## **Restless Hearts:**

*Clean of Heart* Rosemarie Scott, 2006 *Clean of Heart* is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes *Clean of Heart* different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics *Clean of Heart* consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second *Clean of Heart* is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins

*Restless Heart* T. William Phillips, 2010-06 HIS RESTLESS HEART BEAT TO A RHYTHM OF ITS OWN a rhythm that had once been so prevalent in the core of his soul but had long been lost under the thick layers of routine expectation and responsibility created by a quiet civilized life Konrad Quintero de Leon a young American man having just returned home to New York after his schooling at Oxford University decides to venture west to rediscover that lost rhythm and peel off the layers that have muffled it for so long Set in the 1840s some of America's most restless years Konrad begins an endless journey in search of his own manifest destiny He embarks on a westward expedition with the famous explorer John C Fremont and legendary mountain man Kit Carson He roams the wild Texas frontier with the Texas Rangers and fights in the bloody Battle of Monterrey under the command of General Zachary Taylor But the life of a restless wanderer is not an easy one as Konrad discovers when he falls in love with the beautiful and exciting Anastasia Carriere the fianc e of another man He is cast into a desperate battle where he must choose between the woman he loves and the adventure that he craves

*Eternal Heart* Carl McColman, 2021 The heart is where the human soul and God meet This is what teachings from Scripture and the mystics reveal the heart is the temple of God within us and within the heart we hold the power to live a truly divine life But how do we harness the tremendous love the heart is capable of generating In *Eternal Heart* Carl McColman author of *The Big Book of Christian Mysticism* invites us to create an optimistic visionary and imaginative path to personal happiness and fulfillment Weaving together teachings from the biblical tradition literature of the mystics and Buddhism McColman engages us in profound practical exercises for cultivating fuller more abundant and more satisfying lives The path of Christian Mysticism is a path of action By unlocking the mysteries in our hearts we discover a source of power deep within us a power for spiritual growth and for creating meaningful relationships and working together to change the world for the better

By the author of 'The voice of the sacred heart'.** Jesus Christ, 1890 **Hope In God** Dale Tedder, 2017-03-16 In the end there is no end for we were created for eternity We are pilgrims and aliens traveling in a foreign land longing for the City of God not built with human hands but eternal in the heavens To be sure we should not seek to hurry to the day we stand before the Lord for each day of this life is a gift and is sacred given us by the King of eternity to use for his glory Yet as 17th century pastor and author Richard Baxter assures us there is for those who know Christ an indescribable rest Can you imagine anything better to rest in the very presence of God himself Thus we are called to enjoy the life God has given us here and now Yet one day when the Lord calls us home let us look forward to that far green country under a swift sunrise I pray the reflections you read throughout this book will encourage you for living in this world even as I pray they will prepare you for

the next May the longing of our hearts for things unseen serve as our true north that we might one day arrive Home This book of devotions is ideal for personal use or as a small group discussion guide
