Pulitzer Center and Edward R Murrow Professor Emeritus Harvard Kennedy School A landmark of Holocaust

historiography Slavic Review Eli's Story Meri-Jane Rochelson, 2018-08-06 Biography of a Jewish doctor who survived and triumphed over the horrors of the Holocaust Eli's Story A Twentieth Century Jewish Life is first and foremost a biography Its subject is Eli G Rochelson MD 1907 1984 author Meri Jane Rochelson's father At its core is Eli's story in his own words taken from an interview he did with his son Burt Rochelson in the mid 1970s The book tells the story of a man whose life and memory spanned two world wars several migrations an educational odyssey the massive upheaval of the Holocaust and finally a frustrating yet ultimately successful effort to restore his professional credentials and identity as well as reestablish family life Eli's Story contains a mostly chronological narration that embeds the story in the context of further research It begins with Eli's earliest memories of childhood in Kovno and ends with his death his legacy and the author's own unanswered questions that are as much a part of Eli's story as his own words The narrative is illuminated and expanded through Eli's personal archive of papers letters and photographs as well as research in institutional archives libraries and personal interviews Rochelson covers Eli's family's relocation to southern Russia his education military service and first marriage after he returned to Kovno his and his family's experiences in the Dachau Stutthof and Auschwitz concentration camps including the deaths of his wife and child his postwar experience in the Landsberg Displaced Persons DP camp and his immigration to the United States where he determinedly restored his medical credentials and started a new family Rochelson recognizes that both the effort of reconstructing events and the reality of having personal accounts that confirm and also differ from each other in detail make the process of gap filling itself a kind of fiction an attempt to shape the incompleteness that is inherent to the story In the epilogue the author reminds readers that the stories of lives don't have clear chronologies They go off in many directions and in some ways they never end An earlier reviewer said of the book Eli's Story combines the care of a scholar with the care of a daughter Both scholars and general readers interested in Holocaust narratives will be moved by this monograph **Women and Men at War** Röger, Maren, Leiserowitz, Ruth, 2012-01-01 The Second World War fundamentally changed the societies of Central and Eastern Europe Social bonds and structures were destroyed by brutal occupation policies and extensive deportations These had long term consequences for the societies as a whole but also for individuals within the social fabric of their lives Not least of all gender roles and gender relations were influenced by it This everyday and gender historical dimension of the Second World War in Central and Eastern Europe has often come up short in the research whereby an integrated view of the effects in the post war period was **Studies in American Jewish Literature in Honor of Sarah Blacher Cohen** Carole Kessner, Ann Shapiro, Daniel Walden, 2010 Scholar teacher playwright and editor Sarah Blacher Cohen was one of the earliest champions of the study of American Jewish literature a field of academic study that has been in existence for barely thirty five years Over the years until her premature death in 2008 she contributed to the discipline in a profusion of genres from scholarly to popular from essay to drama writing or editing seven books of her own She also wrote and produced several plays with her longtime collaborator Joanne B Koch This

special volume 29 of the annual Studies in American Jewish Literature ISSN 0271 9274 the journal edited by Daniel Walden contains a range of tributes from her many friends and colleagues Yellow Star, Red Star Jelena Subotić, 2019-12-15

Yellow Star Red Star asks why Holocaust memory continues to be so deeply troubled ignored appropriated and obfuscated throughout Eastern Europe even though it was in those lands that most of the extermination campaign occurred As part of accession to the European Union Jelena Suboti shows East European states were required to adopt participate in and contribute to the established Western narrative of the Holocaust This requirement created anxiety and resentment in post communist states Holocaust memory replaced communist terror as the dominant narrative in Eastern Europe focusing instead on predominantly Jewish suffering in World War II Influencing the European Union s own memory politics and legislation in the process post communist states have attempted to reconcile these two memories by pursuing new strategies of Holocaust remembrance The memory symbols and imagery of the Holocaust have been appropriated to represent crimes of communism Yellow Star Red Star presents in depth accounts of Holocaust remembrance practices in Serbia Croatia and Lithuania and extends the discussion to other East European states The book demonstrates how countries of the region used Holocaust remembrance as a political strategy to resolve their contemporary ontological insecurities insecurities about their identities about their international status and about their relationships with other international actors As Suboti concludes Holocaust memory in Eastern Europe has never been about the Holocaust or about the desire to remember the past whether during communism or in its aftermath Rather it has been about managing national identities in a precarious and uncertain world Women's Experiences in the Holocaust Agnes Grunwald-Spier, 2018-01-15 A moving and detailed portrait of women in the most terrible circumstances by a respected author and Holocaust survivor Rethinking Holocaust Film Reception Stefanie Rauch, 2020-12-10 Taking early 21st century Britain as a case study Rethinking Holocaust Film Reception A British Case Study presents an intervention into the scholarship on the representation of the Holocaust on film Based on a study of audience responses to select films Stefanie Rauch demonstrates that the reception of films about the Holocaust is a complex process that we cannot understand through textual analysis alone but by also paying attention to individual reception processes This book restores the agency of viewers and takes seriously their diverse responses to representations of the Holocaust It demonstrates that viewers interpretative resources play an important role in film reception Viewers regard Holocaust films as a separate genre that they encounter with a set of expectations The author highlights the implications of Britain s lessons focused approach to Holocaust education and commemoration and addresses debates around the supposed globalization of Holocaust memory by unpacking the peculiar Britishness of viewers responses to films about the Holocaust A sense of emotional connection or its absence to the Holocaust and its memory speaks to divisions along ethnic generational and national lines Hitler's Brudervolk Geraldien von Frijtag Drabbe Künzel, 2015-07-03 This is the first academic book on Dutch colonial aspirations and initiatives during WWII Between the summers of 1941 and 1944 some 5 500 Dutch men and

women left their occupied homeland to find employment in the so called German Occupied Eastern Territories Belarus the Baltic countries and parts of Ukraine This was the area designated for colonization by Germanic people It was also the stage of the Holocaust by Bullets a centrally coordinated policy of exploitation and oppression and a ruthless anti partisan war This book seeks to answer why the Dutch decided to go there how their recruitment transfer and stay were organized and how they reacted to this scene of genocidal violence It is a close up study of racial monomania of empire building on the old continent and of collaboration in Nazi occupied Europe Historical Dictionary of Lithuania Saulius A.

Suziedelis,2011-02-07 The Lithuanian people have undergone historic changes quite different from those of other European nations In earlier centuries geography provided strategic advantage and opportunities for expansion but in recent times the country has more often experienced location as a geopolitical curse After constantly losing territory and shrinking in size the country disappeared in 1795 However after World War I a popular national movement led to the restoration of Lithuania as an independent state World War II and its bloody aftermath brought foreign occupation as well as genocide mass murder and destruction unparalleled in the country s modern history The restoration of independence in 1990 has fundamentally altered Lithuania s geopolitical reality Integration into the European Union and the North Atlantic Treaty Organization promise a new level of security for the Lithuanian state in the 21st century even as the social and economic transformations present both promising opportunities and difficult challenges The second edition of the Historical Dictionary of Lithuania will serve as a useful introduction to virtually all aspects of Lithuania s historical experience including the country s relations with its neighbors This is done through a chronology an introductory essay an extensive bibliography and over 300 cross referenced dictionary entries on significant persons places and events institutions and organizations and political economic social cultural and religious facets Smuggled in Potato Sacks Solomon Abramovich,Yakov Zilberg,2011 About 5 000 children
