Resort City In The Sunbelt Las Vegas 1930 :

Resort City In The Sunbelt, Second Edition Eugene P. Moehring, 2000-05 2005 is Las Vegas centennial year This book updated to take account of the dramatic changes that have taken place in the city since the 1970s sheds light not only on the history of the city but also provides insight into its future

Resort City In The Sunbelt, Second Edition Eugene P. Moehring, 2016-10-01 Resort City in the Sunbelt is a non sensationalistic scholarly account of Las Vegas from the building of the Hoover Dam to the construction of the MGM Grand Hotel Historian Eugene Moehring provides a balanced view of the city s urban development Although a unique city in many ways Las Vegas has displayed characteristics common to other sunbelt cities across the western United States including underfunded social services low density urbanization with a heavy reliance upon automobiles a sluggish response to problems within minority communities a preference for efficient business like government and a mania for low taxes The gaming and resort aspects are fully considered but Moehring emphasizes the city as part of the continually expanding sunbelt From this important study historians will conclude that despite some of its unusual traits Las Vegas is much like other western cities and therefore deserves recognition as one of the fastest growing centers in postwar America In a new and expanded epilogue to this edition Moehring looks at the major events of the three decades leading up to 2000 and their underpinnings

Resort City in the Sunbelt Eugene P. Moehring, 1989 Studies the urbanization of this Nevada resort over a forty year period from the Depression to the beginning of the recent recession

The State of Sex Barbara Brents, Crystal Jackson, Kathryn Hausbeck, 2009-12-16 This study of Nevada s brothels uses empirical data and sociological theory to situate the United States only legal brothel industry in the political economy of contemporary tourism The personal accounts of sex workers make this a compelling read for students and those interested in the sex industry

The Moulin Rouge and Black Rights in Las Vegas Earnest N. Bracey, 2009-01-22 Originally opened in May 1955 the Moulin Rouge Hotel and Casino quickly rose in popularity as Las Vegas first racially integrated hotel and casino Sammy Davis Jr Louis Armstrong and other A list black singers and musicians performed at the Moulin Rouge on a regular basis and for once they were allowed to spend the night in the same hotel where they performed This book explains the important role that the hotel casino played in early desegregation efforts in Las Vegas With the Moulin Rouge as the backdrop it provides an analysis of the evolution of race relations in Las Vegas including a detailed account of the landmark 1960 desegregation agreement Finally it examines recent efforts to rebuild and renovate the historic establishment

The Peoples Of Las Vegas Jerry L Simich, Thomas C. Wright, 2005-03-07 Beneath the glitzy surface of the resorts and the seemingly cookie cutter suburban sprawl of Las Vegas lies a vibrant and diverse ethnic life People of varied origins make up the population of nearly two million and yet until now little mention of the city has been made in studies and discussion of ethnicity or immigration The Peoples of Las Vegas One City Many Faces fills this void by presenting the work of seventeen scholars of history political science sociology anthropology law urban studies cultural studies literature social work and

ethnic studies to provide profiles of thirteen of the city's many ethnic groups. The book's introduction and opening chapters explore the historical and demographic context of these groups as well as analyze the economic and social conditions that make Las Vegas so attractive to recent immigrants. Each group is the subject of the subsequent chapters outlining migration motivations and processes, economic pursuits, cultural institutions, and means of transmitting culture. Involvement in the broader community, ties to homelands, and recent demographic trends.

More Peoples of Las Vegas Jerry L. Simich, Thomas C. Wright, 2010-03-15. The remarkable economic growth of Las Vegas between 1980 and 2007 created a population boom and a major increase in the ethnic and religious diversity of the city. Today over 21 percent of the city's population is foreign born and over 30 percent speak a language other than English at home. The local court system offers interpreters in 82 languages and in 2005-2006 for example more than 11,000 people originating from 138 countries were naturalized there as American citizens. *More Peoples of Las Vegas* extends the survey of this city's cosmopolitan population begun in *The Peoples of Las Vegas* University of Nevada Press 2005. As in the previous book, this volume includes well-established groups like the Irish and Germans and recently arrived groups like the Ethiopians and Guatemalans. Essays describe the history of each group in Las Vegas and the roles they play in the life and economy of the city. The essays also explore the influence of modern telecommunications and accessible air travel, showing how these factors allow newcomers to create transnational identities and maintain ties with families and culture back home. They also examine the role of local institutions including clubs, religious organizations, shops, restaurants, and newspapers, and other media in helping immigrants maintain their ethnic and religious identities and in disseminating national and even regional cultures of origin. *More Peoples of Las Vegas* adds to our awareness of the rich and varied ethnic and religious character of Las Vegas. In a broader context, it offers thoughtful perspectives on the impact of globalization on a major American city and on the realities of immigrant life in the twenty-first century.

The Social History of Crime and Punishment in America Wilbur R. Miller, 2012-07-20. Several encyclopedias overview the contemporary system of criminal justice in America, but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems. Thus, this five-volume work surveys the history and philosophy of crime, punishment, and criminal justice institutions in America from colonial times to the present. It covers the whole of the criminal justice system from crimes, law enforcement, and policing to courts, corrections, and human services. Among other things, this encyclopedia explicates philosophical foundations underpinning our system of justice, charts changing patterns in criminal activity and subsequent effects on legal responses, identifies major periods in the development of our system of criminal justice, and explores in the first four volumes, supplemented by a fifth volume containing annotated primary documents, evolving debates and conflicts on how best to address issues of crime and punishment. Its signed entries in the first four volumes, supplemented by a fifth volume containing annotated primary documents, provide the historical context for students to better understand contemporary criminological

debates and the contemporary shape of the U S system of law and justice **The Sagebrush State, 3d Edition** Michael W. Bowers, 2012-05-15 Since its publication in 1996 The Sagebrush State has served as the text for the required course on Nevada s history and constitution given at the state s colleges and universities The third edition of this work is updated through 2005 to include information on the elections of 2002 and 2004 and two very controversial sessions of the legislature The full text of the state constitution is provided for reference in an appendix and includes extensive annotations that note and explain amendments and other changes made to the original 1864 document Repositioning North American Migration History Marc S. Rodriguez, 2004 An in depth look at trends in North American internal migration This volume gathers established and new scholars working on North American immigration transmigration internal migration and citizenship whose work analyzes the development of migrant and state level institutions as well as migrant networks With contemporary migration research most often focused on the development of transnational communities and the ways international migrants maintain relationships with their sending region that sustain the circularflow of people ideas and traditions across national boundaries it is useful to compare these to similar patterns evident within the terrain of internal migration To date however international and internal migration studies have unfolded in relative isolation from one another with each operating within these distinct fields of expertise rather than across them Although there has been some important linking there has not been a recent major consideration of human migration that works across and within the various borders of the North American continent Thus the volume presents a variety of chapters that seek to consider human migration in comparative perspective across the internal international divide Marc S Rodriguez is Assistant Professor of History at Princeton University Donna R Gabbaccia is the Mellon Professor of History at the University of Pittsburgh James R Grossman is the Vice President of Research and Education at the Newberry Library Chicago Contributors Josef Barton Wallace Best Donna Gabbaccia James Gregory Tobias Higbie Mae Ngai Walter Nugent Annelise Orleck Kunal Parker Kimberly Phillips Bruno Ramirez Marc Rodriguez Repositioning North American Migration History is a volume in Studies in Comparative History sponsored by Princeton University s Shelby Cullom Davis Center for Historical Studies **The Making of Urban America** Raymond A. Mohl, Roger Biles, 2023-10-03 The revised and updated third edition of The Making of Urban America includes seven new articles and a richly detailed historiographical essay that discusses the vast urban history literature added to the canon since the publication of the second edition The authors extensively revised introductions and the fifteen reprinted articles trace urban development from the preindustrial city to the twentieth century city With emphasis on the social economic political commercial and cultural aspects of urban history these essays illustrate the growth and change that created modern day urban life Dynamic topics such as technology immigration and ethnicity suburbanization sunbelt cities urban political history and planning and housing are examined The Making of Urban America is the only reader available that covers all of U S urban history and that also includes the most recent interpretive scholarship on the subject **Cities,**

Sagebrush, and Solitude Dennis R. Judd, Stephanie L. Witt, 2015-03-16 Cities Sagebrush and Solitude explores the transformation of the largest desert in North America the Great Basin into America's last urban frontier In recent decades Las Vegas Reno Salt Lake City and Boise have become the anchors for sprawling metropolitan regions This population explosion has been fueled by the maturing of Las Vegas as the nation's entertainment capital the rise of Reno as a magnet for multitudes of California expatriates the development of Salt Lake City's urban corridor along the Wasatch Range and the growth of Boise's celebrated high tech economy and hip urban culture The blooming of cities in a fragile desert region poses a host of environmental challenges The policies required to manage their impact however often collide with an entrenched political culture that has long resisted cooperative or governmental effort The alchemical mixture of three ingredients cities aridity and a libertarian political outlook makes the Great Basin a compelling place to study This book addresses a pressing question are large cities ultimately sustainable in such a fragile environment

Louis Prima Garry Boulard, 2002 This is the first paperback edition of the only biography of Louis Prima one of the most underrated jazz musicians and entertainers of the twentieth century In a career that spanned four decades Prima infused the grit and grace of Dixieland jazz with swing and big band sounds the first whiffs of rock n roll and a vaudevillian like stage presence A native of New Orleans the Guy Lombardo protégé known as The Italian Satchmo was the country's smashing new jazz sensation at New York's Famous Door in the 1930s He went on to be a successful big band leader and a Vegas nightclub staple and he virtually created the concept of the lounge act Despite his longstanding success Prima's over the top on stage antics induced critics to not take him seriously and he was relegated to the status of mere entertainer Married five times and involved with numerous women in between Prima has more often been remembered for his colorful relationships and quirky personality than for his abilities as a trumpeter and singer After his death in 1978 his music gradually disappeared and jazz scholars rarely mentioned his name Nudging Prima's legacy into the limelight the musician deserved Garry Boulard nimbly explores Prima's ability to maintain a lifelong career his knack for self promotion and how the cities in which he lived and performed New York Los Angeles and Las Vegas uniquely and indelibly informed his style In a new preface the author considers how the resurgence of big band and swing music in the late 1990s catapulted Prima and his music back into the public eye

World War II and Nevada Charles Weller, 2024-05-28 World War II and Nevada is an in depth examination of the state's role in the war Nevada's geographic location land sky mineral resources and the sacrifices of its people were crucial to victory and transformed the state The war brought the first significant development of the gaming industry the introduction of a huge permanent military presence the diversification of its population and a shift in political and economic power within the region Nevada's previously unexamined role in the internment of Japanese Americans is explored and so too is the role of women and minority groups in support of the war The book concludes with a comprehensive list of those killed wounded or made prisoners of war during the conflict Weller provides the most thorough analysis of Nevada's war effort to date and historians will find the book

a valuable addition to their World War II history collections Broadway in the Box Kelly Kessler, 2020 It was as if American television audiences discovered the musical in the early 21st century In 2009 Glee took the Fox Network and American television by storm with the unexpected unification of primetime programming awkward teens and powerful voices spontaneously bursting into song After raking in the highest rating for a new show in the 2009 2010 season Glee would continue to cultivate rabid fans tie in soundtracks and merchandising and a spinoff reality competition show until its conclusion in 2015 Alongside Glee NBC and Fox would crank up musical visibility with the nighttime drama Smash and a string of live musical productions Then came ABC's comedic fantasy musical series Galavant and the CW's surprise Golden Globe darling My Crazy Ex Girlfriend Television and the musical appeared to be a perfect match But as author Kelly Kessler illustrates television had at that point been carrying on a sixty year symbiotic love affair with the musical From Rodgers and Hammerstein's appearance on the first Toast of the Town telecast and Mary Martin's iconic Peter Pan airings to Barbra Streisand's 1960s CBS specials The Carol Burnett Show Cop Rock Great Performances and a string of one off musical episodes of sitcoms nighttime soaps fantasy shows and soap operas television has always embraced the musical Kessler shows how the form is written across the history of American television and how its various incarnations tell the stories of shifting American culture and changing television film and theatrical landscapes She recounts and explores this rich decades long history by traversing musicals stars and sounds from film Broadway and Las Vegas to the small screen *Rat Pack Confidential* Shawn Levy, 1999-09-17 For the first time the full story of what happened when Frank brought his best pals to party in a land called Vegas January 1960 Las Vegas is at its smooth cool peak The Strip is a jet age theme park and the greatest singer in the history of American popular music summons a group of friends there to make a movie One is an insouciant singer of Italian songs ex partner to the most popular film comedian of the day One is a short black Jewish one eyed singing dancing wonder One is an upper crust British pretty boy turned degenerate B movie star actor brother in law to an ascendant politician And one is a stiff shouldered comic with the quintessential Borscht Belt emcee's knack for needling one liners The architectonically sleek marquee of the Sands Hotel announces their presence simply by listing their names FRANK SINATRA DEAN MARTIN SAMMY DAVIS JR PETER LAWFORD JOEY BISHOP Around them an entire cast gathers actors comics singers songwriters gangsters politicians and women as well as thousands of starstruck everyday folks who fork over pocketfuls of money for the privilege of basking in their presence They call themselves The Clan But to an awed world they are known as The Rat Pack They had it all Fame Gorgeous women A fabulouse playground of a city and all the money in the world The backing of fearsome crime lords and the blessing of the President of the United States But the dark side over the thin line between pleasure and debauchery between swinging self confidence and brutal arrogance took its toll In four years their great ride was over and showbiz was never the same Acclaimed Jerry Lewis biographer Shawn Levy has written a dazzling portrait of a time when neon brightness cast sordid shadows It was Frank's World and we just lived in it

American Far West in the Twentieth Century Earl S. Pomeroy, 2008-10-21 In this richly insightful survey that represents the culmination of decades of research a leading western specialist argues that the unique history of the American West did not end in the year 1900 as is commonly assumed but was

shaped as much if not more by events and innovations in the twentieth century Earl Pomeroy gathers copious information on economic political social intellectual and business issues thoughtfully evaluates it and draws a new and more nuanced portrait of the West than has ever been depicted before Pomeroy mines extensive published and unpublished sources to show how the post 1900 West charted a path that was influenced by but separate from the rest of the country and the world He deals not only with the West's transition from an agricultural to an urban region but also with the important contributions of minority racial and ethnic groups and women in that transformation Pomeroy describes a modern West increasingly urban transnational and multicultural that has overcome much of the isolation that challenged it at an earlier time His final book is nothing short of the definitive source on that West
