Lewis Jr. M.D., 2016-10-28 The author has assembled a collection of 3 676 last words from a select group of individuals as they faced their approaching demise This compilation illuminates a group of beings ranging from convicted criminals to the most holy Some serenely committed their souls to a higher being while others railed against oncoming death Many are famous some are notorious and others blur into a less well defined subgroup The majority of entries consist of final spoken words but a few wills epitaphs diaries and last letters are also included in this collection A brief sketch of each person includes birth and death dates country of origin and a short biographical sketch Farewells spoken after the turn of the twenty first century ensure that this compilation has some of the most up to date material in this genre
