Restless Sleep Inside New York City's Cold Case Squad:

The Restless Sleep Stacy Horn, 2006-07-25 Between 1985 and 2004 a staggering 8 894 unsolved homicides were committed in New York City Here is the first ever inside look at the elite NYPD squad that cracks these unsolvable cases In this fascinating in depth narrative Stacy Horn uses her unprecedented access to the NYPD Cold Case Squad to immerse herself into four unsolved murder cases cases going back as far as 1951 investigated by three indefatigable Cold Case detectives Each detective uses his own contacts informants and resources and sifts through decades old evidence searching for new leads looking for what others missed and uncovering any possible connections These Cold Case detectives are on a constant hunt for the needle in the haystack and Stacy Horn puts you there every step of the way From the grisly circumstances and desperate reconstructions of the crimes through the endless legwork the scientific advances that don't always yield hoped for answers and the harrowing politics and tangled history of the storied NYPD Horn depicts the drama of each case and lays out the puzzle as seen through the eyes of the detectives At once contemplative and energetic The Restless Sleep is a completely addictive fly on the wall story of a subculture of crime solving and of the people who must beat the odds to offer a final resolution for the unavenged Cold Case Reviews Cheryl Allsop, 2018 The Homicide Detective Toney Allman, 2009-11-20 Homicide detectives are murder specialists This book explains aspects of the job such as analysis of the crime scene performing interrogations and presenting evidence in the courtroom Students will learn how cutting edge forensic science can reveal clues in the tiniest bits of evidence Sidebars offer crime statistics and information about careers in criminal investigation Cold Cases Charlotte Greig, 2011-06-01 There's nothing more chilling than an unsolved crime particularly one involving direct harm to human life be it murder or rape these are the crimes whose effects extend furthest and cause most pain to humanity how much worse when they go unsolved and as such unpunished Such crimes so called cold cases are all too common especially in the big cities where hundreds if not thousands of such incidents remain on file After the initial furore of questioning suspects and analyzing motives has died down investigators are often left with no leads and the uneasy knowledge that a dangerous person is still on the loose possibly preparing to strike again But there is hope With the development of science and the continuing improvements in detection techniques the re examination of old unsolved crimes is yielding positive results often decades after the cases originally went cold This book documents the most fascinating of these cases and includes The murdered heiress Helen Brach Albert Fish child killer The Green River killer Gary Leon Ridgway Gerald Parker the Bedroom Basher The woman in a box The bone breaker Joe Clark Frank Bender forensic sculptor Dennis Rader the Bind Torture Kill killer The Killing Fields of East New York Stacy Horn, 2025-01-28 In this groundbreaking work of investigative journalism and true crime Stacy Horn sheds light on how the subprime mortgage scandal of the 1970s and a long history of white collar crime slowly devastated East New York a Brooklyn neighborhood that would come to be known as the Killing Fields On a warm summer evening in 1991 seventeen year old Julia Parker was

murdered in the Brooklyn neighborhood of East New York An area known for an exorbitant level of violence and crime East New York had come to be known as the Killing Fields In the six months after Julia Parker s death 62 more people were murdered in the same area In the early 1990s murder rates in the neighborhood climbed to the highest in NYPD history East New York was dying But how did this once thriving diverse family neighborhood fall into such ruin The answer can be found two decades earlier In response to redlining and discriminatory housing practices the Johnson administration passed the Housing and Urban Development Act in 1968 The Federal Housing Authority aimed to use this piece of legislation to help low income families of color finally achieve homeownership But they could never have predicted how banks lenders realtors and corrupt FHA officials themselves would use the newly passed law to make victims of the very people they were supposed to help and the devastation they would leave in their wake A compulsively readable hybrid of true crime and investigative journalism The Killing Fields of East New York reveals how white collar crime reduced a prospering neighborhood to abandoned buildings and empty lots Following the dual threads of the hunt for the network of criminals behind the first subprime mortgage scandal and the ensuing downfall of East New York Stacy Horn weaves a compelling narrative of government failure a desperate community and ultimately the largest series of mortgage fraud prosecutions in American history The Killing Fields of East New York deftly demonstrates how different types of crime are profoundly entangled and how the crimes committed in nice suits and corner offices are just as destructive as those committed on the street

Geographic Profiling D. Kim Rossmo, 2025-04-02 Geographic Profiling explores this cutting edge investigative methodology for determining the most probable area of an offender s residence by analyzing the locations of a series of connected crimes Geoprofiling allows police detectives and law enforcement officers to prioritize suspects focus their investigations and manage information overload This extensive and exhaustive work explains the underlying theories and operational principles of the methodology To provide context extensive reviews of the research on serial murder rape and arson stranger child murder behavioral psychological profiling linkage analysis and the geography of crime are included As any police officer who has walked a beat or worked a crime scene knows streets have hot spots patterns and rhythms Understanding the varied geographic information in a crime series can be challenging Renowned expert Kim Rossmo explains the concepts and applications of geographic profiling and in this second edition updates his groundbreaking book with informative and engaging figures tables and examples A range of applications are discussed including suspect prioritization database searches tactical response plans missing person investigations clandestine grave identification and the role of geography in wrongful conviction reviews Dr Rossmo discusses the nature of police inquiries criminal evidence investigative challenges and failures and more The book explores the application of geographic profiling to violent and property crime single offenses epidemiology counterterrorism insurgency and even earthquake epicenter and pirate base prediction Fascinating new case studies include the Golden State Killer Operation Lynx the Zodiac Killer the Lindbergh baby

kidnapping the DC Snipers and the Austin Midnight Assassin Geographic Profiling is a must have reference for detectives crime analysts and law enforcement officers who want to follow the geographic clues in their cases Its clear presentation makes it ideal for college courses police training university scholars and students of true crime **Damnation Island** Stacy Horn,2025-05-01 Enthralling it is well worth the trip New York Journal of Books Conceived as the most modern humane incarceration facility the world had ever seen New York s Blackwell s Island site of a lunatic asylum two prisons an almshouse and a number of hospitals quickly became in the words of a visiting Charles Dickens a lounging listless madhouse Digging through city records newspaper articles and archival reports Stacy Horn tells a gripping narrative through the voices of the island s inhabitants We also hear from the era s officials reformers and journalists including the celebrated undercover reporter Nellie Bly And we follow the extraordinary Reverend William Glenney French as he ministers to Blackwell s residents battles the bureaucratic mazes of the Department of Correction and a corrupt City Hall testifies at salacious trials and in his diary wonders about man s inhumanity to his fellow man Damnation Island shows how far we ve come in caring for the least fortunate among us and reminds us how much work still remains The Readers' Advisory Guide to Nonfiction
