**Resting in the Bosom of the Lamb** Augusta Trobaugh, 2011-11 Four elderly southern women share a house a history and heartbreaking secrets Baby girl I hope you re listening real good to what I m gonna tell you about that sure enough miracle we got us Had to be a miracle because in all my born days I didn t never think it could turn out like this Didn t never think you d be sitting right here on this very porch with me hearing me talk about all us folks you don t know nothing much about yet Back then I didn t really know that all the folks who came ahead of us are like the brown roots of a big old vine growing close to the porch and even though those roots are way down deep in the ground where we can t see them they re still there Always And we grow from them our whole lives and then if we re lucky others grow from us Well I expect that the ones who came before us black and white had things they had to keep still about too just like me and Miss Cora Things we had to do whether we liked it or not And then never speak of them again
