Council of Economic Advisers and as a member of President Clinton's cabinet. From 1993 to 1995 he was a member of the Council of Economic Advisers. He was previously a professor of economics at Stanford, Princeton, Yale, and All Souls College. Dr Stiglitz is also a leading scholar of the economics of the public sector and was awarded the Nobel Prize in Economics in 2001 in addition to the American Economic Association's biennial John Bates Clark Award in 1979. His recent publications include *Freefall: America, Free Markets, and the Sinking of the World Economy* (2010), *Making Globalization Work* (2006), *Fair Trade for All* (2005), and *Globalization and its Discontents* (2002). The 2009-2010 volumes of ARUNA therefore also devote considerable attention to the financial crisis as well as other international crises. Among the documents in the 2009-2010 volumes are the complete General Assembly resolutions as well as the Report and Resolutions of the Security Council and the Economic and Social Council. ECOSOC Annual Reports of note include reports of the United Nations Children's Fund (UNICEF), the UN Development Programme, and UN Population Fund. The UN High Commissioner for Human Rights, the UN High Commissioner for Refugees, the UN Relief and Works Agency for Palestine Refugees in the Near East, and the World Food Programme. Mr Muller and Dr Sauvant have also selected progress reports on key peacekeeping, peace building, and political missions including those for Afghanistan, the Democratic Republic of the Congo, Haiti, Iraq, the Middle East, Sudan, and West Africa. c. Volume III: This volume contains the following: Chapter 1: General Assembly Sixty-fourth Session continued; 3. Resolutions Adopted by the General Assembly at Its Sixty-fourth Session continued; Resolutions 64/104 through 64/199; d. Guest Authors of previous years' editions. Each annual edition of ARUNA is introduced by a Guest Author, a distinguished expert on UN affairs who highlights the outstanding themes of the year in review. Together with an overview provided by the editors, this introduction is intended to facilitate access to the material and, above all, to make it easier for users of ARUNA to see the forest for the trees. This year's ARUNA includes excerpts from the Report of the Commission of Experts of the President of the United Nations General Assembly on Reforms of the International Monetary and Financial System (21 Sept 2009) and from a slightly edited version of a Preface to that report written by Professor Joseph E Stiglitz. However, the roster of distinguished experts who have contributed this introduction in the past is also worthy of mention. Jose Antonio Ocampo: ARUNA 2008-2009 edition. Professor Jose Antonio Ocampo is Co-President of the Initiative for Policy Dialogue. He is also Professor in the School of International and Public Affairs and Fellow of the Committee on Global Thought at Columbia University. Professor Ocampo previously held the positions of Under Secretary General of the United Nations for Economic and Social Affairs, Executive Secretary of the United Nations Economic Commission for Latin America and the Caribbean, and Minister of Finance, Agriculture, and Planning of Colombia. In 2009, he was a member of the Commission of Experts of the President of the United Nations General Assembly on Reforms of the International Monetary and Financial System. Professor Ocampo is also the author of numerous books and articles on macroeconomics, policy, and theory, economic development, international trade, and economic history. His recent publications include *Stability with Growth: Macroeconomics*.

Finance Law and the Courts offers a comprehensive legal treatment of finance s regulatory sources and complex problems Drawing from European and US case law the book demonstrates that law and the courts provide finance with the certainty it needs to operate and the elasticity it needs to evolve      *Aviation Security* Ruwantissa I.R. Abeyratne, 2018-12-13 Published in 1998 The various conventions which apply to the subject of unlawful interface with civil aviation have proved effective only to the extent of nurturing existing values of international law as they are restrictively perceived through the parameters of air law This book examines the offence of unlawful interference with international civil aviation and analyses critically the legal and regulatory regime that applies thereto with a view to recommending measures that are calculated to infuse a new approach to the problem Emphasis is laid throughout the work on action which may be taken to alleviate the problem of unlawful interference Its conclusion incorporates various steps that can be taken towards achieving this objective The author focuses on the core of the problem which has effectively precluded significant progress into inroads that would curb the threat terrorism in aviation the attitude of the international community The book therefore examines in limine the fundamental role of international law in the light of the United Nations Congress of International Public Law of March 1995 and its effect on international criminal law It then determines the applicable principles of State sovereignty and examines the principles of State responsibility Its main purpose is to recommend the establishment of a new philosophy of international criminal law which transcends municipal boundaries Academic scholarly and judicial precedent for this book is the adduced in support of this argument The book also examines the role of International Civil Aviation Organization ICAO as the regulatory body responsible for civil aviation in the context of new approaches made by the international community towards the status of ICAO in aviation security The practical value of this work essentially lies in the legal recommendations it makes at its conclusion which are based on existing principles of international law It will thus be invaluable not only to international and aviation lawyers criminal lawyers both international and national security professionals and teachers and students of international law but also to aviation industry executives and regulatory agency specialists whose responsibilities impinge on or are determined by existing and evolving legal and security measures      Antarctica in International Law Ben Saul, Tim Stephens, 2015-04-30 Antarctica one of the world s last great wildernesses presents special challenges for international law Fears that Antarctica would become a front in the Cold War catalysed agreement on the 1959 Antarctic Treaty which neither legitimised nor challenged the existing sovereign claims to the continent The unique Antarctic Treaty System has provided the foundation for peaceful harmonious and effective governance There are however new anxieties about the frozen

continent and the Southern Ocean Antarctica already feels the effects of climate change and ocean acidification Claimant states assert rights to the Antarctic continental shelf and interest in Antarctic resources grows Tourism brings new environmental and safety risks China and other powers are increasing their activities with some questioning the consensus of the Antarctic club Security concerns are increasingly discussed despite Antarctica's dedication to peaceful purposes This book brings together the main primary international materials concerning the regulation and governance of Antarctica including multilateral and bilateral treaties United Nations materials soft laws and judicial decisions It covers the spectrum of Antarctic issues from environmental protection to scientific cooperation to tourism As it shows Antarctic law has constantly adapted to meet new challenges and is a sophisticated inclusive dynamic and responsive regime
