Resolving Team Conflicts Workshop Participant Course:

Resolving Deep-Rooted Conflicts Herbert C. Kelman, 2016-07-15 This book is a collection of articles and essays by Professor Herbert C. Kelman, a leading figure in the conflict resolution community and one of the most influential peace researchers. Professor Kelman, a social psychologist, has been a pioneer of conflict resolution and peace research, and his work in conflict resolution has included a decades-long action research program on the Arab-Israeli conflict, which has seen the development of Interactive Problem Solving Workshops, an approach which has had a deep impact not only on research but also on the practice of conflict resolution around the world and especially in the Middle East. Focusing on Kelman's conflict resolution-related work, this volume comprises an important collection of articles written by Kelman across his career as academic and practitioner. By bringing together these carefully selected articles, the book offers a concise overview of the body of Kelman's work and his intellectual biography. It traces the origins of the field of conflict resolution, the development of the study and practice of Interactive Problem Solving Workshops, and the wider challenges faced by conflict resolution research and practice. This book will be of much interest to students of peace and conflict studies, conflict resolution psychology, and IR in general. *Interagency Training Catalog of Courses* United States. Encyclopedia of Gender and Information Technology Trauth, Eileen M., 2006-06-30 This two-volume set includes 213 entries with over 4,700 references to additional works on gender and information technology. Provided by publisher. [The Handbook of Conflict Resolution](#) Morton Deutsch, Peter T. Coleman, Eric C. Marcus, 2006-09-18 The Handbook of Conflict Resolution, Second Edition, is written for both the seasoned professional and the student who wants to deepen their understanding of the processes involved in conflicts and their knowledge of how to manage them constructively. It provides the theoretical underpinnings that throw light on the fundamental social psychological processes involved in understanding and managing conflicts at all levels: interpersonal, intergroup, organizational, and international. The Handbook covers a broad range of topics, including information on cooperation and competition, justice, trust, development, and repair, resolving intractable conflict, and working with culture and conflict. Comprehensive in scope, this new edition includes chapters that deal with language, emotion, gender, and personal implicit theories as they relate to conflict. [Handbook of Ethnic Conflict](#) Dan Landis, Rosita D. Albert, 2012-02-14 Although group conflict is hardly new, the last decade has seen a proliferation of conflicts engaging intrastate ethnic groups. It is estimated that two-thirds of violent conflicts being fought each year in every part of the globe, including North America, are ethnic conflicts. Unlike traditional warfare, civilians comprise more than 80 percent of the casualties, and the economic and psychological impact on survivors is often so devastating that some experts believe that ethnic conflict is the most destabilizing force in the post-Cold War world. Although these conflicts also have political, economic, and other causes, the purpose of this volume is to develop a psychological understanding of ethnic warfare.

More specifically Handbook of Ethnopolitical Conflict explores the function of ethnic religious and national identities in intergroup conflict In addition it features recommendations for policy makers with the intention to reduce or ameliorate the occurrences and consequences of these conflicts worldwide

The Social Psychology of Intergroup and International Conflict Resolution Ronald J. Fisher,2012-12-06 *Peaceworks* ,1995 **Peace and Conflict Resolution in Africa** Ernest E. Uwazie,2019-01-15 This publication is the product of the 25th Annual Africa and Diaspora Conference in 2016 organized by the Center for African Peace and Conflict Resolution at California State University Sacramento on the theme of Peace and Conflict Resolution in Africa 25 Years Later Lessons Best Practices and Opportunities It brings together reflections on both historical and contemporary or recurring conflicts in Africa especially on issues of ethno religious conflicts corruption land and leadership The chapters include case studies and some theoretical perspectives on the persistent search for the right size and scope of visioning and programming on peace and conflict resolution in Africa Understandably this collection of ideas thoughts and proposals will resonate with the field of Peace and Conflict Studies Arguably Africa is rising in the 21st century with declining violent conflicts and an increase in stable democracies and economies However there are still the significant challenges of extremism climate change poor governance ineffective leadership widening wealth gaps and weak institutions of moderation The essays collected here also document areas of progress in legitimizing democracy and conceptualizing social justice and suggest the need for building the next generation of peace leaders in Africa

Dialogue, Conflict Resolution, and Change Mohammed Abu-Nimer,2012-02-01 This is the first study to introduce the subject of Arab Jewish relations and encounters in Israel from both conflict resolution and educational perspectives Through a critical examination of Arab and Jewish encounter programs in Israel the book reviews conflict resolution and intergroup theories and processes which are utilized in dealing with ethnic conflicts and offers a detailed presentation of intervention models applied by various encounter programs to promote dialogue education for peace and democracy between Arabs and Jews in Israel The author investigates how encounter designs and processes can become part of a control system used by the dominant governmental majority s institutes to

maintain the status quo and reinforce political taboos Also discussed are the different conflict perceptions held by Arabs and Jews the relationship between those perceptions and both sides expectations of the encounters Abu Nimer explores the impact of the political context Intifada Gulf War and peace process on the intervention design and process of those encounter groups and contains a list of recommendations and guidelines to consider when designing and conducting encounters between ethnic groups He reveals and explains why the Arab and Jewish encounter participants and leaders have different criteria of their encounter s success and failure The study is also applicable to dialogue and coexistence programs and conflict resolution initiatives in other ethnically divided societies such as South Africa Northern Ireland Bosnia and Sri Lanka where the minority and majority have struggled to find peaceful ways to coexist *Re-Centering Culture and Knowledge in Conflict Resolution Practice* Mary Adams Trujillo,S. Y. Bowland,Linda James Myers,Phillip M. Richards,Beth Roy,2022-09-01

The field of conflict resolution centers on relationships and ways of approaching methods for problem solving These relationships and approaches vary deeply depending on the individual society and background proving that cultural perspective is fundamental to any dispute intervention *Re Centering Culture and Knowledge in Conflict Resolution Practice* is a collection of original essays by scholars and practitioners of conflict resolution and others working in marginalized communities The volume offers a sampling of the cultural voices essential to effective practice yet not commonly heard in the discourse of conflict resolution The authors explore the role of culture race and oppression in resolving disputes Drawing on firsthand experience and sound research the authors address such issues as culturally sensitive mediation practices the diversity of perspectives in conflict resolution literature and power dynamics The first anthology of its kind this book combines personal narratives with formal scholarship By melding these varied approaches the authors seek to inspire activism for social justice in today s multicultural society **Adaptive Collaborative Approaches in Natural Resource**

Introduction to Conflict Resolution Sara Cobb,Sarah Federman,Alison Castel,2019-07-02 The field of conflict resolution has evolved dramatically during the relatively short duration of the discipline s existence Each generation of scholars has struggled with the major puzzles of their era providing theories and solutions that meet the needs of the time

only to be pushed forward by new insights and at times totally upended by a changing world This introductory course text explores the genealogy of the field of conflict resolution by examining three different epochs of the field each one tied to the historical context and events of the day In each of these epochs scholars and practitioners worked to understand and address the conflicts that the world was facing at that time This book provides a framework that students will carry with them far into their careers enriching their contributions and strengthening their voices Rather than a didactic approach to the field students will develop their critical analytical skills through an inductive inquiry Students will broaden their vocabulary grapple with argumentation and develop critical reading skills **Interactive Conflict Resolution** Ronald J.

Fisher,1997-06-01 Interactive Conflict Resolution is the first book to comprehensively examine this innovative technique for peacebuilding impartial third parties through facilitated dialogue and focused analysis bring together unofficial representatives of groups or nations engaged in protracted violent conflict Ronald J Fisher discusses the works of major theorists as they have applied this technique to situations in Israel Palestine Northern Ireland India Pakistan and Cyprus among others He describes various methods including intercommunal dialogue interactive problem solving third party consultation and the psychodynamic approach Comprehensive in scope Interactive Conflict Resolution also explores how this technique can be used in conjunction with official diplomacy and other methods of third party negotiations including mediation and prenegotiations Fisher also addresses the critical areas which threaten the field such as funding and institutionalization and pinpoints the major challenges he sees in the years ahead **Social Identity, Intergroup Conflict,**

and Conflict Reduction Richard D. Ashmore, Lee J. Jussim, David Wilder, 2001 Annotation How are group based identities related to intergroup conflict When and how do ethnic religious and national identities lead to oppression violence rebellion war mass murder and genocide How do intergroup conflicts change people s identities How might social identity be harnessed in the service of reducing conflict between groups The chapters in this book present a sophisticated and detailed interdisciplinary analysis of the most fundamental issues in understanding identity and conflict **Handbook of Conflict Analysis and Resolution** Dennis J.D. Sandole, Sean Byrne, Ingrid Sandole-Staroste, Jessica Senehi, 2008-07-31 This major Handbook is a collection of work from leading scholars in the Conflict Analysis and Resolution CAR field The central theme is the value of interdisciplinary approaches to the analysis and resolution of conflicts
